unearths their double consciousness and literacy ambivalence He moves on to reveal that for many contemporary Black men the arc of ambivalence rises even higher and becomes more complex following the civil rights and the Black Power movements and then sweeping sharply upward once again during the War on Drugs Hunter provides rich illustrations and probing theses that complicate our commonsense reflections on their concealed angst regarding Black authenticity respectability politics and masculinity Speech Is My Hammer moves the reader beyond considering literacy in normative terms to perceive its potential to facilitate transformative conversations among Black males

*There Is Wisdom in Grandma's Hands* Evangelist Karen Tongue, 2020-03-30 The bible states that it is appointed unto man once to die. Each of us will have to pass by death in order to reach the next stage of life: eternal life in heaven or hell. We have known about the existence of heaven and hell since the beginning of time. It is not the will of God for any to perish. That means though we have to die, God does not want us to go to hell. We can have an assurance of life everlasting in heaven with Christ Jesus, our Lord. There are many wonderful things prepared in heaven for those of us who overcome this life and receive our great rewards in heaven for living a life unto Christ. Many people have lost loved ones along life's way. Some of these loved ones have been gone for many years and people are still grieving and mourning over them deeply. God wants you to come to him and find health and healing in the safety of his loving arms. To receive this healing, we must come to him and accept his plan of salvation. Salvation is the beginning to healing, love and acceptance. In Christ, we find hope and peace that surpasses all human understanding. We learn who we are and we learn who we are in Christ. I pray this book will give every reader an expected hope and the joy of the Lord for strength.

**Of Love and Bruises** Blessing Douglas, 2021-06-03 What was meant to be a dream come true for little Belema quickly twisted into a nightmare she couldn't wake up from. Belema was beyond herself with happiness when her grandmother told her that her father was finally coming to take her to live with him. She was a billion sparkles of fireflies radiating with smile and enthusiasm because she was going to live with her father and enjoy the care and love of a parent. But her hopes were dashed upon getting to her father's house. What she had hoped will be a garland of happiness soon became a deserted savannah of pain. To have a better society, discipline must transcend physical, verbal and emotional abuse. It must become effective and loving corrections, effective communications that improve a child's self-esteem, strength and confidence in themselves.
