Great Britain Germany And The Soviet Union Rapallo And After 1922 1934

Keith Neilson

Great Britain Germany And The Soviet Union Rapallo And After 1922 1934:

Great Britain, Germany and the Soviet Union Stephanie Salzmänn, 2003 Germany and the Soviet Union concluded the treaty of Rapallo together within five years of their defeat in the First World War The resulting fear of Soviet German co operation cast a long shadow over British foreign policy this book traces its influence The treaty of Rapallo concluded in 1922 between Germany and the Soviet Union the two vanquished powers of the Great War ranks high among the diplomatic coups de surprise of the twentieth century Its real importance however lies in the repercussions of the alliance on the subsequent policies of the two victorious powers Britain and France This study examines the impact of Rapallo on British foreign policy between 1922 and 1934 when the German Soviet relationship had virtually ended The ghost of Rapallo is the central theme of this story as ever since the treaty's conclusion Rapallo has been a byword for Soviet German secret and potentially dangerous collaboration This book describes how the British viewed the Rapallo co operation how they dealt with this special relationship and how the lingering memory of Rapallo affected British policy for decades to come While examining a particular aspect of international relations it throws additional light on broader topics of European relations in the 1920s and early 1930s Dr Stephanie Salzmänn completed her PhD at Trinity Hall Cambridge *Great Britain* Stephanie C.

Salzmänn, 2014-05-28 Germany and the Soviet Union concluded the treaty of Rapallo together within five years of their defeat in the First World War The resulting fear of Soviet German co operation cast a long shadow over British foreign policy this book traces its influence **The Foreign Office and British Diplomacy in the Twentieth Century** Gaynor

Johnson, 2013-09-13 This book examines the evolution of the Foreign Office in the 20th century and the way in which it has responded to Britain's changing role in international affairs The last century was one of unprecedented change in the way foreign policy and diplomacy were conducted The work of The Office expanded enormously in the 20th century and oversaw the transition from Empire to Commonwealth with the merger of the Foreign and Colonial Offices taking place in the 1960s The book focuses on the challenges posed by waging world war and the process of peacemaking as well as the diplomatic gridlock of the Cold War Contributions also discusses ways in which the Foreign and Commonwealth Office continues to modernise to meet the challenges of diplomacy in the 21st century This book was previously published as a special issue of the journal *Contemporary British History* *Britain, Ost- and Deutschlandpolitik, and the CSCE (1955-1975)* Luca

Ratti, 2008 Based on new and existing archival documentation this book provides a detailed analysis of the British attitude to Bonn's Eastern and inner German policies during the period of détente and the CSCE Each chapter analyses the evolution of British policy on a particular issue area making detailed comparisons of British and West German archival sources and outlining the main aspects of the British view of West Germany's relations with the Soviet bloc states and the German Democratic Republic Drawing upon the archives of the Foreign and Commonwealth Office and of the West German foreign ministry this book sheds new light on some of the more occult aspects of the British attitude to the German question and

