## **Great Canadian War Stories:**

*Great Canadian War Stories* Muriel Whitaker, 2001-10 Canada is renowned today for its role as a world peacekeeper. However, the country also played an important role in the wars of the twentieth century. *Great Canadian War Stories* shows how Canada at war captured the imagination of fiction writers across the country. The stories in this collection chronicle the scope of the Canadian war efforts in the twentieth century from Vimy Ridge to the plains of the Spanish Civil War to the skies over North Africa during World War II. This collection includes selections from Timothy Findley, Henry Kreisel, Colin McDougall, Thomas Raddell, Joy Kogawa, Earle Birney, and 16 others. At once terrible and uplifting, memorable and harrowing, the stories in this collection describe a seminal period in Canadian history. *Great Canadian War Stories* show us how Canada became a nation in the twentieth century. **The Canadian Experience of the Great War** Brian Douglas

Tennyson, 2013-05 Although the United States did not enter the First World War until April 1917, Canada enlisted the moment Great Britain engaged in the conflict in August 1914. The Canadian contribution was great, as more than 600,000 men and women served in the war effort, 400,000 of them overseas, out of a population of 8 million. More than 150,000 were wounded, and nearly 67,000 gave their lives. The war was a pivotal turning point in the history of the modern world, and its mindless slaughter shattered a generation and destroyed seemingly secure values. The literature that the First World War generated and continues to generate so many years later is enormous and addresses a multitude of cultural and social matters in the history of Canada and the war itself. Although many scholars have brilliantly analyzed the literature of the war, little has been done to catalog the writings of ordinary participants, men and women who served in the war and wrote about it but are not included among well-known poets, novelists, and memoirists. Indeed, we don't even know how many titles these people published, nor do we know how many more titles were added later by relatives who considered the recollections or collected letters worthy of publication. Brian Douglas Tennyson's *The Canadian Experience of the Great War: A Guide to Memoirs* is the first attempt to identify all of the published accounts of First World War experiences by Canadian veterans. **Great**

**Canadian Ghost Stories** Barbara Smith, 2018-10-30 A compelling collection of iconic ghost stories from all across Canada. Time and place are infused with ghosts and hauntings. From coast to coast to coast, Canada's provinces and territories teem with the supernatural phantoms obscured in the mists of time, spectres that delight in wreaking terror and spirits destined to linger forever at the edge of the veil. Visit the far-flung corners of Canada to discover the folklore and legends behind the ghost of a Newfoundland outlaw that leads blizzard-blind men to safety, a poltergeist infestation that gleefully tortured an entire Nova Scotia family, a fleet of phantom ships that haunt the coastline of New Brunswick, the haggard spectre of a murderous witch in historic Quebec City, Saskatchewan's ghost-ridden military cadet academy, an Alberta cabbie's encounter with a silent shadow of a man in black, the headless railway brakeman of Vancouver, a moaning man-shaped mist that haunts a Yukon cabin. From east to west to way up north, bestselling author and renowned storyteller Barbara Smith traverses

Canada's provinces and territories to unearth more than 100 supernatural tales that careen between heartwarming horrifying sorrowful and spine chilling

**Boys and Girls in No Man's Land** Susan Fisher, Susan R. Fisher, 2011-01-01 Drawing on educational materials textbooks adventure tales plays and Sunday school papers Boys and Girls in No Man's Land explores the role of children in the nation's war effort

**Great Canadian War Heroes** Tom Douglas, 2005-04-04 Great Canadian War Heroes tells the amazing stories of the 16 Canadians who received the Victoria Cross during WWII They came from all walks of life and from various ranks within the Canadian Forces but they all had one thing in common each displayed exceptional bravery in the face of the enemy

**War and Displacement in the Twentieth Century** Sandra Barkhof, Angela K. Smith, 2014-03-14 Human displacement has always been a consequence of war written into the myths and histories of centuries of warfare However the global conflicts of the twentieth century brought displacement to civilizations on an unprecedented scale as the two World Wars shifted participants around the globe Although driven by political disputes between European powers the consequences of Empire ensured that Europe could not contain them Soldiers traversed continents and civilians often followed them or found themselves living in territories ruled by unexpected invaders Both wars saw fighting in Europe Africa the Middle East and the Far East and few nations remained neutral Both wars saw the mass upheaval of civilian populations as a consequence of the fighting Displacements were geographical cultural and psychological they were based on nationality sex gender or age They produced an astonishing range of human experience recorded by the participants in different ways This book brings together a collection of interdisciplinary works by scholars who are currently producing some of the most innovative and influential work on the subject of displacement in war in order to share their knowledge and interpretations of historical and literary sources The collection unites historians and literary scholars in addressing the issues of war and displacement from multiple angles Contributors draw on a wealth of primary source materials and resources including archives from across the world military records medical records films memoirs diaries and letters both published and private and fictional interpretations of experience

*Great Canadian Animal Stories* Muriel Whitaker, 2013-09-03 In Great Canadian Animal Stories sixteen masters of storytelling keen observers either of nature or of their own animal companions come together with tales that bring their experiences vividly to life It includes classic stories by Jack London Farley Mowat Grey Owl and Fred Bodsworth

