Gray Zone Stories:

The Inside Stories of Modern Political Scandals Woody Klein, 2010-09-07 This book examines ten major political scandals involving the White House in the past 50 years revealing how the investigative reporters behind the stories uncovered the hidden truths On numerous occasions the dogged efforts of investigative journalists have led to a dissemination of information that had a direct effect on the course of American history the Bay of Pigs fiasco the Watergate scandal Monicagate of the Clinton administration and the Enron accounting scandal The Inside Stories of Modern Political Scandals How Investigative Reporters Have Changed the Course of American History features in depth interviews with all living journalists responsible for revealing major political scandals involving the White House including Bob Woodward and Carl Bernstein the reporters responsible for bringing the Watergate scandal to the light of day The author presents a fascinating view into the story behind the story regarding the ten most momentous modern day political scandals in America Containing both anecdotes from the investigative reporters involved and specific examples from published articles this text reveals the specific methods used by these award winning journalists to successfully pursue their stories and earn their titles as watchdogs of our government our military and big business

High North Stories in a Time of Transition Frode Soelberg, Larry Browning, Jan-Oddvar Sørnes, 2018-08-06 The High North in a Time of Transition collects multiple perspectives on the lives of people in the High North of Norway at a point when the petroleum boom is no longer the dominant cultural feature of the region Utilizing constructivist grounded theory the volume contains a rich variety of narrative accounts of fieldwork conducted with those living above the Arctic circle in the city of Bodø The book will be of interest to scholars from fields including anthropology narrative theory and Arctic and Scandinavian studies

Advances in Cross-Cultural Decision Making Mark Hoffman, 2017-06-22 This book reports on the latest advances in understanding cross cultural decision and human cognition with respect to various cultural constructs such as geographical historical sociological and organizational cultures It addresses researchers scholars and industry practitioners from diverse fields including sociology linguistics business military science psychology human factors research neuroscience and education The book covers a wealth of topics including analyses of historical events and intercultural competence commercial applications of social cultural science the study of decision making similarities and differences across cultures cultural behavioral modeling and simulation technology and social networks and studies on group communication alike It also reports on real world case studies relevant to cross cultural decision making The book's main goal is to combine studies from other relevant disciplines such as causal analysis in complex environments team decision making and social changes to develop a more holistic understanding of the decisions that people groups and societies make so as to improve our ability to forecast and plan for the future Based on the AHFE 2017 International Conference on Cross Cultural Decision Making CCDM held on July 17-21 2017 in Los Angeles California USA this book offers a multidisciplinary view on the impact of culture on people's cognition and

behavior and a timely reference guide to new applications and future challenges **The Better Story** Dina

Georgis,2013-03-01 Illuminates the emotional significance of stories in response to racial traumas related to the Middle East

Narrative and Self-Understanding Garry L. Hagberg,2019-11-15 This exciting new edited collection bridges the gap between narrative and self understanding The problem of self knowledge is of universal interest the nature or character of its achievement has been one continuing thread in our philosophical tradition for millennia Likewise the nature of storytelling the assembly of individual parts of a potential story into a coherent narrative structure has been central to the study of literature But how do we gain knowledge from an artform that is by definition fictional by definition not a matter of ascertained fact as this applies to the understanding of our lives When we see ourselves in the mimetic mirror of literature what we see may not just be a matter of identifying with a single protagonist but also a matter of recognizing long form structures long arc narrative shapes that give a place to and thus make sense of the individual bits of experience that we place into those structures But of course at precisely this juncture a question arises do we make that sense or do we discover it The twelve chapters brought together here lucidly and steadily reveal how the matters at hand are far more intricate and interesting than any such dichotomy could accommodate This is a book that investigates the ways in which life and literature speak to each other

