May We Be Forgiven A.M. Homes, 2013-09-24 Winner of the Women's Prize and featured on Elin Hilderbrand's New York Times ballot for Best Books of the Century Harold Silver has spent a lifetime watching his younger brother George a taller smarter and more successful high flying TV executive acquire a covetable wife two kids and a beautiful home in the suburbs of New York City But Harry a historian and Nixon scholar also knows George has a murderous temper and when George loses control the result is an act of violence so shocking that both brothers are hurled into entirely new lives in which they both must seek absolution Harry finds himself suddenly playing parent to his brother's two adolescent children tumbling down the rabbit hole of Internet sex dealing with aging parents who move through time like travelers on a fantastic voyage As Harry builds a twenty first century family created by choice rather than biology we become all the more aware of the ways in which our history both personal and political can become our destiny and either compel us to repeat our errors or be the catalyst for change **May We Be Forgiven** is an unnerving funny tale of unexpected intimacies and of how one deeply fractured family might begin to put itself back together

Writing the Siege of Leningrad Cynthia Simmons, Nina M. Perlina, 2012-01-12 Silver Winner ForeWord Magazine Book of the Year History From September 1941 until January 1944 Leningrad suffered under one of the worst sieges in the history of warfare At least one million civilians died many during the terribly cold first winter Bearing the brunt of this hardship and keeping the city alive through their daily toil and sacrifice were the women of Leningrad Yet their perspective on life during

the siege has been little examined Cynthia Simmons and Nina Perlina have searched archival holdings for letters and diaries written during the siege conducted interviews with survivors and collected poetry fiction and retrospective memoirs written by the blokadnitsy women survivors to present a truer picture of the city under siege In simple direct even heartbreaking language these documents tell of lost husbands mothers children meager rations often supplemented with sawdust and other inedible additives crime cruelty and even cannibalism They also relate unexpected acts of kindness and generosity attempts to maintain cultural life through musical and dramatic performances and provide insight into a group of ordinary women reaching beyond differences in socioeconomic class ethnicity and profession in order to survive in extraordinary times

War Is a Force that Gives Us Meaning Chris Hedges,2014-04-08 General George S Patton famously said Compared to war all other forms of human endeavor shrink to insignificance God I do love it so Though Patton was a notoriously single minded general it is nonetheless a sad fact that war gives meaning to many lives a fact with which we have become familiar now that America is once again engaged in a military conflict War is an enticing elixir It gives us purpose resolve a cause It allows us to be noble Chris Hedges of The New York Times has seen war up close in the Balkans the Middle East and Central America and he has been troubled by what he has seen friends enemies colleagues and strangers intoxicated and even addicted to war s heady brew In War Is a Force That Gives Us Meaning he tackles the ugly truths about humanity s love affair with war offering a sophisticated nuanced intelligent meditation on the subject that is also gritty powerful and unforgettable *The Treasure Is Within* Jane-Louise Kelly,2016-11-07 I was once told by a friend that I lived a charmed life It was not however until my life s calm was deeply perturbed that I realized what real charm is I believe now that it is the

capacity to know profoundly that all is well when reality would suggest otherwise This was the life lesson I was about to be introduced to following our son s brain cancer diagnosis at the age of nine and the writings of The Treasure Is Within provided a lifeline to me when I feared I would lose all faith in life and in myself It was only after the completion of part one of these writings that I asked who I was speaking to Speaking to you now is your Higher Office Behind each human being is this same community of hopes and desires We desire for you to know that our attention in your regard is never ending and complete urging you in the direction of your greatest desires When there is resistance we find it difficult to be fully efficient but when you let go in trust that all is working out for the best then indeed it does **A Twofold Life** Wilhelmine von

Hillern,2022-09-15 A Twofold Life is a fascinating work by German actress and novelist Wilhelmine von Hillern Filled with amusing characters and a gripping storyline this work makes an entertaining read Excerpt In an elegant apartment which luxury and wealth had adorned with everything that the fantastic industry of our times affords two stately figures were pacing rapidly up and down a lady no longer young but still magnificently beautiful a true Parisienne and lionne of society and a young man with an aristocratic though somewhat stern bearing dark hair and strongly marked features At times they eagerly approached each other with flashing eyes then turned away to resume their restless pacing to and fro *Roof over*

Love & Lust Robert Leahy,2009-03-25 Danny Roarkes thirty six year adventure through love and lust is reminiscent of Homers Odyssey and Joyces Ulysses The novel begins when Danny is a college senior during the final year of the radical 1960s He goes from college student to professional soccer player haunted by the Vietnam War to Cornell doctoral candidate enduring several turbulent relationships Eventually as a professor he develops a theory of genuine teaching at a small private university in Florida He defends his most inspired graduate students career when she is denied tenure then both of their careers are sabotaged by two malcontent faculty members From rebellion in the free love Sixties to reconciliation as his parents age and die Dannys journey winds through his friends and extended family of brothers their wives and children Named for the Irish song Danny Boy and Daniel in the biblical lions den astrological implications develop as he encounters women from every zodiac sign Danny Roarke travels America Spain Mexico and Ireland in search of authenticity and one great love

Six Feet Over It Jennifer Longo,2014-08-26 A darkly humorous and heart wrenchingly beautiful young adult novel about a girl surrounded by death that will change the way you look at friendship love and life Like nothing you ve read before Bustle Online No one is more surprised than Leigh when her father buys a graveyard Less shocking is the fact that he s too lazy to look farther than the dinner table for employees Working the literal graveyard shift she becomes great at predicting headstone choice mostly granite and taking notes with one hand while offering Kleenex with the other Sarcastic and smart Leigh should be able to quit this stupid after school job But her world s been turned upside down by the sudden loss of her best friend and the appearance of Dario the slightly too old for her gravedigger Can Leigh move on if moving on means it s time to get a life Darkly funny and deeply moving An original memorable voice Jennifer L Holm New York Times
