know what's going on only to be taken hostage by the same people who released the little girl But his abductors are little more than children themselves Ranging in ages from 12 to 19 Mark's abductors are in the process of escaping from a sadistic pedophile known to them only as Grendel a man whose practices include torture and mutilation specifically mutilation of the face Mark's abductors have all been mutilated by Grendel who may be very close behind them and need someone with a normal face to help them carry out their plan for justice and returning home For the next few days Mark will come to understand not only the inhuman horror that these children have suffered but how they eventually learned to fight back and how they discovered that Grendel and his practices are at the center of a very complex network catering to those who tastes run toward the molestation and mutilation of children *Prodigal Blues* is perhaps Braunbeck's most suspenseful and emotionally powerful work to date a story of suffering depravity redemption and in the end the individual's compassion for his or her fellow human beings that can lead some people to finding reserves of courage and determination they never thought they possessed Terrifying suspenseful sometimes surprisingly funny and ultimately moving *Prodigal Blues* is quintessential Braunbeck *The Collected Stories of Eudora Welty* Eudora Welty,1980 Stories as good in themselves and as influential on the aspirations of others as any since Hemingway's These stories are honest and vastly entertaining

Braunbeck,2011-07-05 Everything changed for Gil Stewart on the day he saw the old man die Gil had witnessed the bizarre accident on the highway and stopped to help The old man couldn t be saved but just before he died he clutched Gil s shirt and whispered a warning The Keepers are coming That was when Gil s nightmare began At first he thought it was merely odd a series of weird coincidences Household pets started acting strangely Zoo animals escaped But now he can see a pattern emerging a chilling reminder from a past that he can t or won t remember As the true horror becomes clear and terror builds upon terror Gil can only await the coming of the Keepers *American Architect* ,1882 *American Architect and Building News* ,1882 *The Westerner* ,1910
