## Gray Days Gold A Character Sketch Of:

*Gray days and gold. Author's ed* William Winter, 1891      *Gray Days and Gold in England and Scotland* William Winter, 1892      **Ghost Ship** Brian Hicks, 2005-06-28 On December 4th 1872 a 100 foot brigantine was discovered drifting through the North Atlantic without a soul on board Not a sign of struggle not a shred of damage no ransacked cargo and not a trace of the captain his wife and daughter or the crew What happened on board the ghost ship Mary Celeste has baffled and tantalized the world for 130 years In his stunning new book award winning journalist Brian Hicks plumbs the depths of this fabled nautical mystery and finally uncovers the truth The Mary Celeste was cursed as soon as she was launched on the Bay of Fundy in the spring of 1861 Her first captain died before completing the maiden voyage In London she accidentally rammed and sank an English brig Later she was abandoned after a storm drove her ashore at Cape Breton But somehow the ship was recovered and refitted and in the autumn of 1872 she fell to the reluctant command of a seasoned mariner named Benjamin Spooner Briggs It was Briggs who was at the helm when the Mary Celeste sailed into history In Brian Hicks s skilled hands the story of the Mary Celeste becomes the quintessential tale of men lost at sea Hicks vividly recreates the events leading up to the crew s disappearance and then unfolds the complicated and bizarre aftermath the dark suspicions that fell on the officers of the ship that intercepted her the farcical Admiralty Court salvage hearing in Gibraltar the wild myths that circulated after Sir Arthur Conan Doyle published a thinly disguised short story sensationalizing the mystery Everything from a voodoo curse to an alien abduction has been hauled out to explain the fate of the Mary Celeste But as Brian Hicks reveals the truth is actually grounded in the combined tragedies of human error and bad luck The story of the Mary Celeste acquired yet another twist in 2001 when a team of divers funded by novelist Clive Cussler located the wreck in a coral reef off Haiti Written with the suspense of a thriller and the vivid accuracy of the best popular history **Ghost Ship** tells the unforgettable true story of the most famous and most fascinating maritime mystery of all time      **The Chautauquan**, 1911      *The Rest I Will Kill: William Tillman and the Unforgettable Story of How a Free Black Man Refused to Become a Slave* Brian McGinty, 2016-08-16 A surprising work of narrative history and detection that illuminates one of the most daring and long forgotten heroes of the Civil War Independence Day 1861 The schooner S J Waring sets sail from New York on a routine voyage to South America Seventeen days later it limps back into New York s frenzied harbor with the ship s black steward William Tillman at the helm While the story of that ill fated voyage is one of the most harrowing tales of captivity and survival on the high seas it has almost unbelievably been lost to history Now reclaiming Tillman as the real American hero he was historian Brian McGinty dramatically returns readers to that riotous explosive summer of 1861 when the country was tearing apart at the seams and the Union army was in near shambles following a humiliating defeat at the First Battle of Bull Run Desperate for good news the North was soon riveted by reports of an incident that occurred a few hundred miles off the coast of New York where the Waring had been overtaken by a marauding crew of Confederate privateers While the white

sailors became chummy with their Southern captors free black man William Tillman was perfectly aware of the fate that awaited him in the ruthless slave filled ports south of the Mason Dixon Line Stealthily biding his time until a moonlit night nine days after the capture Tillman single handedly killed three officers of the privateer crew then took the wheel and pointed it home Yet with no experience as a navigator only one other helper and a war torn Atlantic seaboard to contend with his struggle had just begun It took five perilous days at sea all thrillingly recounted here before the Waring returned to New York Harbor where the story of Tillman s shipboard courage became such a tabloid sensation that he was not only put on the bill of Barnum s American Museum but also proclaimed to be the first hero of the Civil War As McGinty evocatively shows however in the horrors of the war then engulfing the nation memories of his heroism even of his identity were all but lost to history As such *The Rest I Will Kill* becomes a thrilling and historically significant work as well as an extraordinary journey that recounts how a free black man was able to defy efforts to make him a slave and become an unlikely glimmer of hope for a disheartened Union army in the war battered North **The Chautauquan** Theodore L. Flood, Frank Chapin Bray, 1911

Character Sketches of Romance, Fiction and the Drama Ebenezer Cobham Brewer, 2004-03 Originally published in 1892 the object of this Handbook is to supply readers and speakers with a lucid but very brief account of such names as are used in allusions and references whether by poets or prose writers to furnish those who consult it with the plot of popular dramas the story of epic poems and the outline of well known tales The number of dramatic plots sketched out is many hundreds Another striking and interesting feature of the book is the revelation of the source from which dramatists and romancers have derived their stories and the strange repetitions of historic incidents It has been borne in mind throughout that it is not enough to state a fact It must be stated attractively and the character described must be drawn characteristically if the reader is to appreciate it and feel an interest in what he reads This work an American reprint of *The Reader s Handbook* by E Cobham Brewer while retaining all of the original material that can interest and aid the English speaking student gives also characters and sketches found in American novels poetry and drama *Pennsylvania School Journal* ,1914 *Catalog of Copyright Entries. Third Series* Library of Congress. Copyright Office, 1970 **The Wagner Collection of Business and Corporate History, Formed Thru 1986** ,1987 **From gold to grey, poems** Mary Dow Brine, 1886 *Book Reviews* ,1895 *The Critic* ,1892 **The Nation** ,1892 **Marine Digest** ,1967 *Bulletin of the Medford Public Library* Medford Public Library (Medford, Mass.), 1901 **The Literary World** ,1874 *Education* ,1914 Book News Monthly ,1894 The Book Buyer ,1896
