Grandparents Ursula A. Falk, 2010-12 What image comes to mind when we hear the term grandparents Too often it is the Norman Rockwell view of innocuous kindly white haired folk or conversely the negative stereotype of doddering dim witted burdens confined to nursing homes Unfortunately such notions shortchange not only older people but younger generations as well who may never realize how much grandparents have to offer This informative well researched book aims to add some perspective and depth to the stick figure images of grandparents promulgated by contemporary culture Psychotherapist Ursula Falk and sociologist Gerhard Falk provide an illuminating overview of the many facets of being a grandparent in today's society Among the topics discussed are the history of the grandparent role and its evolution social forces that have affected the American family including grandparents the distinctly different roles of grandmother and grandfather the parental responsibilities that grandparents today are often forced to assume for their grandchildren in the absence of the children's parents the ways in which other cultures treat grandparents the usually negative and stereotypical depiction of grandparents in the media and in literature and finally the supporting role that grandparents play with authentic examples Also included is an appendix outlining the legal rights of grandparents The authors stress that grandparents must be seen as individuals with their own lives to lead and that society needs to reassess the value of the elderly Ursula Adler Falk Ph D Kenmore NY is a psychotherapist in private practice and a nursing home consultant She is the author of a number of books including *On Our Own Independent Living for Older Persons* Gerhard Falk Ph D is professor of sociology at the State

University of New York College in Buffalo NY and the author of many books including *Stigma How We Treat Outsiders*

Folktales Retold Amie A. Doughty, 2015-03-14 Folktales and fairy tales are living stories as part of the oral tradition they change and evolve as they are retold from generation to generation In the last thirty years however revision has become an art form of its own with tales intentionally revised to achieve humorous effect send political messages add different cultural or regional elements try out new narrative voices and more These revisions take all forms from short stories to novel length narratives to poems plays musicals films and advertisements The resulting tales paint the tales from myriad perspectives using the broad palette of human creativity This study examines folktale revisions from many angles drawing on examples primarily from revisions of Western European traditional tales such as those of the Grimm Brothers and Charles Perrault Also discussed are new folktales that combine traditional storylines with commentary on modern life The conclusion considers how revisionists poke fun at and struggle to understand stories that sometimes made little sense to start with **Kisses of Sunshine for Grandmas** Gracie Malone, 2005 Five lighthearted and uplifting devotionals capture readers hearts with tales about the joys challenges and frustrations that women face in all their various roles Each devotional also includes a thought provoking quote and a relevant verse from Scripture **I Love Being Married to a Grandma** Ken Berven, 1978

Louisanna and the Lopsided Kingdom Myra F. Dingle, 2012-07 Louisanna lives with her grandmother Nimee in a huge house on a lonely northern island Her only companion is her nanny Cerena who has come to realize that Louisanna has inherited her grandmother s second sight Louisanna is drawn by a force she does not understand to climb the green hill near their house Once Louisanna reaches the top of the green hill she finds herself in another time and place in a kingdom where Satan is all powerful and nothing is as it should be Everyone she meets seems to have been expecting her and even though she does not understand why she courageously takes on Satan and his minions with the help of many strange and interesting creatures and beings she has met along the way Little does Louisanna know that Satan has plans for her that include a journey through the very heart of his darkest realms and to use her as a ploy in his plan to once again make himself higher than God Catalog of Copyright Entries, Third Series , 1963 The record of each copyright registration listed in the Catalog includes a description of the work copyrighted and data relating to the copyright claim the name of the copyright claimant as given in the application for registration the copyright date the copyright registration number etc Coming Home James C. Grandmas Off Her Rocker: Bestsellers in 2023 The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous compelling novels captivating the hearts of readers worldwide. Lets delve into the realm of bestselling books, exploring the fascinating narratives that have captivated audiences this year. Grandmas Off Her Rocker : Colleen Hoover "It Ends with Us" This heartfelt tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover expertly weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can triumph. Grandmas Off Her Rocker : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This captivating historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids compelling storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Grandmas Off Her Rocker : Delia Owens "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens spins a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These top-selling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a exceptional and suspenseful novel that will keep you speculating until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