reveals the problems faced by British decision makers in seeking to maintain Britain's close ties with Bonn while being hardly enthusiastic about the long term prospect of German reunification This volume addresses issues of East West and Anglo German relations the role of NATO and the debate among the Western allies on relations between the two German states during the period of détente **Britain, Germany and the Cold War** R. Gerald Hughes, 2007-06-11 This well researched book details the ambiguity in British policy towards Europe in the Cold War as it sought to pursue détente with the Soviet Union whilst upholding its commitments to its NATO allies From the early 1950s Britain pursued a dual policy of strengthening the West whilst seeking détente with the Soviet Union British statesmen realized that only through compromise with Moscow over the German question could the elusive East West be achieved Against this the West German hard line towards the East endorsed by the United States was seen by the British as perpetuating tension between the two blocs This cast British policy onto an insoluble dilemma as it was caught between its alliance obligations to the West German state and its search for compromise with the Soviet bloc Charting Britain's attempts to reconcile this contradiction this book argues that Britain successfully adapted to the new realities and made hitherto unknown contributions towards détente in the early 1960s whilst drawing towards Western Europe and applying for membership of the EEC in 1961 Drawing on unpublished US and UK archives Britain Germany and the Cold War casts new light on the Cold War the history of détente and the evolution of European integration This book will appeal to students of Cold War history British foreign policy German politics and international history **Britain, Soviet Russia and the Collapse of the Versailles Order, 1919-1939** Keith Neilson, 2005-12-22 A major re interpretation of international relations in the period from 1919 to 1939 Avoiding such simplistic explanations as appeasement and British decline Keith Neilson demonstrates that the underlying cause of the Second World War was the intellectual failure to find an effective means of maintaining the new world order created in 1919 With secret diplomacy alliances and the balance of power seen as having caused the First World War the makers of British policy after 1919 were forced to rely on such instruments of liberal internationalism as arms control the League of Nations and global public opinion to preserve peace Using Britain's relations with Soviet Russia as a focus for a re examination of Britain's dealings with Germany and Japan this book shows that these tools were inadequate to deal with the physical and ideological threats posed by Bolshevism fascism Nazism and Japanese militarism *The Oxford Handbook of European History, 1914-1945* Nicholas Doumanis, 2016-05-05 The period spanning the two World Wars was unquestionably the most catastrophic in Europe's history Despite such undeniably progressive developments as the radical expansion of women's suffrage and rising health standards the era was dominated by political violence and chronic instability Its symbols were Verdun Guernica and Auschwitz By the end of this dark period tens of millions of Europeans had been killed and more still had been displaced and permanently traumatized If the nineteenth century gave Europeans cause to regard the future with a sense of optimism the early twentieth century had them anticipating the destruction of civilization The fact that so many

revolutions regime changes dictatorships mass killings and civil wars took place within such a compressed time frame suggests that Europe experienced a general crisis The Oxford Handbook of European History 1914 1945 reconsiders the most significant features of this calamitous age from a transnational perspective It demonstrates the degree to which national experiences were intertwined with those of other nations and how each crisis was implicated in wider regional continental and global developments Readers will find innovative and stimulating chapters on various political social and economic subjects by some of the leading scholars working on modern European history today *The Soviet-Polish War and its Legacy* Peter Whitewood, 2023-09-21 This detailed study traces the history of the Soviet Polish War 1919 20 the first major international clash between the forces of communism and anti communism and the impact this had on Soviet Russia in the years that followed It reflects upon how the Bolsheviks fought not only to defend the fledgling Soviet state but also to bring the revolution to Europe Peter Whitewood shows that while the Red Army's rapid drive to the gates of Warsaw in summer 1920 raised great hopes for world revolution the subsequent collapse of the offensive had a more striking result The Soviet military and political leadership drew the mistaken conclusion that they had not been defeated by the Polish Army but by the forces of the capitalist world Britain and France who were perceived as having directed the war behind the scenes They were taken aback by the strength of the forces of counterrevolution and convinced they had been overcome by the capitalist powers The Soviet Polish War and its Legacy reveals that in the aftermath of the catastrophe at Warsaw Lenin Stalin and other senior Bolsheviks were convinced that another war against Poland and its capitalist backers was inevitable with this perpetual fear of war shaping the evolution of the early Soviet state It also further encouraged the creation of a centralised and repressive one party state and provided a powerful rationale for the breakneck industrialisation of the Soviet Union at the end of the 1920s The Soviet leadership's central preoccupation in the 1930s was Nazi Germany this book convincingly argues that Bolshevik perceptions of Poland and the capitalist world in the decade before were given as much significance and were ultimately crucial to the rise of Stalinism **German Foreign Policy, 1918-1945** Christoph M.

