Great Britain Great Empire An Evaluation Of The British Imperial Experience:

Great Britain Great Empire W. Ross Johnston,1981 **Imperial Britain** Andrew S. Thompson,2014-07-30 This new study considers the impact of the empire upon modern British political culture The economic and cultural legacy of empire have received a great deal of attention but historians have neglected the effects of empire upon the domestic British political scene Dr Thompson explores economic demographic intellectual and military influences and he shows how parliamentary and party opinion interacted with imperial ideas and interests in the country at large This is a major new book which explores the ideology of key imperial campaigns and their popular support It makes a critical contribution to recent debates about the importance of empire to the nature and development of British national identities before and after the First World War

Naval War College Review Naval War College (U.S.),1983 **MEDICINE AND IMPERIALISM II** HAIRUDIN HARUN, Volume II continues with an account of the foundation of the British colonial health policy in the Malay Peninsula later British Malaya It covers the period of the British presence in the Peninsula between the mid eighteenth and the early twentieth century During the latter the development and expansion of colonial medical services in the Malay Peninsula correlated with the increased intensity of British imperialism The account here based mostly on contemporary official documents is to provide insight how Britain at its imperial heights actively leveraged on the health network in the service of its imperialist agenda **MEDICINE AND IMPERIALISM:** Hairudin Harun,2017-12-25 This book is a historical account of the colonial medical establishment health policy and medical science research in British Malaya currently Malaysia The account here in three volumes is based on primary and secondary historical colonial sources found in the U K Malaysia and Singapore covering the period between the mid eighteenth and the early twentieth century **The Pursuit of Dominance** Christopher J. Fettweis,2023 In *The Pursuit of Dominance* Christopher J Fettweis examines the grand strategy of previous superpowers to see how they maintained or failed to maintain their status Over the course of six cases from Ancient Rome to the British Empire he seeks guidance from the past for present US policymakers Fettweis is most interested in how these superpowers defined their interests the grand strategies these regimes followed to maintain superiority over their rivals and how the practice of that strategy worked A sweeping history of grand strategy this book looks at the past 2 000 years to highlight what if anything current US strategists can learn from the experience of earlier superpowers **Burdens of History** Antoinette Burton,2000-11-09 In this study of British middle class feminism in the late nineteenth and early twentieth centuries Antoinette Burton explores an important but neglected historical dimension of the relationship between feminism and imperialism Demonstrating how feminists in the United Kingdom appropriated imperialistic ideology and rhetoric to justify their own right to equality she reveals a variety of feminisms grounded in notions of moral and racial superiority According to Burton Victorian and Edwardian feminists such as Josephine Butler Millicent Garrett Fawcett and Mary Carpenter believed that the native women of colonial India constituted a special white woman s burden Although there

were a number of prominent Indian women in Britain as well as in India working toward some of the same goals of equality British feminists relied on images of an enslaved and primitive Oriental womanhood in need of liberation at the hands of their emancipated British sisters Burton argues that this unquestioning acceptance of Britain's imperial status and of Anglo Saxon racial superiority created a set of imperial feminist ideologies the legacy of which must be recognized and understood by contemporary feminists

Empire Niall Ferguson, 2008-03-17 A bestselling historian shows how the British Empire created the modern world in a book lauded as a rattling good tale Wall Street Journal and popular history at its best Washington Post The British Empire was the largest in all history the nearest thing to global domination ever achieved The world we know today is in large measure the product of Britain's Age of Empire The global spread of capitalism telecommunications the English language and institutions of representative government all these can be traced back to the extraordinary expansion of Britain's economy population and culture from the seventeenth century until the mid twentieth On a vast and vividly colored canvas Empire shows how the British Empire acted as midwife to modernity Displaying the originality and rigor that have made Niall Ferguson one of the world's foremost historians Empire is a dazzling tour de force a remarkable reappraisal of the prizes and pitfalls of global empire

Mangan, 2012 This volume concentrates on the processes and practices of formal education which shaped and were shaped by imperial values attitudes and behaviour It is concerned with The myths and visions of imperialism The nature and extent of ethnocentric attitudes declared and undeclared The use of education as a means of disseminating and reinforcing imperial images The changing concept of imperialism as reflected in the emphases of educational literature The different perceptions of imperialism in the various social and ethnic strata of metropolitan and overseas communities and education systems The assimilation adaptation and rejection of metropolitan educational models The issue of imperial education as enlightenment hegemony and control The book features chapters by educationalists historians and sociologists on education as a cornerstone in the construction of imperial control