**Global Realignments and the Canadian Nation in the Third Millennium** Karin Ika, 2010 With aggravating global realignments the dynamics and contradictions of a world risk society are looming ahead in the unfolding Third Millennium while globalization is gaining further steam To this bears witness a potpourri of often frightening geopolitical social cultural economic demographic ecological and other changes and challenges that gives substantial cause for concern about getting lost in a trans whatever sea of turmoil uncertainty and indeterminateness The resultant current backlash or rather renewed interest in the nation as a collective identity establishing category is an effort to gain some anchorage in ever more disintegrating times and proves especially those

theoreticians wrong for whom the whole concept of the nation has worn off since long In 16 resourceful essays internationally distinguished Canadian and European experts from a variety of fields take a fresh look at these developments by focussing on one of the most fascinating multicultural and multifaceted nation state s in the world Canada in the Third Millennium The topics they discuss include among others Canada s difficult dissociation from Europe and the USA the reframing and reclaiming of the Canadian story the role of nations within the nation the efforts to transcend the nation pending geopolitical and geo ecological crises glocal issues and new wars Collectively the entries prove that Canada is a very progressive nation and opens up new perspectives for other collectives currently reassessing their national identities in a global environment Thus the book reaches well beyond the study of Canada and will be valuable to academics professionals teachers and students of various disciplines coping with the issue at stake as well as the general reader *Researching*

*World War I* Robin Higham, Dennis Showalter, 2003-12-30 World War I was the greatest cataclysm Europe had ever known directly involving 61 million troops from 16 nations Yet the history of the war and the reasons it started and spread so rapidly were vastly more complex than the players realized Written by highly respected authorities this book discusses the literature on all aspects of the war making it an excellent starting point for anyone seeking guidance to the immense and often daunting body of World War I literature The struggle mobilized manpower from home troops from the colonies abroad and in most countries women as well as men Governments increasingly intervened in everyday life New weapons and organizational structures were developed Yet the history of the war and the reasons it started and spread so rapidly were vastly more complex than the players realized Written by highly respected authorities this book discusses the literature on all aspects of the war Dennis Showalter s opening chapter covers the controversial issue of the war s origins a complex subject that has been much debated by historians Ensuing chapters consider the literature on each of the participating countries The broader subjects of the war at sea and the war in the air are also covered Daniel Beaver s final chapter discusses the mobilization of industry and the new military technology This book is an excellent starting point for anyone seeking guidance to the immense and often daunting body of World War I literature **Reference Sources for Canadian Literary Studies** Joseph

Jones, 2005-01-01 Reference Sources for Canadian Literary Studies offers the first full scale bibliography of writing on and in the field of Canadian literary studies Approximately one thousand annotated entries are arranged by reference genre with sub groupings related to literary genre *The Great Canadian Book of Lists* Randy Ray, Mark Kearney, 1999-09-01

Chronicles a century of achievements trends important and influential people and events that have shaped this country

*Incredible Tales of the Royal Canadian Air Force* Cynthia J. Faryon, 2014-02-01 More than 250 000 courageous men and women were enlisted in the RCAF during World War II They fought in all the major air operations Thousands lost their lives Only one in four aircrews completed their bomber tours some were killed in action some in training others became prisoners of war All volunteered These are the stories of the valiant Canadians who fought in this brutal war *The Avro Arrow*

Lawrence Miller,2020-07-20 When it first flew in 1957 the Avro Arrow was the world's best supersonic combat aircraft. It was the proudest achievement of the engineers and designers in Canada's world leading aircraft industry. They had already succeeded in building the world's first passenger jet. This book tells the story of building, testing and flying the Arrow. It explores the reasons why the Diefenbaker Conservative government of the day cancelled the contract to build these planes and then ordered the six already finished airplanes cut up and destroyed. Compton's Pictured Encyclopedia Guy Stanton Ford,1922

Extreme Canadian Weather Joan Dixon,2009-05-12 Weather is the quintessential Canadian story. Despite its characterization in the rest of the world as a land of bush and blizzards, Canada is a country of geographical and climatic variations. It experiences just about every type of extreme weather possible: tornadoes, droughts, dust storms, ice storms, hail storms, hurricanes, floods, in addition to lots of snowstorms. The weather is rarely boring and there are times when it has been so extreme it has surprised everyone. *The Canadian Magazine*, 1928

*Unsung Heroes of the RCAF* Cynthia J. Faryon,2014-02-01 More than 250 000 courageous men and women were enlisted in the Royal Canadian Air Force during World War II. These Canadians fought valiantly in every major air operation from the Battle of Britain to the bombing of Germany. Thousands lost their lives. Those who survived to tell their stories were forever changed. Here are some of their incredible stories. *Critical Alliances* S. Brooke Cameron,2020-01-29 *Critical Alliances* argues that late Victorian and modernist feminist authors saw in literary representations of female collaboration an opportunity to produce new gender and economic roles for women. It is not often

that one thinks of female allegiances such as kinship networks cultural inheritance or lesbian marriage as influencing the marketplace nor does one often think of economic models when theorizing feminist cooperation S Brooke Cameron suggest that through their representations of female partnership feminist authors such as Virginia Woolf Olive Schreiner George Egerton Amy Levy and Michael Field redefined the gendered marketplace and with it women s professional opportunities Interdisciplinary at its core and using a contextual approach Critical Alliances selects cultural texts and theories relevant to each writer s particular intervention in the marketplace Chapters look at how different forms of feminist collaboration enabled women to stake their claim to one of the many emergent professions at the turn of the century
