Murray,1879     *Understanding Acts* William M. Templeton,2012-04 The New Testament Book of Acts is an exciting book to study This is especially true when one realizes that we are living in the age which began in the first few chapters of Acts Continuing the Understanding series William M

Templeton in his book *Understanding Acts Volume One* covers in detail the events of what he calls the transitional days. Theological truths are presented clearly true to Scripture with unique applications for modern living. It brings to life the actions of the apostles and disciples and the intervention of God in those days surrounding Pentecost, the embryonic birth of the church and its explosive growth. In the vein of exegesis, this commentary goes one step further by examining human relationships and behaviors. It not only explains the meaning of verses but of events and eras. A clearer understanding of this chapter in the church's history provides a wealth of wisdom for the church of today. This book will be invaluable to the pastor, seminary student, Sunday School teacher, and lay person. WILLIAM TEMPLETON has been pastoring churches for thirty-nine years. He is married to the former Bonita Arlene Irby. The Templetons have four grown children, eight grandchildren, and are awaiting the birth of two more. William Templeton attended Virginia Polytechnic Institute and State University from 1969 through 1972. He then transferred to what is now Liberty University where he majored in pastoral studies and theology. For more than forty years, Bill has been studying Scripture in an effort to bring the Word of God to every person in a clear and understandable fashion. Other books by William Templeton: *How To Make Your Dating Years FUN*, *The Chronology of the Revelation*, *Clear Answers to Murky Questions*, *Understanding Genesis*. For more information and printed materials, visit our website [www.araratpublishing.com](http://www.araratpublishing.com). *Determining the Future's Truth Through Bible Prophecy*, Peter Galarza, 2021-10-26. Two Persian wars in 1991 and 2003 have inspired the author to write about two more incoming wars according to Bible prophecy, the latter being the war to end all wars, Armageddon. It concerns the Messiah's return during a time of trouble and turmoil known as the Tribulation. It also comments about our current situation in the world: economics, technology, unbelief, wars, weather patterns, etc. Its primary villain is the antichrist who comes to deceive the nations of the world and attacks God's people. This antichrist is under the control of Satan himself. But the finality of it all is the issuance of a peaceful one-thousand-year millennium by the Messiah Himself. The author wants the reading audience to examine themselves to see if they are ready to receive Him, the Son of God, and live eternally with Him. *The British Flag & Christian Sentinel*, 1880.

*Congressional Record*, United States Congress, 1945. The *Congressional Record* is the official record of the proceedings and debates of the United States Congress. It is published daily when Congress is in session. The *Congressional Record* began publication in 1873. Debates for sessions prior to 1873 are recorded in *The Debates and Proceedings in the Congress of the United States*, 1789-1824; the *Register of Debates in Congress*, 1824-1837; and the *Congressional Globe*, 1833-1873.