Kimmich, 2013-03-14 Christoph Kimmich's German Foreign Policy 1918 1945 A Guide to Current Research and Resources is a comprehensive guide to archival resources and published materials on the foreign policy of Weimar and Nazi Germany It catalogues the archives libraries and research institutes both public and private that house important collections especially in Germany but also elsewhere in Europe and in the United States and describes their holdings terms of access and use and guides and inventories available German Foreign Policy 1918 1945 also includes a substantial annotated bibliography of published sources ranging from documentary series to significant contemporary accounts from memoirs to secondary works The bibliography reflects current scholarship and draws attention to works that are innovative and accessible It also describes the various series of the Nuremberg War Crimes Trial Records and the original trial documents available in archives and libraries The guide canvasses the vast and growing offering of materials on the Web digitized print materials

archival inventories and source materials In order to expedite work in the archives the guide also explains the organization and functioning of the German foreign ministry between 1918 and 1945 and how it kept and stored its records This third edition offers new information on German archives many of which were consolidated and relocated after German reunification on recently discovered archival holdings and on materials posted on the Web It is a reference source for both established scholars and young researchers offering quick and efficient access to the voluminous research and research materials that are now available

The Bolsheviks and Britain during the Russian Revolution and Civil War, 1917-24 Evgeny Sergeev, 2022-06-16 This book analyses the principal aspects of the relations between Soviet Russia USSR and Britain in the crucial phase of their formation namely the period from 1917 to 1924 Using previously unavailable and largely unknown archival records and memoirs published by statesmen diplomats and military commanders directly involved in the events Evgeny Sergeev not only reconstructs the dynamics of the interaction between Moscow and London but also strips its key episodes of common myths and stereotypes The most debatable issues to which this study draws its primary attention include Britain's role in the Entente armed intervention against the Bolshevik regime as well as a series of reciprocal attempts to avoid political controversies and London's contribution to humanitarian aid and the economic recovery of post revolutionary Russia Special consideration is also given to the impact of British diplomacy on the recognition of the USSR by other great powers like France Italy and Japan in the mid 1920s

Transactions of the Royal Historical Society: Volume 13 Royal Historical Society, 2003-12-18 The Transactions of the Royal Historical Society publish an annual collection of major articles representing some of the best historical research by some of the world's most distinguished historians Volume thirteen of the sixth series includes the following articles Presidential Address England and the Continent in the ninth century Vikings and Others According to ancient custom the restoration of altars in the Restoration Church of England Einhard the sinner and the saints Migrants immigrants and welfare from the Old Poor Law to the Welfare State Jack Tar and the gentleman officer the role of uniform in shaping the class and gender related identities of British naval personnel 1930 1939 Writing fornication medieval Leyrwite and its historians Resistance reprisal and community in Occupied France 1941 1944 There is also a themed section which looks at Architecture and History

Making Trieste Italian, 1918-1954 Maura Elise Hametz, 2005 Traces the changing identity and ownership of the important city of Trieste in a turbulent period The port of Trieste standing at a crucial strategic point at the head of the Adriatic had a turbulent history in the mid twentieth century With the disappearance of the Habsburg empire after the First World War it passed into Italian hands During the Second World War the Nazis reclaimed the city as part of the Reich In 1945 Trieste slipped through Tito's fingers and was internationalised under Allied military government control returning to Italian sovereignty in 1954 This book examines Trieste's transformation from an imperial commercial centre at the crossroads of the Italian German and Balkan worlds to an Italian border city on the southern fringe of the iron curtain Concentrating on local sources the book shows how Triestines

renowned for their cosmopolitan Central European affiliations articulated an Italian civic identity after the First World War and traces the fitful process of affirming Trieste's Italianness over the course of nearly four decades of liberal Fascist and international rule. It suggests that Italianisation resulted from complicated interactions with Rome and interference by international powers attempting to strengthen western Europe at the edge of the Balkans. **The New Atlantic Order**

