Braunbeck, 2021-06-08 From award winning author Gary A Braunbeck comes Prodigal Blues his first foray into non supernatural horror After he finds himself stranded at a truck stop in Missouri Mark Sieber gets one of the biggest shocks of his life when he recognizes the face of a little girl on a Missing poster as belonging to the same little girl he saw only a few minutes before Looking around for some sign of her he comes back to his table in the restaurant to find the little sitting there waiting for him I'm sorry mister is all she seems capable of saying As the police and media begin to converge on the truck stop Mark retreats back to his hotel room to call his

wife and let her know what's going on only to be taken hostage by the same people who released the little girl But his abductors are little more than children themselves Ranging in ages from 12 to 19 Mark's abductors are in the process of escaping from a sadistic pedophile known to them only as Grendel a man whose practices include torture and mutilation specifically mutilation of the face Mark's abductors have all been mutilated by Grendel who may be very close behind them and need someone with a normal face to help them carry out their plan for justice and returning home For the next few days Mark will come to understand not only the inhuman horror that these children have suffered but how they eventually learned to fight back and how they discovered that Grendel and his practices are at the center of a very complex network catering to those who tastes run toward the molestation and mutilation of children *Prodigal Blues* is perhaps Braunbeck's most suspenseful and emotionally powerful work to date a story of suffering depravity redemption and in the end the individual's compassion for his or her fellow human beings that can lead some people to finding reserves of courage and determination they never thought they possessed Terrifying suspenseful sometimes surprisingly funny and ultimately moving *Prodigal Blues* is quintessential Braunbeck

Taverns of the Dead Kealan Patrick Burke, 2005 Taverns are timeless places as familiar and welcome as the spirits that rest themselves atop the bar Through the ages in times of war of famine of love and death they have stood in silence radiating the promise of a soporific sojourn from the horrors and the worries of the outside world We are drawn to them by this promise by the notion that we may be protected and comforted by the light the animated chatter and the warmth inside those smeared glasses When we go there it is with no fear at all But taverns can be deadly places where ghosts walk the shadows talk and not everyone is your friend With *Taverns of the Dead* editor Kealan Patrick Burke has reserved a table and gathered together some of the finest writers in modern horror and dark fantasy to share their most terrifying bar stories with you the unsuspecting patron Pull up a chair and prepare to be regaled by tales of monsters madness ghosts and gore in a place we know all too well
