Pollack,2020-06-04 This book was created with the listener in mind Purchase the audiobook version of this book for the best experience Does your child often feel anxious or experience high energy Does he or she have trouble settling down before bed or a nap Would you like your child to learn how to calm themselves down Would you like for them to improve their ability to self soothe These days children are growing up in a world that is increasingly full of distractions and an over abundance of stimuli Whether it s at home or school they re constantly being bombarded by overstimulating blue light fluorescent lighting computers televisions even smartphones These stimuli affect children s mental health and concentration

Bedtime Stories For Children Ages 2-6 is a cure for all of that. Each of these fifteen stories begins with a brief guided meditation giving tips and steps for getting them to relax their bodies and open their minds. The stories help the child to picture themselves in a calming environment where they can experience nature walks, mentally create places and adventures in magical realms. Thus they get into a meditative state, relaxing and using reflective practices to rest and rejuvenate themselves all while placing themselves in worlds where their imagination is given free rein. If your child listens to these stories before naptime or bedtime, he or she will learn strategies for guided meditation, improve their relaxation techniques, explore the realms of their imagination, look at their world with wonder, expand emotional intelligence, approach new situations with curiosity, and much more. Go ahead and get your copy now.

**Bedtime Stories**, 1992. Retells five of the best-loved folk tales for children.

*50 Children's Bedtime Stories* by Bernard King. This is another read-to-at-bedtime story book. It follows requests from readers who read *50 Bedtime Stories For Children*. The original book *20 Bedtime Stories* was written in self-defence. Five grandchildren expected a new story each evening when staying with us on holiday. To avoid the blank feeling as I climbed the stairs to the bedroom without an idea in my head to expectant heads peeping above bedclothes, I wrote *20 Bedtime Stories*. Then 40 bedtime stories. Now a year later there are 90 short bedtime stories. These I hope will last for a couple of holiday seasons. Again most have been delivered to sleepy heads for approval and again you have market-tested products here.

*365 bedtime stories* by Mary Graham Bonner, 2023-07-10. Mary Graham Bonner's *365 Bedtime Stories* is a charming collection of short stories specifically written to be read to children before they go to sleep. Each story is beautifully crafted with engaging characters and moral lessons that can be enjoyed by both children and adults alike. The language used is simple yet vivid, allowing young imaginations to run wild and fostering a love for storytelling. This book is a timeless classic that has been cherished by families for generations, making it a staple in children's literature. Bonner's ability to create captivating narratives that teach valuable lessons while entertaining young minds is truly commendable. Mary Graham Bonner, an American author known for her works aimed at children, wrote *365 Bedtime Stories* with the intention of providing parents and children with a daily dose of wonder and imagination. Bonner's own love for storytelling and her understanding of the importance of bedtime routines inspired her to create this delightful collection. Her passion for creating meaningful stories for young readers is evident in every page of this book. I highly recommend *365 Bedtime Stories* to anyone looking to add a touch of magic to their nightly routine. This book is not only a delightful read for children but also a nostalgic trip for adults who grew up with these stories. Bonner's timeless tales are sure to captivate and inspire readers of all ages.
