Grandeur On The Appoquinimink The House Of William Corbit At Odessa Delaware:

Grandeur on the Appoquinimink John A. H. Sweeney, 1959 *A Storied Past: Collections of the Historic Odessa* Philip Zimmerman, 2023-06-07

A Storied Past Collections of the Historic Odessa captures the historical character and significance of two important late 18th century houses each of which retains a high percentage of original furnishings and locally made objects Over the past several years the collections have undergone careful examination and interpretation One hundred are published along with four interpretive chapters Relatively few historic sites have received this level of investigative treatment Additionally several of the hitherto unpublished objects relate to others already in the decorative and fine arts lexicon Using rich archival and genealogical sources Philip D Zimmerman brings to light here for the first time an extraordinary array of decorative and fine arts from the collections at the Historic Odessa Foundation This well documented group of family objects provides an intimate glimpse into the daily life of members of the Corbit and Wilson families in the late eighteenth and early nineteenth centuries and also sheds light on the history of Odessa Delaware and the larger region Particularly strong holdings of furniture made by John Janvier and his talented sons and nephew allow informative contrasts with products made in Delaware Philadelphia and elsewhere Needlework and other textiles made by Corbit and Wilson women characterize their handiwork Other objects tell other stories Some labeled by their nineteenth century owners for posterity document evolving trends in early collecting and historic preservation The richly illustrated book includes more than 200 photographs including many details and historic images along with careful physical descriptions and historical documentation Meticulously researched and elegantly written *A Storied Past* illuminates a wealth of furnishings works of art and artifacts with common provenances and interlocking histories and places them into the artistic social and historical contexts of their time The collections documented here furnish the Corbit Sharp 1774 and Wilson Warner 1769 houses built on adjoining lots by a tanner and a merchant and now maintained by the Historic Odessa Foundation Subsequent generations valued and preserved the two houses and many furnishings The Wilson house opened in 1923 as the first historic house museum in Delaware The Corbit house remained in family hands until H Rodney Sharp bought it in 1938 to preserve it Furniture owned in the family of John Janvier the noted cabinetmaker in Odessa was added in the 1970s and the Foundation has continued to acquire Corbit and Wilson family furnishings as well as locally made furniture in the years since Those interested in historic houses and late 18th and early 19th century life American antique collectors especially of furniture and those with local interests will find this book interesting *Becoming American, Remaining Jewish* Toni Young, 1999

Becoming American Remaining Jewish traces the development of Wilmington Delaware s first Jewish community in order to understand what the Jews created and why what values were reflected in the institutions they established and the causes they advocated and what changed over the years Readers concerned about questions of identity and community today will find much stimulating material in this story The appendix which contains the names of more than two thousand adult Jews lived in Wilmington

between 1879 and 1920 is the most comprehensive list of early Jewish Wilmingtonians ever published With its information on country of birth and first occupation the list is a valuable resource for historians and genealogists