Women of the Mafia Felia Allum,2024-07-15 Women of the Mafia dives into the Neapolitan criminal underworld of the Camorra as seen and lived by the women who inhabit it It tells their life stories and unpacks the gender dynamics by examining their participation as active agents in the organization as leaders managers foot soldiers and enablers Felia Allum shows that these women are true partners in crime The author offers an innovative interdisciplinary analysis that demystifies the notion that the Camorra is a sexist male centric organization She links her analysis of Camorra culture within the wider Neapolitan context to show how mothers and women act and are treated in the private sphere of the household and how the family helps explain the power women have found in the Neapolitan Camorra It is civil society and law enforcement agencies that continue to see the Camorra using traditional gender assumptions which render women irrelevant and lacking independent agency in the criminal underworld In *Women of the Mafia* Allum debunks these assumptions by revealing the power and influence of women in the Camorra **English Learning Stories Detective**

Greatest Mysteries Bill Price,2017-01-29 History s Greatest Mysteries delves into the grey areas to examine the

imponderable and sometimes unlikely stories of actual events and real people From the gruesome murders committed by Jack the Ripper to the whereabouts of Lord Lucan and from the loss of an entire continent to the case of a missing racehorse we take a canter through history in an effort to shed a little light on to questions which in all honesty are never going to yield definitive answers Some of the stories related in the following pages are deadly serious some rather less so There are cases of determined individuals who have struggled against the odds in an attempt to unravel the truth while in others people have not let the facts get in the way and have made up any old nonsense by way of an explanation

Thaddeus Murfee Legal Thrillers Box Set Books 1-3 John Ellsworth, 2015-06-23 Books 1 3 of the bestselling Thaddeus Murfee series by John Ellsworth are offered in a box set at a very fair price The Defendants Beyond a Reasonable Death and Attorney at Large have received a combined 350 FIVE STAR reviews from readers in less than nine months All three of the novels are consistently rated among the top 50 bestselling legal thrillers mystery suspense crime and all three are among the most highly rated novels among retailers Enjoy a quality set that will offer you more than twenty hours of pleasure and entertainment nearly 900 gripping pages of legal mystery mystery series organized crime danger and intrigue If you like Reacher the Lincoln Lawyer Jake Brigance and Paul Madriani you will love this Thaddeus Murfee crime thriller Five Star Review Already John Ellsworth's name is mentioned with Lee Child Michael Connelly John Grisham and Steve Martini when critics talk about legal crime fiction Five Star Review Every bit as good as Grisham Superb characterization suspense drama Five Star Review Thaddeus Murfee novel categories include Legal Thrillers Crime Thrillers Legal Suspense Lawyer Mysteries Crime Fiction Mystery Series Romance Suspense Organized Crime Courtroom Thrillers Courtroom Drama

Hope for the Journey: Reflections of God's

Faithfulness Richard Parrish MDiv, 2015-08-27 Even believers sometimes have doubts Many followers have issues of faith at some point in their spiritual journeys Some are content to ignore those questions and eventually their faith may wane Even those who don't leave their churches do not have the spiritual lives they could have Others however look to discover the reasons behind their doubts or other concerns and become stronger in their faith In *Hope for the Journey Reflections of God's Faithfulness* author Richard Parrish MDiv helps believers work through their faith issues Sometimes that requires a major overhaul of who we believe God to be Through this devotional Parrish shows us how to adopt a different view of the Deity and become closer to God to know God and not just in the religious sense Questions for reflection help you think deeply about and internalize what you've read

To Save Heaven and Earth Jennie E. Burnet, 2023-01-15 In *To Save Heaven and Earth* Jennie E. Burnet considers people who risked their lives in the 1994 Rwandan genocide of Tutsi to try and save those targeted for killing Many genocide perpetrators were not motivated by political ideology ethnic hatred or prejudice By shifting away from these classic typologies of genocide studies and focusing instead on hundreds of thousands of discrete acts that unfold over time Burnet highlights the ways that complex decisions and behaviors emerge in the social political and economic processes that constitute a genocide *To Save Heaven and Earth* explores external factors such as geography local power dynamics and genocide timelines as well as the internal states of mind and motivations of those who effected rescues Framed within the interdisciplinary scholarship of genocide studies and rooted in cultural anthropology methodologies this book presents stories of heroism and of the good done amid the evil of a genocide that nearly annihilated Rwandan Tutsi and decimated the Hutu and Twa who were opposed to the slaughter

