**Valentine M. Moghadam**

## **Grassroots Womens Organizations:**

*Democratization and Women's Grassroots Movements* Jill M. Bystydzienski, Joti Sekhon, 1999-07-22 The book illustrates how community based actions programs and organizations that allow women to determine their lives and participate in decision making contribute to the creation of a civil society and thus enhance democracy The case studies show how participation in grassroots movements promotes women s involvement in their organizations communities and in societal institutions as it influences state policy and empowers women in personal relationships Feminist Organizations Myra Marx Ferree, Patricia Yancey Martin, 1995-02 Twenty six original essays look at contemporary feminist organizations

Women's Organizations and Democracy in South Africa Shireen Hassim, 2006-06-26 The transition to democracy in South Africa was one of the defining events in twentieth century political history The South African women s movement is one of the most celebrated on the African continent Shireen Hassim examines interactions between the two as she explores the gendered nature of liberation and regime change Her work reveals how women s political organizations both shaped and were shaped by the broader democratic movement Alternately asserting their political independence and giving precedence to the democratic movement as a whole women activists proved flexible and remarkably successful in influencing policy At the same time their feminism was profoundly shaped by the context of democratic and nationalist ideologies In reading the last twenty five years of South African history through a feminist framework Hassim offers fresh insights into the interactions between civil society political parties and the state Hassim boldly confronts sensitive issues such as the tensions between autonomy and political dependency in feminists engagement with the African National Congress ANC and other democratic movements and black white relations within women s organizations She offers a historically informed discussion of the challenges facing feminist activists during a time of nationalist struggle and democratization Winner Victoria Schuck Award for best book on women and politics American Political Science Association An exceptional study based on extensive research Highly recommended Choice A rich history of women s organizations in South African Hassim had observed at first hand and often participated in much of what she described She had access to the informants and private archives that so enliven the narrative and enrich the analysis She provides a finely balanced assessment Gretchen Bauer African Studies Review **The Power of Women's Organizing** Mangala Subramaniam, 2006-01-01 The Power of Women s Organizing is a remarkable work that offers a glimpse into the women s movement outside the United States Author Mangala Subramaniam addresses the mobilizing and organizing of the Indian women s movement in the larger context of globalization and the national social fabric She draws attention to the emergence of multiple interests based on class caste religion and geographic differences Uniquely featuring the integration of rural women s experiences and a case study of the dalit women s challenges this expert work examines the women s movement in India since the 1970s its growth and the tensions resulting from the representation of varied interests Women s experiences outside of the West are a fruitful new source of understanding the women s

movement and will be of interest to scholars of women's studies and sociology      **Organizing Women** Dawn Chatty, Annika Rabo, 2020-08-20 With the creation of the modern nation state in the Middle East and North Africa women have been and continue to be manipulated to represent a cultural ideal of perfect womanhood This is often greatly at odds with the realities of women's lives and aspirations However individual women through careful manipulation of gender relations often succeed in casting aside the culturally accepted bonds which diminish their lives Even so women in groups are deemed unacceptable unless they conform to state mandates In many countries in the Middle East women are only legally permitted to form groups which are charitable organizations concerned with the welfare of the disabled or the handicapped Clearly women in groups are perceived as a threat by the state This challenging book examines the nature of the relationship between both women and the state and men and the state It presents a balanced mix of theoretical and empirical research which analyzes both the formal and informal ways in which women have organized themselves and been organized in Arab society

*Non-Governmental Organizations in Contemporary China* Qiusha Ma, 2005-11-16 Based on documentary materials including interviews with key players in China this book charts the development of non governmental and non profit organizations in China from the late 1970s to the present day It recounts how in the aftermath of the 1978 reforms that created a market economy and diversified interests and social life new institutions and organizations outside of the state system increased dramatically in number size and influence These organizations which barely existed before the reforms began in the late 1970s carry out many social economic and cultural tasks neglected by the government Qiusha Ma examines two key questions crucial to understanding the development of NGOs in China First is it possible under China's one party state for non governmental organizations to thrive and play important economic social and political functions And secondly are NGOs facilitating the formation of a civil society in China      **Matters of Spirit** F. Scott Scribner, 2010-01-01 Hundreds of buildings thousands of people countless stories there's always more to learn about Penn State no matter how much time you've spent there This Is Penn State An Insider's Guide to the University Park Campus will enlighten anyone with an interest in the University from visiting parents to lifelong State College residents This Is Penn State documents the rich history beneath the surface of the Penn State experience offering facts and figures essays and anecdotes obscure trivia notable quotations and a wealth of other information about Penn State's past present and future Forty of the University's most prominent buildings and areas are highlighted accompanied by more than 120 illustrations ranging from historical photographs to architectural sketches of buildings not yet completed Essays by veteran Penn Staters Leon Stout Craig Zabel and Gabriel Welsch cover Penn State's history architecture and changing physical landscape And when you want to get outside and see the campus firsthand This Is Penn State is your guidebook to University Park The four detailed maps take you on a west to east walking tour of Penn State's buildings allowing you to understand the development of each area of campus Over the last 150 years Penn State has been devoted to scholarship research and community service In honor of the