Patrick O. Cohrs, 2022-05-12 This magisterial new history elucidates a momentous transformation process that changed the world: the struggle to create for the first time a modern Atlantic order in the long twentieth century 1860-2020. Placing it in a broader historical and global context, Patrick O. Cohrs reinterprets the Paris Peace Conference of 1919 as the original attempt to supersede the Eurocentric world order of the age of imperialism and found a more legitimate peace system, a system that could not yet be global but had to be essentially transatlantic. Yet he also sheds new light on why, despite remarkable learning processes, it proved impossible to forge a durable Atlantic peace after a First World War that became the long twentieth century's cathartic catastrophe. In a broader perspective, this ground-breaking study shows what a decisive impact this epochal struggle has had not only for modern conceptions of peace, collective security and an integrative rule-based international order, but also for formative ideas of self-determination, liberal democratic government and the West.

Framing China Ariane Knüsel, 2016-04-15 Framing China sheds new light on Western relations with and perceptions of China in the first half of the twentieth century. In this ground-breaking book, Ariane Knüsel examines how China was portrayed in political debates and the media in Britain, the USA and Switzerland between 1900 and 1950. By focusing on the political, economic, cultural and social context that led to the construction of the particular images of China in each country, the author demonstrates that national interests, anxieties and issues influenced the way China was framed and resulted in different portrayals of China in each country. The author's meticulous analysis of a vast amount of newspaper and magazine articles, commentaries, editorials, cartoons and newsreels that have previously not been studied before also focuses on the transnational circulation of images of China. While previous publications have dealt with the occurrence of the Yellow Peril and Red Menace in particular countries, Framing China reveals that these images were interpreted differently in every nation because they both reflected and contributed to the discursive construction of nationhood in each country and were influenced by domestic issues, cultural values, pre-existing stereotypes, pressure groups and geopolitical aspirations. The Rise of Bolshevism and its Impact on the Interwar International Order Valentine Lomellini, 2020-02-07 This book examines the international impact of Bolshevism in the period between the two World Wars. It explores both the significance of the Bolshevik threat in European countries and colonies as well as its spread through the circulation of ideas and people during this period. Focusing on the interplay between international relations and domestic politics, the volume analyses the rise of Bolshevism on the international stage, incorporating insights from India and China. The chapters show how the interwar international order was challenged by the ideology which infiltrated a range of political societies. While it was incapable of

overthrowing national systems Bolshevism constituted a credible threat which favoured the spread of fascist and nationalist trends Offering the first detailed account of the Bolshevik danger at an international level the book draws on multi national and multiarchival research to examine how the peril of Bolshevism paradoxically allowed a stabilization of the post World War I Versailles system

History of International Relations and Russian Foreign Policy in the 20th Century (Volume I) Anatoly V. Torkunov, Boris F. Martyn, William C. Wohlforth, 2020-01-08 These volumes present a compact analytical narrative of 20th century international politics penned by some of Russia's most distinguished historians Written in accessible prose and designed as an introductory text for students of international relations the collection will interest all readers curious about perspectives on the twentieth century's most consequential events This first volume covering 1914-1945 shows how the short sightedness of world leaders the unbound nationalism of the masses and the unpredictable will of destiny led to World War I It then addresses the core topic of how the common desire for peace which reigned after the end of that war could rocket Hitler to power in Germany and then lead to World War II

Europe's Long Century Spencer Di Scala, 2013 The twentieth century has been interpreted as a short century marked by extremes According to this view the century lasted only from 1914 to 1989 or 1991 These dates coincide with the rise and fall of communism that came to power in Russia in 1917 and ended with the fall of the Berlin wall 1989 or that of the Soviet Union 1991 Thus the concept of a short century is unduly influenced by a Cold War perspective In Europe's Long Century Spencer Di Scala presents an alternative view that will be more helpful to undergraduate history students in the twenty first century namely that twentieth century Europe was actually a long century lasting approximately from 1900 to 2000 with patterns and antecedents discernible before the century began and that continue to be elaborated today Comprehensive current and affordable Europe's Long Century integrates the histories of Eastern Europe Scandinavia and the Balkans that are often neglected in similar treatments It also thoroughly covers the role of science in shaping modern European life and the book's biographical sketches profile the lives of important though not always well known people who influenced Europe's long century