BOOK JACKET Title
Summary field provided by Blackwell North America Inc All Rights Reserved *Grandeur on the Appoquinimink* John A. H. Sweeney,1989 This classic in American architectural history documents the building of colonial Delaware s finest Georgian mansion by Quaker tanner William Corbit and locates the man his house and his architect in the context of their world A
Delaware Album, 1900-1930 George David Miller,2011-04-15 A Delaware Album 1900 1930 contains over 300 postcard photographs from the entire state taken during the period from 1900 to 1930 Arranged by subjects City and Town Views Delaware Beaches Amusements Industry and Agriculture Signs of the Times Trains Trolleys and Automobiles Water Transportation Schools Religion Businesses Hotels and Motels each photo has a caption ranging from a sentence or two to several paragraphs The book s introduction details how the cards were produced analyzes the subject matter depicted on the cards documents the history of several of the most prominent local photographers in the state whose work is found almost only on postcards and traces the evolution and popularization of postcard photography Through the photographs readers can witness the development of Delaware agriculture and fisheries the expansion of the railroad into southern Delaware the declining days of steamship service on Delaware rivers and creeks the fate of Middletown s last trolley and Delaware s unsuccessful campaign against King Alcohol They can see how Delawareans worshiped worked and shopped They can visit local amusement parks and beaches from New Castle county to Sussex county For the early decades of the twentieth century the postcard recorded every aspect of American life As local historians will tell you the photographic record of small town America during the period from 1900 to 1930 exists almost only on postcards That is why historical societies libraries and museums have begun to amass postcard collections In the last twenty years historians and scholars have increasingly turned to the postcard as a way of seeing what our past literally looked like what we enjoyed doing where we worked and played how we viewed one other what we thought was important and what prejudices we held The Refinement of America
Richard Lyman Bushman,2011-09-21 This lively and authoritative volume makes clear that the quest for taste and manners in America has been essential to the serious pursuit of a democratic culture Spanning the material world from mansions and silverware to etiquette books city planning and sentimental novels Richard L Bushman shows how a set of values originating in aristocratic court culture gradually permeated almost every stratum of American society and served to prevent the hardening of class consciousness A work of immense and richly nuanced learning *The Refinement of America* newly illuminates every facet of both our artifacts and our values *The Philadelwareans, and Other Essays Relating to Delaware*
John Andrew Munroe,2004 This volume presents a varied sampling of the author s writings from the past sixty years along with some previously unpublished materials It begins with a long prologue that the author calls a literary autobiography and this story is continued and amplified in introductory notes that accompany each of the following items the relationship

between Delaware and the city of Philadelphia This theme reappears in many guises in the background of other items as for example in a summary of New Castle s history in an investigation of an experiment in nonresident representation in Congress and in explanation of the unique importance of an early Wilmington collector of customs In the last essay previously unpublished the relationship is personalized in a reminiscence contributing to the autobiographical theme with which the book began at the University of Delaware

The Manor Mac Griswold,2025-09-23 Mac Griswold s *The Manor* is the biography of a uniquely American place that has endured through wars great and small through fortunes won and lost through histories bright and sinister and of the family that has lived there since its founding as a Colonial New England slave plantation three and a half centuries ago In 1984 the landscape historian Mac Griswold was rowing along a Long Island creek when she came upon a stately yellow house and a garden guarded by looming boxwoods She instantly knew that boxwoods that large twelve feet tall fifteen feet wide had to be hundreds of years old So as it happened was the house Sylvester Manor had been held in the same family for eleven generations Formerly encompassing all of Shelter Island New York a pearl of 8 000 acres caught between the North and South Forks of Long Island the manor had dwindled to 243 acres Still its hidden vault proved to be full of revelations and treasures including the 1666 charter for the land and correspondence from Thomas Jefferson Most notable was the short and steep flight of steps the family had called the slave staircase which would provide clues to the extensive but little known story of Northern slavery Alongside a team of archaeologists Griswold began a dig that would uncover a landscape bursting with stories Based on years of archival and field research as well as voyages to Africa the West Indies and Europe *The Manor* is at once an investigation into forgotten lives and a sweeping drama that captures our history in all its richness and suffering It is a monumental achievement

Governing Delaware William W. Boyer,2000 *Governing Delaware* is an analysis of the governance of Delaware that focuses on the political culture and public policy problems of this small state BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved

The Arts in Early American History Walter Muir Whitehill,2012-12-01 This summary essay and the heavily annotated bibliography covering the period from the first colonization to 1826 are primarily intended to aid the scholar and student by suggesting areas of further study and ways of expanding the conventional interpretations of early American history Originally published in 1935 A UNC Press Enduring Edition UNC Press Enduring Editions use the latest in digital technology to make available again books from our distinguished backlist that were previously out of print These editions are published unaltered from the original and are presented in affordable paperback formats bringing readers both historical and cultural value

The Jacob Ford Jr. Mansion: The Storied History of a New Jersey Home Jude M. Pfister,2009-09-15 In 1772 the Ford family began building what would easily become the largest home in Morristown and years later became the site of the first National Historic Park in the United States Completed just before colonial unrest reached a boiling point the home quickly secured a reputation as a place of prominence for supporters of colonial interests Today the mansion is best known as George