Masks of Conquest Gauri Viswanathan, 2014-12-16 A classic work in postcolonial studies Masks of Conquest describes the introduction of English studies in India under British rule and its function as an effective form of political control abetting voluntary cultural assimilation Gauri Viswanathan demonstrates how the literary text functioned as a mirror of the ideal Englishman and became a mask of exploitation that camouflaged the material activities of the colonizing British government In her new preface she argues that the curricular study of English can no longer be understood innocently or inattentively to the deeper contexts of imperialism transnationalism and globalization in which the discipline first articulated its mission Masks of Conquest illuminates the transcontinental movements and derivations of English studies revealing the discipline s origins are as diffuse as its future shape

Western Society in Transition Volker Bornschier, 2018-04-24 An enormous acceleration of history has occurred in the current decade thereby radically changing world society in many respects The core countries grouped around the triad formed by the United States Japan and the European Union have experienced successive waves of change marked by phases of ascent unfolding and decay of societal models What seemed stable and predictable in past decades came close to collapse or broke down entirely As a result we are now living through a crisis of legitimation characterized by acute contradictions A new order with a fresh basic consensus around an overarching set of norms that allows problems to be solved efficiently has not yet crystallized Western Society in Transition examines the succession of societal models of the Western world and indications of its probable shape in the future Bornschier characterizes the 1985 1995 period as a decade of Third World debt and depression continued economic decline in the United States a steady ascent of Japan Western Europe s move toward political union and the collapse of the Soviet Union Against this background he sketches various elements of a theoretical perspective he calls

evolutionary conflict theory The primary focus of interest of this theory is not on single societies but on measures of social transformation at the core of world society Western Society in Transition deals with fundamental questions How does social order arise and why does it dissolve What provides social cohesion What makes society progress Institutional spheres of Western society such as technology firms the market state building education power conflict and social movements are analyzed in detail Peter Lengyel editor emeritus of the International Social Science Journal says of Western Society in Transition I have never seen such a succinct clear and persuasive treatment which adroitly draws together elements from economics history sociology and technology into a strictly contemporary kind of political economy This timely assessment of the Western world will be of interest to social scientists historians economists and international relations scholars

Democracy in Southern Europe Isabelle Calleja Ragonesi,2019-02-28 How have Malta and Cyprus both EU members transitioned from colonial island states to independent democracies With the assistance of primary documentation this book traces the difficult path of these two states to becoming independent liberal democracies by using the pathway of democratization through decolonization Using socio economic and political data analysed through the microscope of political science and international relations theories Isabelle Calleja Ragonesi charts the progress of the two islands in the context of a number of four distinct phases Firstly decolonization independence and achieving the status of procedural democracies secondly post colonial independence consolidating democracy and regime breakdown thirdly sovereign nation state status and second attempts at consolidating democracy and finally attempting to reach substantive democracy status and EU membership The study of these two states is contextualized within the context of democratization in Southern Europe and the cases of Malta and Cyprus provide new insights on the region for scholars of political science and international institutions

Naval War College Review Naval War College (U.S.),1983 **Mammon and the Pursuit of Empire** Lance E. Davis,Robert A. Huttenback,1986 This book presents answers to some of the key questions about the economics of imperialism

Empire and history writing in Britain c.1750-2012 Joanna de Groot,2016-05-16 This wide ranging and accessible book examines the effects of British imperial involvements on history writing in Britain since 1750 It provides a chronological account of the development of history writing in its social political and cultural contexts and an analysis of the structural links between those involvements and the dominant concerns of that writing The author looks at the impact of imperial and global expansion on the treatment of government of social structures and changes and of national and ethnic identity in scholarly and popular works in school histories and in famous history books In a clear and student friendly way the book argues that involvement in empire played a transformative and central role within history writing as whole reframing its basic assumptions and language and sustaining a significant imperial influence across generations of writers and diverse types of historical text

Imperialism, Race and Resistance Barbara Bush,2002-01-04 Imperialism Race and Resistance marks an important new development in the study of British and imperial interwar history Focusing on Britain West Africa

and South Africa Imperialism Race and Resistance charts the growth of anti colonial resistance and opposition to racism in the prelude to the post colonial era The complex nature of imperial power is explored as well as its impact on the lives and struggles of black men and women in Africa and the African diaspora Barbara Bush argues that tensions between white dreams of power and black dreams of freedom were seminal in transforming Britain's relationship with Africa in an era bounded by global war and shaped by ideological conflict