Britain and France in Two World Wars Robert Tombs, Emile Chabal, 2013-07-18 France and Britain indispensable allies in two world wars remember and forget their shared history in contrasting ways The book examines key episodes in the relationship between the two countries including the outbreak of war in 1914 the battles of the Somme and Verdun the Fall of France in 1940 Dunkirk and British involvement in the French Resistance and the 1944 Liberation The contributors discuss how the two countries tend to forget what they owe to each other and have a distorted view of history which still colours and prejudices their relationship today despite government efforts to build a close political and military partnership

Historical Dictionary of British Foreign Policy Peter Neville, 2013-03-22 British foreign policy has always been based on distinctive principles since the setting up of the Foreign Office in 1782 as one of the two original offices of state the other being the Home Office As a small island nation Britain was historically fearful of over mighty continental powers which might

seek to menace its trade routes and naval primacy was essential Britain must dominate at sea while avoiding involvement in major continental wars and Britain accomplished this successfully until the end of the 19th century After World War II and the Cold War Britain was no longer the global naval super power and they had to adapt to a secondary supportive role This was to be based on its membership of regional defense and economic organizations in Europe The Historical Dictionary of British Foreign Policy provides an overview of the conduct of British diplomacy since the setting up of the Foreign Office in 1782 This is done through a chronology an introductory essay appendixes an extensive bibliography and over 300 cross referenced dictionary entries on British prime ministers foreign secretaries foreign office staff and leading diplomats but also on related military and political economic aspects This book is an excellent access point for students researchers and anyone wanting to know more about British foreign policy

A Dictionary of 20th-Century Communism Silvio Pons, Robert Service, 2022-04-12 An encyclopedic guide to 20th century communism around the world The first book of its kind to appear since the end of the Cold War this indispensable reference provides encyclopedic coverage of communism and its impact throughout the world in the 20th century With the opening of archives in former communist states scholars have found new material that has expanded and sometimes altered the understanding of communism as an ideological and political force A Dictionary of 20th Century Communism brings this scholarship to students teachers and scholars in related fields In more than 400 concise entries the book explains what communism was the forms it took and the enormous role it played in world history from the Russian Revolution through the collapse of the Soviet Union and beyond Examines the political intellectual and social influences of communism around the globe Features contributions from an international team of 160 scholars Includes more than 400 entries on major topics such as Figures Lenin Mao Stalin Ho Chi Minh Pol Pot Castro Gorbachev Events Cold War Prague Spring Cultural Revolution Sandinista Revolution Ideas and concepts Marxism Leninism cult of personality labor Organizations and movements KGB Comintern Gulag Khmer Rouge Related topics totalitarianism nationalism antifascism anticommunism McCarthyism Guides readers to further research through bibliographies cross references and an index

Great Britain Germany And The Soviet Union Rapallo And After 1922 1934 Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Great Britain Germany And The Soviet Union Rapallo And After 1922 1934 PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Great Britain Germany And The Soviet Union Rapallo

And After 1922 1934 PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Great Britain Germany And The Soviet Union Rapallo And After 1922 1934 free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Great Britain Germany And The Soviet Union Rapallo And After 1922 1934 Books

1. Where can I buy Great Britain Germany And The Soviet Union Rapallo And After 1922 1934 books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Great Britain Germany And The Soviet Union Rapallo And After 1922 1934 book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Great Britain Germany And The Soviet Union Rapallo And After 1922 1934 books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing,

and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.

7. What are Great Britain Germany And The Soviet Union Rapallo And After 1922 1934 audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
10. Can I read Great Britain Germany And The Soviet Union Rapallo And After 1922 1934 books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
