## **Great American Automobiles Of The 50s:**

**Great American Automobiles of the 50s** Consumer Guide, Richard M. Langworth, Chris Poole, 1989      Great American Automobiles of the 50s Richard M. Langworth, Chris Poole, 1989 Presents 140 of the cars of the 50s including De Soto Adventurers Hudson Hornets Studebaker Hawks and Packard Clippers      *Great American Dream Machines* Jay Hirsch, 1988  
*Great American Automobiles of the 50s*, 1989      **The GREAT AMERICAN DREAM MACHINES** JAY. HIRSCH, 1991  
*American Cars of the 1950s* David Newhardt, Robert Genat, 2008      **American Automobile Advertising, 1930-1980** Heon Stevenson, 2008-11-24 This book provides a comprehensive history of American print automobile advertising over a half century span beginning with the entrenchment of the Big Three automakers during the Depression and concluding with the fuel crises of the 1970s and early 1980s Advances in general advertising layouts and graphics are discussed in Part One together with the ways in which styling mechanical improvements and convenience features were highlighted Part Two explores ads that were concerned less with the attributes of the cars themselves than with shaping the way consumers would perceive and identify with them Part Three addresses ads oriented toward the practical aspects of automobile ownership concluding with an account of how advertising responded to the advance of imported cars after World War II Illustrations include more than 250 automobile advertisements the majority of which have not been seen in print since their original publication      **The Automobile in American History and Culture** Michael L. Berger, 2001-07-30 This comprehensive reference guide reviews the literature concerning the impact of the automobile on American social economic and political history Covering the complete history of the automobile to date twelve chapters of bibliographic essays describe the important works in a series of related topics and provide broad thematic contexts This work includes general histories of the automobile the industry it spawned and labor management relations as well as biographies of famous automotive personalities Focusing on books concerned with various social aspects chapters discuss such issues as the car's influence on family life youth women the elderly minorities literature and leisure and recreation Berger has also included works that investigate the government's role in aiding and regulating the automobile with sections on roads and highways safety and pollution The guide concludes with an overview of reference works and periodicals in the field and a description of selected research collections The Automobile in American History and Culture provides a resource with which to examine the entire field and its structure Popular culture scholars and enthusiasts involved in automotive research will appreciate the extensive scope of this reference Cross referenced throughout it will serve as a valuable research tool      Art of the American Automobile George N. Georgano, 1995 A big beautiful car book with a different slant Eminent British automotive writer Georgano partners with an outstanding car photographer from his own country Nicky Wright to produce a testament to the dictum the automobile is art Their focus is on individual car stylists who adhered to the philosophy that the automobile has to sell on its appearance as much as on its mechanical qualities The men profiled here were not and are not specialty designers

of custom cars but employees of big car companies who devoted themselves to beautifying cars sold to a mass market

**Car Book Value Guide 1991** Thomas E. Warth,1991-04      *Driving Around the USA* Martin W. Sandler,2003-12-04

Capturing the excitement of a nation as it became a driving force in more ways than one *Driving Around America* is the story of how America's romantic restless spirit found its counterpart in the automobile With Henry Ford's assembly lines lowering the price of cars ordinary people began to travel where and when they pleased with a freedom never before known and the nation would never be the same People moved farther from their work creating suburbs the demand for gasoline increased spurring the growth of the petroleum industry and individual members of families moved far from each other changing the social fabric of the nation From the auto's early beginnings to the commonplace use of cars in all aspects of life today *Driving Around America* is a fascinating portrait of how America transformed as its citizens were on the move more and more

**The Automobile and American Life, 2d ed.** John Heitmann,2018-08-14 Now revised and updated this book tells the story of how the automobile transformed American life and how automotive design and technology have changed over time It details cars inception as a mechanical curiosity and later a plaything for the wealthy racing and the promotion of the industry Henry Ford and the advent of mass production market competition during the 1920s the development of roads and accompanying highway culture the effects of the Great Depression and World War II the automotive Golden Age of the 1950s oil crises and the turbulent 1970s the decline and then resurgence of the Big Three and how American car culture has been represented in film music and literature Updated notes and a select bibliography serve as valuable resources to those interested in automotive history      *1950s American Style: A Reference Guide (soft cover)* Daniel Niemeyer,2013 Facets of

the Fifties A reference guide to an iconic Decade of Movie Palaces Television Classic Cars Sports Department Stores Trains Music Food Fashion and more      **American Cars of the 1950s** Robert Genat,David Newhardt,2007-12-15 In the 1950s the American automobile industry arrived in style In the postwar boom Americans were flush and full of optimism They wanted cars that reflected the spirit of the day and automakers happily obliged Thus began the decade of fins and whitewalls craftsmanship and fine tuned art on wheels the decade celebrated in this book Here are the cars that Detroit came up with drawing on all the muscle and magic of the era the unprecedented prosperity and new technologies and true feats of design In splendid full color pictures and fact filled text the book recreates the iconic era of American automobiles one car at a time From stylish sports cars like the Corvette and Thunderbird to luxury Lincoln and Cadillac sedans to the inimitable models from independents like Nash Studebaker Crosley *American Cars of the 1950s* conveys the spirit of automotive America at its best

**A Writer's Companion** Louis D.
