Grandma Moses Leslie Umberger, Randall R. Griffey, 2025-11-04 A major reexamination of the life art and legacy of a self-taught American master Grandma Moses A Good Day's Work repositions Anna Mary Robertson Grandma Moses 1860-1961 as a multidimensional force in American art whose beloved recollections of rural life earned her a distinctive place in the cultural imagination of the postwar era Moses was eighty years old when Otto Kallir a New York art dealer and recent migrant from Nazi-held Austria introduced her to the world Grandma Moses as the press dubbed her quickly became a polarizing figure beloved by the public yet dismissed by the art world for her story time scenes and lack of formal training Drawing on Moses's reflection on her own life as a good day's work the book charts Moses's creative development

from her earliest artistic efforts to the emergence of her signature style revealing a multidimensional artist who fused direct observation of nature labor and personal memories to tell idiosyncratic yet compelling stories It positions Moses as a central figure in the history of twentieth century American art a painter whose life and work bore witness to the Civil War two world wars and the civil rights era Beautifully illustrated Grandma Moses A Good Day s Work captures the indomitable spirit Moses brought to her artmaking conveying a candor and authority that still resonate today with the quest for a homespun American visual tradition Published in association with the Smithsonian American Art Museum Washington DC Exhibition Schedule Smithsonian American Art Museum Washington DC October 24 2025 July 12 2026 **Catalog of Copyright Entries, Third Series**, 1961 The record of each copyright registration listed in the Catalog includes a description of the work copyrighted and data relating to the copyright claim the name of the copyright claimant as given in the application for registration the copyright date the copyright registration number etc Designs on the Heart Karal Ann Marling, 2006-05-29 In this book Karal Ann Marling looks at Grandma Moses as a cultural phenomenon of the postwar period and explores the meaning of her subject matter and her astonishing fame What did the Greatest Generation see in her simple renderings of people young and old tapping maple trees for syrup making apple butter gliding across snowy fields on sleighs Why did Bob Hope Irving Berlin and Harry Truman all love her and the art czars of New York openly despise her Through the flood of Moses merchandise splashed across Christmas cards dishware yard goods and gewgaws of every kind Marling traces the resonances that these primitive images struck in an America awkwardly adjusting to a new era of technology suburbia and Cold War tensions
