**Grannies Deadly Reunion** Cliff McGoon, Seecliff Publishing, 2004-01-01      **DEADLY REUNION** Charlotte Lewis, 2023-07-27 The High School Class of 87 met for its thirty fifth reunion mid summer There was a good dance band great food an open bar and stories of the past While there were no major altercation at the reunion within a few weeks three members of the Class of 87 were dead All deaths were classified as murder All three were prominent business people in town Is there a connection between them      Killer Reunion G. A. McKevett, 2016-04-01 Old grudges die hard for the Southern PI when her high school reunion is interrupted by murder in this cozy mystery by the author of Just Desserts When Savannah Reid fled McGill Georgia everyone figured the chubby girl from the wrong side of tracks would never come back But now the successful private investigator is making a triumphant return attending her 25th high school reunion with her handsome husband on her arm When her old nemesis Jeanette Parker reprises her role as the Queen of Mean Savannah finally shows her up But her moment of victory is sunk when Jeanette s dead body is found in the swamp As the primary suspect in Jeanette s murder Savannah s rocky history with the local sheriff doesn t help her situation But after calling on her partners at Moonlight Magnolia Detective Agency it is soon revealed that the Queen of Mean had plenty of enemies and possibly the blood of her recently deceased husband on her hands Now Savannah and her fellow detectives will have to act fast to catch a killer before another victim is crowned      **Murder in Her Stocking** G. A. McKevett, 2019-09-24 As the Moonlight Magnolia Agency revisits old memories on Christmas Eve Granny Reid takes the reins back thirty years to the 1980s back when she went by Stella everyone s hair was bigger and sweaters were colorful disasters But murder never went out of style Christmas has arrived in sleepy McGill Georgia but holiday cheer can t keep temperamental Stella Reid from swinging a rolling pin at anyone who crosses her bad side and this season there are plenty First an anonymous grinch vandalizes a celebrated nativity display Far worse the scandalous Prissy Carr is found dead in an alley behind a tavern With police puzzled over the murder Stella decides to stir the local gossip pot for clues on the culprit s identity Turns out Prissy held a prominent spot on the naughty list and suspects pile up like presents on Christmas morning Unfortunately the more progress Stella makes the more fears she must confront With a neighbor in peril and the futures of her beloved grandchildren at risk Stella must somehow set everything straight and bring a cunning criminal to justice before December 25th      **Fatal Reunion** David Saperstein, 1987      Killer Gourmet G. A. McKevett, 2016 Plus sized P I Savannah Reid and her pals at the Moonlight Magnolia Detective Agency know a thing or two about fine dining But when murder shows up on the menu it s time to go back to the kitchen When the Moonlight Magnolia gang learns their friends Ryan Stone and John Gibson are planning to open a chic new restaurant they eagerly offer their input on everything But all Ryan and John can think about is how excited they are to have hired the temperamental but talented chef Baldwin Norwood Too bad the only thing being sliced and diced in the kitchen is the chef himself As Savannah turns her attention from munchies to murder she quickly realizes the cantankerous

chef left a bad taste in everyone's mouth Now Savannah has her work cut out for her and just when she thinks there couldn't be any more suspects she uncovers a plot more precarious than a perfect soufflé **Murder at Mabel's Motel** G. A. McKeveit,2021-11-30 Stella Granny Reid's youth wasn't the only thing changed by time in tiny nondescript McGill Georgia Except even back in the 1980s the Southern town still had a way of attracting downright dubious characters some with a talent for murder As quirky as McGill's residents can be they usually welcome society's oddballs and outcasts into the community with open arms But the three members of the Lone White Wolf Pack are a different story Townsfolk aren't feeling the least bit neighborly toward the gang widely believed to have orchestrated several hate crimes in the area When the group's leader Billy Ray Sonner is found dead in an abandoned motel most assume it was the result of an accidental overdose An unfortunate yet predictable end for a man who lived the way Billy did Only Stella and the sheriff have witnessed the crime scene in person and suspect something more disturbing happened in that ramshackle room While Stella wades through a flood of potential culprits one thing becomes clear this wasn't an impulsive act of revenge There's a sophisticated killer on the loose and Stella must expose deep rooted fears and dark pasts if she wants to crack a carefully planned murder and stop McGill from descending into chaos **Murder in the Corn Maze** G. A. McKeveit,2020-08-25 The roots of the Moonlight