University's sesquicentennial and in celebration of the Press's fiftieth anniversary the Penn State Press is proud to offer This Is Penn State as its gift to everyone who feels a connection with dear old State

**Routledge International Encyclopedia of Women** Cheris Kramarae, Dale Spender, 2004-04-16 For a full list of entries and contributors sample entries and more visit the Routledge International Encyclopedia of Women website Featuring comprehensive global coverage of women's issues and concerns from violence and sexuality to feminist theory the Routledge International Encyclopedia of Women brings the field into the new millennium In over 900 signed A-Z entries from US and Europe Asia the Americas Oceania and the Middle East the women who pioneered the field from its inception collaborate with the new scholars who are shaping the future of women's studies to create the new standard work for anyone who needs information on women related subjects

**Women, Activism and Social Change** Maja Mikula, 2006-01-16 Throughout history women have participated in and sometimes initiated rebellions to defend the welfare of their family community class race or ethnic group This volume presents original research on women's activism in Asia Europe Australia and Latin America It explores how women have advanced social change and their influence on and response to existing transformations in society Using an interdisciplinary approach the authors examine women's activities and conditions in diverse social and political contexts from revolutionary societies to status quo societies to societies in decline With its primary focus on agency and social change this book deconstructs patriarchal discourses and unearths aspects of female agency in an array of cultural historical and geopolitical contexts Chapters on movements in China Japan Australia Croatia Russia and a range of other countries both contribute to our understanding of change in those societies and seek to locate women at the center of politically aware movements Although not exclusively a book about feminist activism this essential collection is motivated by the feminist desire to restore to history a range of women's experiences This book introduces new ways of thinking across boundaries identities and complexities in a still essentially patriarchal world It will be of great interest to students and researchers in the fields of gender studies activism and comparative politics

**Women's Contributions to Development in West Africa** Kelly Ann Krawczyk, Bridgett A. King, 2023-02-28 This book examines women's participation in social economic and political development in West Africa The book looks at women from the premise of being active agents in the development processes within their communities thereby subverting the dominate narrative of women as passive recipients of development

**The History of the Contemporary Grassroots Women's Movement in Northwest Arkansas, 1970-2000** Allyn Lord, Anna M. Zajicek, 2000

**Changing the Terms of the Discourse: Gender, Equality and the Indian State** CWDS, 2011 Changing the Terms of the Discourse Gender Equality and the Indian State recognizes the need to archive women's voices roles and contributions in a largely male dominated national history The volume not only documents but also analyses the evolution of ideas and strategies and the concrete measures that were taken to shape policies and programmes for women's equality in India

*Battered Women and Their Families* Albert R. Roberts DSW, PhD, BCETS, DACFE, 2007-01-18 With a foreword by

Barbara W White PhD University of Texas at Austin The definitive work on battered women is now in a timely third edition Considered the complete in depth guide to effective interventions for this pervasive social disease Battered Women and Their Families has been updated to include new case studies cultural perspectives and assessment protocols In an area of counseling that cannot receive enough attention Dr Robert s work stands out as an essential treatment tool for all clinical social workers nurses physicians and graduate students who work with battered women on a daily basis New chapters on same sex violence working with children in shelters immigrant women affected by domestic violence and elder mistreatment round out this unbiased multicultural look at treatment programs for battered women

**Empowerment of Rural Women in Developing Countries** T. Haque,2015-01-01 This book contains papers presented in an International Conference Jointly organised by the Council for Social Development and All India Women s Conference New Delhi on September 2 3 2013

Besides some papers were especially commissioned for this volume The contributors are internationally known experts who have done extensive research and advocacy in the field of empowerment of women The book basically addresses the challenges and pathways for empowerment of rural women in developing countries

Intersecting Inequalities Jelke Boesten,2010 Examines how food aid population policies and policy against domestic violence reflected and reproduced existing inequalities based on race class and gender in 1990s Peru Provided by publisher

