Grass Roots Pastors A Handbook For Career Lay Ministers:

Grass Roots Pastors Leonard Doohan, 1989 **Lay Ministry** William Rademacher, 2002-07-15 The author has achieved his goal of providing spiritual and pastoral support for lay ministry by covering a wide spectrum of interests historical information spiritual growth personal reflection and career choices Lay Ministry Newsletter of the National Association for Lay Ministry Lay Ministry unmasks the notion for the average Catholic that the consistency of the tradition is also unquestionably clear Rademacher routes us from Moses to Paul from Ignatious to Gregory VII to John Paul II tracing both the theology and practices that underlie contemporary ministry in the church The trail is one that few Catholics have ever had the chance to walk and the end point is far different from the one to which we have become accustomed Rademacher makes points that must be understood and discussed at every level of the church if the church is to remain vibrant in our own times The limiting definition of the seven sacraments the restriction on lay participation in the church the loss of the spiritual meaning of ministry the clericalization of the church the effects of sexism on sacramentality and an inadequate understanding of the nature of the Christian call are all stones across the door of the tomb that block the resurrection of the church to the fullness of life Rademacher faces them all forthrightly and courageously What's more he makes us face them too Do I recommend it I would assign it Joan Chittister O S B *The Chicago Theological Seminary Register* Chicago

Theological Seminary, 1990 Alumni directory issue 1859 1951 v 44 no 4 v 45 no 1 **They Call Her Pastor** Ruth A. Wallace, 1992-01-01 Ruth Wallace explains in her new book why women are now being appointed to positions of lay administration in the Catholic Church which were previously occupied solely by men She describes the effects of the priest shortage changing church law and the contemporary women's movement all of which have contributed to the trend toward Catholic parishes headed by women The book presents an in depth look at the institutional and interpersonal constraints and opportunities of this new and growing phenomenon of women pastors It provides a detailed sociological study of twenty priestless parishes throughout the United States some headed by married lay women others by nuns A portrait of these pastors focuses on the new collaborative leadership practices by women the restructuring of the parishes the unique qualities of the pastoral heart the support systems and constraints of this new role and the issue of gender inequality in the Church

The Promise of Partnership James D. Whitehead, Evelyn Eaton Whitehead, 1993 In a comprehensive and practical model for ministry in today's parish the authors draw on their experience and scholarship to provide tools that will enable clergy and their congregations to build productive working relationships in their parishes Winner of the Catholic Press Association Book Award **The ^AOxford Handbook of Latin American Christianity** David Thomas Orique, Susan Fitzpatrick-Behrens, Virginia Garrard, 2020-03-23 Latin America where 90% of the population is Christian and where nearly 40% of the world's Catholics reside has its own unique brand of Christianity The Oxford Handbook of Latin American Christianity offers a survey of Latin American Christianity from thirty three leading scholars The volume systematically

introduces and examines dramatic shifts in Catholic and Protestant Christianity over the course of several centuries Its four sections explore the emergence of colonial Christianity its institutional and popular evolution and its dynamic role the region s contemporary developments The Catholic Periodical and Literature Index ,1992 **American Journal of Theology & Philosophy** ,1988 Journal of Ecumenical Studies ,1989 *The Cumulative Book Index* ,1990 A world list of books in the English language