Magnolia Detective Agency reach back to the 1980s in the little town of McGill Georgia where Stella Reid and her seven grandkids enjoy some spooky Halloween fun and stumble into murder Even if she has to stick to a budget Stella Reid always makes holidays like Halloween memorable for twelve year old Savannah and the rest of her grandchildren After joining trick or treating and the annual parade down Main Street Granny Reid and the kids head to Judge Patterson's antebellum mansion where a corn maze awaits Most of the youngsters are too terrified to make it all the way to the middle It's lucky for them because when Savannah and Granny get there it proves to be even scarier than they expected half buried in the mud at the center of the maze lies a human skull The grisly discovery uncovers a mystery that stretches back decades and seems to be related to the long unsolved murder of Granny Reid's own part Cherokee mother After all this time the culprit may be long gone or still hiding among them It'll be up to Granny to dig into this Southern town's history and a mess of old family secrets

**Fatal Flowers** Jess Dylan,2022-05-24 Fatal Flowers is the third in a colorful cozy mystery series from Jess Dylan set in the Flower House where you're as likely to find a killer as a chrysanthemum As Aerieville Tennessee's Flower House finally gains in popularity Sierra Ravenswood finds herself feeling ready for new challenges Luckily the shop has grabbed the attention of the mayor's daughter and bride to be Marissa Lakely Sierra is thrilled and nervous to land her most important job yet providing flowers for the biggest wedding Aerieville has ever seen Fortunately Marissa bucks all stereotypes and is far from a bridezilla but her wedding planner Taz Banyan has apparently taken on the role for himself He's uptight intense and a little intimidating But Taz aside everything seems to be under control until Sierra makes a startling discovery in the great room the wedding planner lying in a heap at the bottom of the stairs in very bad shape In fact he survives only long

enough to mutter It was the snake As Granny Mae would say seeing a snake is rarely a good sign and this was clearly no exception With the town on edge and the wedding up in the air Sierra refuses to stop asking questions in her determination to put an end to this latest danger so both Aerievile and the Flower House can flourish once more **Bitter Brew** G. A. McKevett,2019-04-30 When good intentions pull her into a toxic murder case P I Savannah Reid s days as San Carmelita s most full figured detective might be running out Savannah is shaken to the core when coroner Dr Jennifer Liu appears on her doorstep late one night and admits to fudging an autopsy report to keep her friend Brianne s suicide a secret fulfilling a final promise made before the terminally ill woman administered a lethal drug cocktail But after Dr Liu finds the same unique mixture in a second body she fears the deaths share a dark connection Apprehensive about concealing a felony Savannah and the Moonlight Magnolia Detective Agency launch a discreet investigation into Brianne s rare condition and the deadly concoction linking the two bodies As chilling evidence points to an undeniable case of double murder Savannah only hopes that like Dr Liu her desire to help a friend won t put her reputation at risk or worse land her on the next slab Murder Most Grave G. A. McKevett,2023-08-22 For Stella Granny Reid the 1980s in McGill Georgia could be seriously predictable But a deadly mystery was all it took to make the tranquil Southern town unravel With a new grandbaby to care for at home Stella has little time to spare Her hands are especially full since Savannah her teenage granddaughter developed a crush on a boy guaranteed to break her heart Gallivanting around with her best pal Sheriff Manny Goldford simply isn t an option until a freshly murdered body is discovered When a gravedigger finds a local sprawled across the steps of a crypt Stella and Manny launch into action to investigate who had motive to kill him But as the pieces start falling together everything else becomes less certain Manny soon realizes he could lose his position as sheriff and there s the case of yet another shocking death Now Stella must protect those closest to her while unearthing the dangerous culprit and putting a real grave affair to rest Me and the Grandmas of Baghdad Martha Stephens,2015-02-19 An accomplished writer and ardent activist Martha Stephens has never been afraid to ruffle feathers whether it s marching with Occupy protests or exposing an unethical human radiation study Her memoir Me and the Grandmas of Baghdad is an examination of the human spirit and a meditation on the many injustices of the world Her prose will take you from her girlhood in Waycross Georgia to her garden in Cincinnati Ohio and her winters spent in Las Cruces New Mexico But no matter where this grandma roams she is always thinking writing and reflecting on how her life is so different and yet not so different from those of the grandmas of Baghdad Martha Stephens is a professor emerita of the University of Cincinnati s English department and the author of Cast a Wistful Eye Children of the World Women and Men and the Spaces In Between and The Treatment The Story of Those Who Died in the Cincinnati Radiation Tests A Few Drops of Bitters G. A. McKevett,2022-09-27 In the final installment of the long running mystery series starring plus sized Southern PI Savannah Reid an upscale party ends with murder drawing clues from famous guests may prove trickier than squeezing into an old pair of skinny jeans FINAL INSTALLMENT IN LONG RUNNING
