Great Ballet Stars in Historic Photographs Parmenia Migel, 1985 **Technical Manual and Dictionary of Classical Ballet** Gail Grant, 1982-01-01 Gail Grant's Technical Manual has long been one of the most popular and effective ballet reference guides Completely revised and updated this third edition is virtually a new work and should be owned by every student teacher choreographer and ballet enthusiast even those who purchased the second edition Extensive revision expansion and the inclusion of more than 300 new terms have added immeasurably the value of this concise definitive manual **Dance and Dancers**, 1990 **Photographer's Forum**, 1984 *Dance Sources, UCLA Libraries and Archives*, 1991 *Musical Standard*, 1914 Contesting Bodies and Nation in Canadian History Patrizia Gentile, Jane Nicholas, 2013-12-06 From fur coats to nude paintings and from sports to beauty contests the body has been central to the literal and figurative fashioning of ourselves as individuals and as a nation In this first collection on the history of the body in Canada an interdisciplinary group of scholars explores the multiple ways the body has served as a site of contestation in Canadian history in the nineteenth and twentieth centuries Showcasing a variety of methodological approaches *Contesting Bodies and Nation in Canadian History* includes essays on many themes that engage with the larger historical relationship between the body and nation medicine and health fashion and consumer culture citizenship and work and more The contributors reflect on the intersections of bodies with the concept of nationhood as well as how understandings of the body are historically contingent The volume is capped off with a critical introductory chapter by the editors on the history of bodies and the development of the body as a category of analysis **Billboard Music Week**, 1928 *Motion Picture Herald*, 1927 *Austrian Information*, 1994 Dance as a Theatre Art Selma Jeanne Cohen, Katy Matheson, 1992 A living history of dance through the writings of its greatest innovators Star Names Richard Hinckley Allen, 1963-01-01 Ancient observations and folklore provide the basis for an exploration of astronomical nomenclature Star Names Richard H. Allen, 2013-02-28 Star names the zodiac constellations folklore and literature associated with heavens Based on years of thorough research into astronomical writings and observations of the ancient Chinese Arabic Euphrates Hellenic and Roman civilizations Star Lore William Tyler Olcott, 2012-05-11 Captivating retellings of the origins and histories of ancient star groups include Pegasus Ursa Major Pleiades signs of the zodiac and other constellations Classic Sky Telescope 58 illustrations **The Oxford Encyclopedia of Women in World History** Bonnie G. Smith, 2008 The Encyclopedia of Women in World History captures the experiences of women throughout world history in a comprehensive 4 volume work Although there has been extensive research on women in history by region no text or reference work has comprehensively covered the role women have played throughout world history The past thirty years have seen an explosion of research and effort to present the experiences and contributions of women not only in the Western world but across the globe Historians have investigated women's daily lives in virtually every region and have researched the leadership roles women have filled

across time and region They have found and demonstrated that there is virtually no historical social or demographic change in which women have not been involved and by which their lives have not been affected The Oxford Encyclopedia of Women in World History benefits greatly from these efforts and experiences and illuminates how women worldwide have influenced and been influenced by these historical social and demographic changes The Encyclopedia contains over 1 250 signed articles arranged in an A Z format for ease of use The entries cover six main areas biographies geography and history comparative culture and society including adoption abortion performing arts organizations and movements such as the Egyptian Uprising and the Paris Commune womens and gender studies and topics in world history that include slave trade globalization and disease With its rich and insightful entries by leading scholars and experts this reference work is sure to be a valued go to resource for scholars college and high school students and general readers alike

Images Performing History Katarzyna Ruchel-Stockmans,2015-09-18 The operative role of the photographic media in making and remaking history History is increasingly made in images not only because its records are largely photographic but also because our ideas about the past are formed in visual terms This book offers a discussion of contemporary art practices which question the received notions of historical representations after the pivotal changes of 1989 in Europe These art practices reveal in different ways the operative role of the photographic media in making and remaking history Not limited to a particular artistic medium they demonstrate how history is forged through enacting or re enacting its past forms while on the other hand they indicate how copying and quoting can contribute to creating a new operative aesthetics By foregrounding a performative character of images art is shown to construct an alternative knowledge of the past Among others the works of the following artists are discussed in this book Zofia Kulik Yael Bartana Harun Farocki and Andrej Ujic Luc Tuymans Dierk Schmidt

Dance History Janet Adshead-Lansdale,June Layson,2006-05-18 Originally published in 1983 the first edition rapidly established itself as a core student text Now fully revised and up dated it remains the only book to address the rationale process techniques and methodologies specific to the study of dance history For the main body of the text which covers historical studies of dance in its traditional and performance contexts the editors have brought together a team of internationally known dance historians Roger Copeland and Deborah Jowitt each take a controversial look at the modern American dance Kenneth Archer and Millicent Hodson explain the processes they use when reconstructing lost ballets and Theresa Buckland and Georgina Gore write on traditional dance in England and West Africa respectively With other contributions on social dance ballet early European modern dance and feminist perspectives on dance history this book offers a multitude of starting points for studying dance history as well as presenting examples of dance writing at its very best Dance History will be an essential purchase for all students of dance
