Stories Ronald (Ronn) L. Shank, 2012-09-17 A number of years ago now as one of my grandsons first birthday approached I thought about what to give a one year old There are a million things that will be played with for a short while then either broken or ignored I wanted to give something special something lasting something that even when older he might still enjoy Then it struck me since he likes the silly little stories I tell him upon his request that maybe I could write some cute little short stories with a moral as well just for him and any of my other grandchildren as well when shared That's all it took to get me started Since then each year I write a little story that somehow relates to something in his life When another grandchild came along he also was added to the list of recipients of original stories When I got to thinking about it I decided there may be other grandparents that would like to spend time with their grandchild reading a little story Now a few years down the pike and I have enough for a book And so herein I offer my readers a chance to share the joy of time spent reading to a child That is why my stories were written in the first place Children go through phases as with my grandchildren there were the dinosaurs whales especially the blue whale hedge hogs puppies and gold fish I'm sure you get my drift All of these fed my imagination and help to produce stories that have a connection and personal touch for both the child and me These stories are not written for children to read but rather for a loving adult to sit down with child on their lap or side by side on a shared sofa and be read to I recommend using funny voices and lots of emphasis and maybe a tickle or two at just the right moment to add flavor and a garnish to each story The giggles like sparklers on the 4th of July will shower joy in all directions and warm the heart of the one reading the story and those close by Do not be concerned about the content all the stories contained in this book are rated PG to be read by Parent or Grandparent I hope you will enjoy these short stories even more than I did writing them *EDUCATING PIZZY Z* J GALOS, 2020-04-14 Zol aka Pizzy Zoi and Joe a budding writer enters for the first time a writer's workshop his love interest Anna had recommended to him During writing exercises he revisits his past life as a kid and he is amazed about the detail of his visions his facilitators are extracting from his subconscious mind These writing exercises enable him to access the world of writing and set his creative and artistic side to open at demand It reminds him of an athlete taking up a training program to reach a set goal Pizzy's grandfather had prepared a secret hiding place for his family to keep them safe from advancing Russian troops Mom's golden boy enjoys relative freedom in the post war

environment where everything happening is an extension to his adventurous mind With Mish his girlfriend he draws African animals and they become best friends while Pizzy stays quarantined due to scarlet fever While Joe excels at the writing workshop about the theme of awaking love he recalls his first love Michaela whom he met as a student in Vienna Meeting a young rebellious woman at a party Bea will accompany the equally bold architect to South Africa Zol will meet in Crete he visited with Bea and her sister Kim racy Marie Does her brazen body talk hold for him another hot adventure

I Know Why the Angels Dance Bryan Davis,2023-01-19 When the darkness of unspeakable tragedy collides with the infinite glory of heaven what happens What salve can heal the deepest of wounds when dawn breaks and the nightmare is real What words can console a grieving father or mother when the blossom of the womb fades and falls Images of hope soft words that set the mind at ease beautiful memories brought home by a beautiful story I Know Why the Angels Dance is a healing salve it incites a cleansing catharsis it serves as a holy image maker mending hearts and minds with glimpses of heaven s glory It opens spiritual eyes We are all on a collision course with the unknown Will it be a plunge into darkness or a passing from one existence into a brighter one Two fathers one in the light and one in darkness each face the reality of that passage and both struggle to find and apply the healing balm Yet God uses the faith of a child to reach out to the downcast the hand of an extraordinary girl leads them to the healing they long for The reality of death meets the hope of the ages and the victory comes in the visions and songs of a little girl After reading I Know Why the Angels Dance you will cherish life and family like never before and the passage everyone must make will no longer be a leap into darkness It will be a step into glory