Washington's headquarters when it became a strategic site for Washington during a winter encampment and gained importance for its role in the American Revolution Jude Pfister tells the story of this beloved home that has endured the tests of time and whose own history is inextricably woven into that of the country's Maverick Management Alexander F. Giacco, 2003 Giacco shares his management techniques and leadership style as he discusses innovative approaches which launched Hercules Inc to success in the aerospace industry during the 1950s and 1960s Architecture and Town Planning in Colonial North America James D. Kornwolf, Georgiana Wallis Kornwolf, 2002 Incorporating more than 3 000 illustrations Kornwolf's work conveys the full range of the colonial encounter with the continent's geography from the high forms of architecture through formal landscape design and town planning From these pages emerge the fine arts of environmental design an understanding of the political and economic events that helped to determine settlement in North America an appreciation of the various architectural and landscape forms that the settlers created and an awareness of the diversity of the continent's geography and its peoples Considering the humblest buildings along with the mansions of the wealthy and powerful public buildings forts and churches Kornwolf captures the true dynamism and diversity of colonial communities their rivalries and frictions their outlooks and attitudes as they extended their hold on the land **Architecture and Rural Life in Central Delaware, 1700-1900** Bernard L. Herman, 1989-10 A pioneering account of mid Atlantic folk architecture and of the nineteenth century transformation of traditional agriculture A major study of American vernacular architecture Dell Upton University of California Berkeley Bernard L Herman has provided us with a model study in the interdisciplinary interpretation of a common landscape Robert Blair St George Journal of American Folklore An impressive study that adds an important dimension to our understanding of the built environment Clifford E Clark Jr American Historical Review A wide range of reader expectations will be met by this book Herman provides a focused community study as well as an interpretation of vernacular architecture in the Mid Atlantic region John Michael Vlach Journal of the Society of Architectural Historians Scholars will be impressed by Herman's ability to marshal different kinds of evidence to buttress his contention that architecture reveals not just how people materially ordered their lives but helped to create and maintain order to project images of self and community and to control meaning in social discourse Choice The Author Bernard L Herman teaches at the University of Delaware where is a professor of art history and senior research fellow at the Center for Historic Architecture and Design Among his many publications are Everyday Architecture of the Mid Atlantic Looking at Buildings and Landscapes co author with Gabrielle M Lanier and Historical Architectural and the Study of American Culture co editor with Lu Ann De Cunzo *Creek Walking* Jacqueline Jones, 2001 Wedged between two dramatically different extended families she tries to make sense of the social signifiers that crosscut even this tiny village in New Castle County differences between blacks and whites men and women Presbyterians and Methodists migrants from Appalachia and migrants from New England and members of the business class and working class *Hanging the Moon* Drury L. Pifer, 2001 He soon conceives

the idea of leasing becomes a pioneer in the formulation of America's service industry then partners with Wayne to set up the first network of radio stations run by and for African Americans Jacket **Everyday Architecture of the Mid-Atlantic** Gabrielle M. Lanier, Bernard L. Herman, 1997-07-15 Everyday Architecture of the Mid Atlantic gives proof to the insights architecture offers into who we are culturally as a community a region and a nation Ruling Suburbia John Morrison McLarnon, 2003 Ruling Suburbia chronicles the history of the Republican machine that has dominated the political life of Delaware County Pennsylvania since 1875 and of the career of John J McClure who controlled the machine from 1907 until 1965 *Colonial Grandeur in Philadelphia* Nicholas B. Wainwright, 1964 **Integrating Delaware** Annette Woolard-Provine, 2003 The personal stories of lesser known leaders in the civil rights movement remain unwritten Moreover the peculiar situation of the black middle class which produced many of these civil rights heroes remains largely unknown The Reddings of Wilmington Delaware were in many ways typical of their class in twentieth century America Their story is important because they were ordinary hardworking people who strove for excellence and achieved success and who for a moment in time helped make a difference in their community and their country Jacket
