Grandmother And I:

Grandmother and I, 1962 **Grandmother and I** Helen E. Buckley, 2000-04-05 A child considers how Grandmother's lap is just right for those times when lightning is coming in the window or the cat is missing **My Russian Grandmother and Her American Vacuum Cleaner** Meir Shalev, 2018-01-02 From the author of the acclaimed novel *A Pigeon and a Boy* comes a charming tale of family ties over the top housekeeping and the sport of storytelling in Nahalal the village of Meir Shalev's birth Here we meet Shalev's amazing Grandma Tonia who arrived in Palestine by boat from Russia in 1923 and lived in a constant state of battle with what she viewed as the family's biggest enemy in their new land dirt Grandma Tonia was never seen without a cleaning rag over her shoulder She received visitors outdoors She allowed only the most privileged guests to enter her spotless house Hilarious and touching Grandma Tonia and her regulations come richly to life in a narrative that circles around the arrival into the family's dusty agricultural midst of the big shiny American sweeper sent as a gift by Great uncle Yeshayahu he who had shockingly emigrated to the sinful capitalist heaven of Los Angeles America to little Meir and to his forebears was a land of hedonism and enchanting progress of tempting luxuries dangerous music and degenerate gum chewing and of women with painted fingernails The sweeper a stealth weapon from Grandpa Aharon's American brother meant to beguile the hardworking socialist household with a bit of American ease was symbolic of the conflicts and visions of the family in every respect The fate of Tonia's swiepeerrr hidden away for decades in a spotless closed off bathroom after its initial use is a family mystery that Shalev determines to solve The result in this cheerful translation by Evan Fallenberg is pure delight as Shalev brings to life the obsessive but loving Tonia the pioneers who gave his childhood its spirit of wonder and the grit and humor of people building ever new lives Grandmother's Gift Bob Hawkes, 2004-04 Eddie is the recipient of a gift handed down through the ages in his family Though this gift is usually handed from grandmother to granddaughter It once again has fallen into the hands of a grandson The gift is as precious as the family it is handed down through It is an essential part of grandmother's life She needs to school Eddie in not only the power of the gift but also the need to help others when called upon It is all a part of the gift Eddie must learn and control Edith the grandmother needs to not only educate her grandson on the powers of the gift but also needs to continue assisting her friends with her own form of it Friends she has been with for years They are dependent on her and her ability to use the gift in assisting them She will not let them down Her enlisting Eddie to assist her in satisfying the needs of her friends is the tale that unfolds It is the two of these wonderful people assisting those needing their help that leads to understanding the importance of such a gift and the need to use it in its most precious form There have always been those with these abilities among us Through these two it is hoped you gain some understanding and the need we have for them to continue their work *A Grandmother's Love* Sherita Brown, 2024-12-11 Around the world in many cultures there are grandparents who raise their grandkids These grandparents have stepped into the role of parents stepping up when their grandchildren needed them the most sometimes when the