A Companion to the Holocaust Simone Gigliotti, Hilary Earl, 2020-04-14 Provides a cutting edge nuanced and multi disciplinary picture of the Holocaust from local transnational continental and global perspectives Holocaust Studies is a dynamic field that encompasses discussions on human behavior extremity and moral action A diverse range of disciplines history philosophy literature social psychology anthropology geography amongst others continue to make important contributions to its scholarship *A Companion to the Holocaust* provides exciting commentaries on current and emerging debates and identifies new connections for research The text incorporates new language geographies and approaches to address the precursors of the Holocaust and examine its global consequences A team of international contributors provides insightful and sophisticated analyses of current trends in Holocaust research that go far beyond common conceptions of the Holocaust's causes unfolding and impact Scholars draw on their original research to interpret current agenda setting historical and historiographical debates on the Holocaust Six broad sections cover wide ranging topics such as new debates about Nazi perpetrators arguments about the causes and places of persecution of Jews in Germany and Europe and Jewish and non Jewish responses to it the use of forced labor in the German war economy representations of the Holocaust witness and many others A masterful framing chapter sets the direction and tone of each section's themes Comprising over thirty essays this important addition to Holocaust studies Offers

a remarkable compendium of systematic comparative and precise analyses Covers areas and topics not included in any other companion of its type Examines the ongoing cultural social and political legacies of the Holocaust Includes discussions on non European and non Western geographies inter ethnic tensions and violence A Companion to the Holocaust is an essential resource for students and scholars of European German genocide colonial and Jewish history as well as those in the general humanities

Journalist 2 Richard D. Williamson,1988 Journalist 3 & 2 Richard D. Williamson,1984 **The Revenge of Power** Moisés Naím,2022-02-22 Named one of the New Yorker s Best Books of 2022 An authoritative and intelligent portrait of the global spread of authoritarianism and its dangers what sets this work apart from books like Timothy Snyder s On Tyranny and Michiko Kakutani s The Death of Truth is its unusually comprehensive armada of facts about the international drift over the past two decades toward authoritarian leaders whether old style dictators like Kim Jong Un or nominally elected presidents like Vladimir Putin Kirkus An urgent thrilling and original look at the future of democracy that illuminates one of the most important battles of our time the future of freedom and how to contain and defeat the autocrats mushrooming around the world In his bestselling book The End of Power Moisés Naím examined power diluting forces In The Revenge of Power Naím turns to the trends conditions technologies and behaviors that are contributing to the concentration of power and to the clash between those forces that weaken power and those that strengthen it He concentrates on the three P s populism polarization and post truths All of which are as old as time but are combined by today s autocrats to undermine democratic life in new and frightening ways Power has not changed But the way people go about gaining it and using it has been transformed The Revenge of Power is packed with alluring characters riveting stories about power grabs and losses and vivid examples of the tricks and tactics used by autocrats to counter the forces that are weakening their power It connects the dots between global events and political tactics that when taken together show a profound and often stealthy transformation in power and politics worldwide Using the best available data and insights taken from recent research in the social sciences Naím reveals how on close examination the same set of strategies to consolidate power pop up again and again in places with vastly different political economic and social circumstances and offers insights about what can be done to ensure that freedom and democracy prevail The outcomes of these battles for power will determine if our future will be more autocratic or more democratic Naím addresses the questions at the heart of the matter Why is power concentrating in some places while in others it is fragmenting and degrading And the big question What is the future of freedom

Fairy Tales from Before Fairy Tales Jan M. Ziolkowski,2010-02-01 Explores the links between tales preserved in Latin from the Middle Ages and classic fairy tales from the collections of the Brothers Grimm and Hans Christian Andersen
