## Grandma Was Here:

*Grandma's House* Carol Shaw-Burns, 2012-03 A grandchild visits his grandmother's house which is a retirement community. The book focuses on the intergenerational relationship particularly between a grandson and his grandmother. The book is from the child's point of view as he explores the retirement community where his grandmother lives. **Grandma's House** Andrew J. Arbuckle, 2011-02-11 He was almost two years old when Black Monday the stock market's Great Crash occurred. Andrew recounts a host of memories he lived throughout its aftermath. Set in the years following the Great Crash, he unleashes decades-old memories that fleetingly linger in the mind and heart. Travel with him from pre-school days toward his teens, reliving your own cherished experiences, sometimes happy, sometimes sad, and yes, sometimes tearful and heart-wrenching. Enhanced with original illustrations by his wife Marilyn, this book promises to be a delightful romp through personal memories for fans of all ages. **Grandma's Family Legend** Irma Idalia Rios, 2010-05-20 **Moonlight on a Weathered Path: Selected Readings for Dramatic Interpretation** Jamantha Williams Watson, 2013-01-22 Jamantha Williams Watson takes us inside the lives of several individuals struggling to find their places in a world where fairness, morality, and civility do not always apply. From Slippery Slopes to Locked Out, Watson's characters live in a world where their dreams often supersede their realm of reality, a world where things are not always as they seem. Though Watson's style is subtle and sophisticated, it is also jarring, leaving the reader on the edge of their seat. In *Moonlight on a Weathered Path: Selected Readings for Dramatic Interpretation*, we experience Watson's stories and live with her characters even after the last page is turned. Debi's Supernatural Journey: Truth Or Fiction Debi Miller, 2009-03-20 I was inspired to write about a young lady named Faith who encounters a house on snow hill that is haunted, and it appears that it's calling her. In the middle of the night, she gets out of bed and travels to the house, which is boarded up and has signs posted to keep people away. When Faith she immediately picks up the presence of spirits and has a meet and greet with them. She finds a woman named Jane, her son-in-law Ben, and other various inhabitants. It is then they tell her she must save them. But whether she is able to is questionable. *Shaded Canvas* Isis I., 2007-10 The Black Unicorn George the Good, 2012-10 Despite the warnings of his father, the great white Unicorn Blackie ventures from his secure refuge in the heart of the forest into the restless, striving world of humans. His travels take him from the peaceful Shrine at the top of the world to the burning dragon pit at its bottom. Blackie meets monsters and beasts and humans of every rank, from beggars, gypsies, peasants, and priests to knights, nobles, and his irrepressible, irresistible Princess. He learns the joys of love, friendship, and a well-baked bowl of cookies, as well as the miseries of sickness, treachery, and death. Ultimately, he learns what it means to be a unicorn, a holy beast to the humans with his celebrated horn of violence in battle and healing in sickness. *Making Daddy Behave*, 1923 The Edge of Reality Tony Thompson, 2019-12-06 Living as a normal middle-class family of four, this family learns to deal with the old phrase "I thought that only happened to other people" as one of them is framed for a murder. Framed so well, the entire family is forced

on the run from the law in order to keep them together Uprooting their lives and taking on new identities their adventures take them through hiding out in big cities to living in the wilds in the Ozark mountains Fighting against the elements of nature to protecting one another from wild animal attacks Finding lots of adventure and meeting many new friends along the way and finding out the hard way that blood is not always thicker than water Coping with deaths of family and friends as they suffer the pain they must continue their journey of protecting themselves and each other as they are each subjected to possibilities of death on their travels to the unknown driven by destiny surviving by wit and instinct This family leaves a lifelong favorable impression on the lands they travel and the hearts they touch That is until the long arm of the law reaches out and tears them from the new lives they had worked so hard to create effecting so many in a devastating manner as the children are forced by law to live with the true murderer as ruthless as he is and made to survive in unspeakable circumstances protecting each other along the way as Mom and Dad are thrown in jail for a murder they did not commit Though as the law tightens its grip unforeseen allies formed along their journey come to the rescue *The Christian Work and the Evangelist* ,1909 *Forced Love: Sweetheart, Don't Go* Xing FuMeiYouJinTou,2020-10-31 At the start of the new story Su Xiaomeng said happily Mommy I stole daddy s land Su Yan s head was filled with questions A certain man seriously and seriously said Since I m not married you ll have to take responsibility in the future Later he was buried in the sea of flames by his first love s schemes returning from amnesia The beginning was already over After a transaction Gu Ruoyun had said **Dying on Edisto** C. Copyright Office,1949      July's Dream Book 2 Maureen Armstrong,2025-04-25 Well it's about time someone otherwise complains about offering their support of Carole Bergeron Alain Bergeron's cousin Phylcia joins Carole's friends Sylvii and Fern in Gerome Missouri to evaluate Carole's whereabouts Events leading up to Carole's departure to France continue to plague her friends common sense compelling Sylvii Laroque and Fern Fullerton to share

truths of events before Carole's departure to France. After arriving in Gerome, Missouri, Phylcia and Isaac Waaserton, driving from Sharton, New York, appear to be intervening on Carole's behalf. Faith and Robert, Carol's adult children, gain assistance from local Sheriff Noah Fullerton, husband to Carole's friend Fern Fullerton, with introductions and meeting Phylcia. Letters from France arrive from Carole with notifications of her progression in relocating back to France and visiting with her family. Her parents, the Dubois, charm and sophistication evolve with glamour of international influence and escaping stigmas left in Gerome, Missouri, for Carole Dubois Bergeron in July's *Dream Book 2*.

**A Face of Courage** Tommy Watson, 2008-10 The Tommy Watson story is a story about courage, the perseverance of a young man who grew up in a crime-ridden neighborhood with gang violence, drugs, and poverty. He overcame all of those problems to become a football player for the University of Minnesota and eventually a school principal for the Minnesota school system.

**The Country Gentleman**, 1924 It's Not the Heat Hadley Hury, 2007 At a wedding reception, a woman encounters a lover and an image of herself she has not seen in more than twenty years. On a road trip, a father listens to the conversation of his two adolescent daughters and hears between the lines previously undetected clues to their changing identities. A man confronts the loss of his wife of many decades by recognizing a new means of communication and reunion. Disconcerted by the weirdly converging dreams and sightings of a boyhood acquaintance, an Episcopal priest searches for meaning among shifting shards of memory, chance, and intention. A retired couple establishes a bond of trust with a neglected child and find themselves goaded into an unexpected future of perplexity and promise. All of these characters are poised on the brink of change, sometimes only vaguely understood, sometimes unmistakably life-altering and irreversible. In every case, these changes afford a degree of revelation and make some urgent demand for new assessment, perspective, action.

The ten stories in this collection by Hadley Hury are set primarily in the South, many in and around Memphis, and examine with tough wit and expansive spirit its people and the place. But like any good stories, they defy the limited focus of regionalism and explore the universal anatomies of love, vulnerability, loss, humor, and hope.

Praise for Hury's *The Edge of the Gulf* In Hury's engrossing suspense novel, a deadly mystery combines with the greater mystery of the protagonist's loss and recovery to illustrate beautifully the resilience of the human spirit. An assured debut. *Publishers Weekly*. This first novel offers complex characters, subtle intrigue, well-crafted prose, and a small-town, oceanfront ethos. *Library Journal*. a powerful work of psychological suspense. *Allreaders.com*