children's parents are unable or unwilling to do so. A Grandmother's Love seeks to let them know that they are not alone and to communicate to grandchildren that they are blessings to their grandparents' hearts. Author Sherita Brown describes three Colorado grandmothers herself among them who have stood in the gap for one another helping raise their grandchildren together. Grandparents take pride in passing down wisdom and knowledge, can find joy in learning from younger perspectives and are valuable to their grandkids' futures and their lives. Sometimes grandparents may feel robbed of their roles because they must take over disciplining the child as the parent should. But in this way they can grant their grandchildren better lives, better education and the opportunity to fulfill their dreams. This inspirational personal narrative of grandmotherly love shares one woman's family history and offers connection to grandparents raising their grandchildren. *Grandmother's money*, by the author of 'One and twenty'. The objective of this project is to encourage new ways of thinking about the meaning and significance of space. It follows a desire that has been expressed and theorized by Henri Lefebvre and by extension Edward W Soja to remove Spatiality from the margin of the Triad of Being and to bring it into the Triad. The thesis focuses on how space of the Pilbara region in Western Australia is produced in contemporary Australian writing, film, art and through lived experience. The thesis argues for an understanding of space as essentially dynamic. The House Between Earth and Sky Joseph Daniel Sobol, 2005-01-30. Travel with storyteller and folklorist Joseph Daniel Sobol as he embarks on a journey of multicultural awareness and awakening. This book of multicultural and multilingual proverbs, beliefs, remedies, recipes and folktales collected by ESL students during a series of folklore and storytelling residencies at Chicago inner city secondary schools. In this captivating teacher resource, Sobol chronicles his experiences in four Chicago schools as a visiting teacher and collector of multicultural folktales. With this resource, you can expose your students to fables, wonder tales and other ancient story genres along with proverbs, remedies, recipes and folktales from all over the world. Learn how to conduct your own classroom folktale residency by teaching the art of interviewing, gathering story elements, recording them in the original languages and translating them into English. This sophisticated collection not only consists of marvelous accounts from far away lands, it brings them to life in the classroom and encourages educators to incorporate similar resources in their own multicultural classrooms. Poet Lore, 1903. *After 25 Years of Smoking Crack, How You Like Me Now* Gregory Mack Thomas, 2010-09-16. One of the main points in my book is to show the youth of today the consequences of using and selling

drugs and the path that can also led them down my road if there isn't a change within their lives and if they continue to commit petty crimes that are better known as misdemeanors what they don't know is once they get into the Federal system all misdemeanors are added up as points. Ten misdemeanors will add up to one year whether you served time or paid a fine or even did community service it doesn't matter they all are counted. My next point to my readers is your closet friends will rat you out at the drop of a dime once under pressure. My next point is to show you that my life has changed drastically during my drug use. I've done a lot of things using drugs that I couldn't imagine doing today and that I'm embarrassed about but that was my life at that time. Today I'm a new and better man. *Little Oskalo* T.C Harbaugh, 2020-07-18 Reproduction of the original

My First and Only Love Sahar Khalifeh, 2021-04-20 A deeply poetic account of love and resistance through a young girl's eyes by acclaimed writer Sahar Khalifeh called the Virginia Woolf of Palestinian literature. B'nai Brith Nidal, after many decades of restless exile, returns to her family home in Nablus where she had lived with her grandmother before the 1948 Nakba that scattered her family across the globe. She was a young girl when the popular resistance began and through the bloodshed and bitter struggle Nidal fell in love with freedom fighter Rabie. He was her first and only real love, him and all that he represented: Palestine in its youth, the resistance fighters in the hills, the nation as embodied in her family home and in the land. Many years later Nidal and Rabie meet and he encourages her to read her uncle Amin's memoirs. She immerses herself in the details of her family and national past and discovers the secret history of her absent mother. Filled with emotional urgency and political immediacy, Sahar Khalifeh spins an epic tale reaching from the final days of the British Mandate to today with clear-eyed realism and great imagination. **Of Women and Salt** Gabriela Garcia, 2021-03-30 AN INSTANT NEW YORK TIMES BESTSELLER THE WASHINGTON POST NOTABLE BOOK OF 2021 A GOOD MORNING AMERICA BOOK CLUB PICK WINNER of the Isabel Allende Most Inspirational Fiction Award International Latino Book Awards WINNER of Best Literary Fiction She Reads Best of 2021 Awards FINALIST for the 2022 Southern Book Prize LONGLISTED for Crooks & Corner Book Prize NOMINEE for 2021 Goodreads Choice Award in Debut Novel and Historical Fiction A sweeping masterful debut about a daughter's fateful choice, a mother motivated by her own past and a family legacy that begins in Cuba before either of them were born. Steadfast in her quest for understanding, Jeanette travels to Cuba to see her grandmother and reckon with secrets from the past destined to erupt.
