Chinese in Australian Fiction, 1888-1988 , **Story of My Life** George Sand,1991-01-01 **The Memoir of 1603 and the Diary of 1616-1619** Anne Clifford,2006-11-03 Anne Clifford s memoir for the year 1603 and her diary of 1616 1619 are invaluable records of the daily life and social and family relationships of a noblewoman of her time In them she records her travels her reading her religious observances her relationships with her mother her husband and her child and the progress or lack thereof of her legal efforts to obtain what she viewed as her inheritance extensive estates in the north of England The two texts offer a unique view of the life feelings experience and self fashioning of this extraordinary woman and they bring to life the history and literary culture of the period in a refreshing and direct way This Broadview edition includes an illuminating introduction that places these texts in their historical and literary context The appendices include poems dedicated and addressed to Clifford her funeral sermon and the Great Picture of the Clifford family *A Genealogical History of My Ancestors and the Story of My Life* Ladd John Lewis,1921 **Killers, Kidnappers, Gangsters and Grasses** Dick Kirby,2022-10-07 In his latest thrilling book much published crime author Dick Kirby draws on his fast moving policing service much of which was with Scotland Yard s Serious Crime Squad and the Flying Squad As if that was not enough he brings in accounts of fellow coppers during the final decades of the 20th century to add a fresh dimension It quickly becomes clear to the reader that Kirby and his colleagues practiced their art in a markedly different style than that prevailing today Corners were cut regulations ignored and pettifogging rules trampled on in the wider public interest of bringing criminals to justice and preserving law and order Above all the best senior detectives led fearlessly Kirby describes front line policing where the public came first and the criminals a poor second There are great stories of arrests ambushes fights and meeting informants in unlikely places Eyebrows may be raised at the book s contents but many will feel that there is no place in the fight against serious crime for woke ness and political correctness and regret the passing of no nonsense law enforcement
