

The background of the cover is a watercolor illustration. It depicts a landscape with rolling hills in shades of tan and brown. The foreground is a dark, textured area, possibly a field or a path, covered with many small, brown, leaf-like shapes. A small, white, winged figure is sitting on the right side of the foreground. The sky is a pale, warm tone with soft, white clouds. The title 'GRATEFULLY Yours.' is written in a dark brown, elegant script font, with 'GRATEFULLY' in all caps and 'Yours.' in a cursive style. The word 'Yours.' is significantly larger and more stylized than 'GRATEFULLY'.

Practical English Grammar and Correspondence ,1889 **NLM Newslines** ,1997 Annual Report of the United States Life-Saving Service United States. Life-Saving Service,1908 **Monthly Catalog of United States Government Publications** ,1999 *Memorials of Harriet Martineau by Maria Weston Chapman* Deborah Anna Logan,2015-11-25

Memorials of Harriet Martineau by Maria Weston Chapman was published in 1877 as volume three of *Harriet Martineau's Autobiography*. While the triple decker was a popular format of the era the configuration of a two volume autobiography authored by one and a one volume biography written by another is unusual. Indeed the work's publishing history reveals that in reissues of the *Autobiography* the *Memorials* volume was not reproduced while some might claim that the problem is with the editor American abolitionist Chapman rather than the contents the fact remains that the bulk of the volume consists of primary materials written by Martineau that are available nowhere else published or archival. Chapman's participation in the project was originally conceived as supplemental in the event that the ailing Martineau did not live long enough to complete her memoirs as it happened Martineau who finished the two volumes and had them privately printed in 1855 lived another twenty one years. Whereas the *Autobiography* records what Martineau called the interior life or subjective perspective on her career Chapman's volume addressed the exterior by offering a biographical overview of her friend's life and work a record of her last decades and a collection of posthumous memorials by those with whom her private and public lives intersected. Chapman's role was to take up the parallel thread of her exterior life to gather up and co ordinate from the materials placed in my hands the illustrative facts and fragments by her omitted or forgotten and to show what no mind can see for itself the effect of its own personality on the world. This volume is the first scholarly edition of the *Memorials* a biography of one of the foremost intellectual women of the nineteenth century told primarily in her own words □□□□□□□□ ,2005 21 *The NLM Technical Bulletin* ,1995 The Works of John Ruskin John Ruskin,1904 *The Works of John Ruskin: The cestus of Aglaia and The Queen of the air, 1860-1870* John Ruskin,1905 Volume 1 35 works Volume 36 37 letters Volume 38 provides an extensive bibliography of Ruskin's writings and a catalogue of his drawings with corrections to earlier volumes in George Allen's Library Edition of the Works of John Ruskin Volume 39 general index **The Works of John Ruskin: Academy notes.