**Tectonic Shifts** Mark Schuller,Pablo Morales,2012 The 7 0 magnitude earthquake that hit Haiti s capital on January 12 2010 will be remembered as one of the world s deadliest disasters The earthquake was a tragedy that gripped the nation and the world But as a disaster it also magnified the social ills that have beset this island nation that sits squarely in the United States diplomatic and geopolitical shadow The quake exposed centuries of underdevelopment misguided economic policies and foreign aid interventions that have contributed to rampant inequality and social exclusion in Haiti Tectonic Shiftsoffers a diverse on the ground set of perspectives about Haiti s cataclysmic earthquake and the aftermath that left more than 1 5 million individuals homeless Following a critical analysis of Haiti s heightened vulnerability as a result of centuries of foreign policy and most recently neoliberal economic policies this book addresses a range of contemporary realities foreign impositions and political changes that occurred during the relief and reconstruction periods Analysis of these realities offers tools for engaged principled reflection and action Essays by scholars journalists activists and Haitians still on the island and those in the Diaspora highlight the many struggles that the Haitian people face today providing lessons not only for those impacted and involved in relief but for people engaged in struggles for justice and transformation in other parts of the world

**Women's Movements in the Global Era** Amrita Basu,2018-05-15 This book provides a path breaking study of the genesis growth gains and dilemmas of women s movements in countries throughout the world Its focus is on the global South where women s movements have engaged in complex negotiations with national and international forces It challenges widely held assumptions about the Western origins and character of local feminisms The authors locate women s movements within the

terrain from which they emerged by exploring their relationships with the state civil society and other social movements This fully revised second edition contains six new chapters by leading scholars of women and gender studies on both individual countries and on several major regions of the world Europe Africa Latin America and the Maghreb This balanced coverage enables readers to identify regional patterns and also learn from in depth case studies Women s Movements in the Global Era is essential reading for anyone interested in the global scope and implications of feminism

*Civil Society and the Aid Industry* Alison Van Rooy, 2020-04-14 This book is valuable for and beyond the international development industry It deftly leads a non specialist through the maze of ideas and arguments plaguing the concept of civil society and critically examines how and what happens when the international aid system tries to turn confusing and complex political theory into effective development policy and practice fitting the individual preconditions and historical trajectories of the worlds varied nations The comparative evidence analysis and recommendations on offer are essential reading for anyone attempting to understand or build someone else s as well as their own civil society especially when justifying the use of tax payers money to do so

ALAN FOWLER CO FOUNDER INTRAC This book will be really useful to numerous readers 011 a subject becoming ever more topical in the world of development and beyond It puts order into the deeply confused debate about civil society describes what the aid donors are doing to pursue their new goals offers four penetrating case studies and concludes with sensible suggestions for future policy The authors have made a practical and lucid assessment of the huge civil society literature they have also contributed valuably to it and deserve to be listened to

PROFESSOR ROBERT CASSEN LONDON SCHOOL OF ECONOMICS Northern governments and NGOs are increasingly convinced that civil society will enable people in developing countries to escape the poverty trap Civil Society and the Aid Industry the product of extensive research by the prestigious North South Institute in Canada makes a critical appraisal of this new emphasis in the aid industry It explores the roles of Northern governmental multilateral and non governmental agencies in supporting civil society presenting in depth case studies of projects in Peru Kenya Sri Lanka and Hungary and gives detailed policy recommendations intended to improve the effectiveness and appropriateness of future projects Originally published in 1998

*Globalizing Women* Valentine M. Moghadam, 2005-02-16 Winner of the Victoria Schuck award given by the American Political Science Association and an Honorable Mention in the Distinguished Book Award given by the Political Economy of World Systems section of the American Sociological Association Globalization may offer modern feminism its greatest opportunity and greatest challenge Allowing communication and information exchange while also exacerbating economic and social inequalities globalization has fostered the growth of transnational feminist networks TFNs These groups have used the Internet to build coalitions lobby governments and advance the goals of feminism Globalizing Women explains how the negative and positive aspects of globalization have helped to create transnational networks of activists and organizations with common agendas Sociologist Valentine M Moghadam discusses six such feminist networks to analyze the organization

objectives programs and outcomes of these groups in their effort to improve conditions for women throughout the world Moghadam also examines how globalizing women are responding to and resisting growing inequalities the exploitation of female labor and patriarchal fundamentalisms This book is an important addition to literature exploring feminism as well as to the broader discussion of the impact of transnational social movements and organizations in the globalized world

Cutting the Rose: Female Genital Mutilation - The Practice and Its Prevention Efua Dorkenoo, 1994-01-01 Only from such models is it fully possible to explore such issues as the rights of women and of children of the part which the well being of women plays in the health of a nation and also the strengths and weaknesses of the various international campaigns on the subject
