Great American Masquerade

Charles Leroy Edson

Great American Masquerade:

The Great American Masquerade Harold Lowther Beaver, 1985 American culture by definition lacked a coherent identity The new found man was necessarily initiated into an intricate masquerade whose postures often seemed grotesque in comparison to the more staid contentions of transatlantic visitors The carnival tradition of America asserts the author of this volume insists on an inexhaustible play of mobility transformation and fun Such masks may be festal masks of joyous regeneration or secretive masks hiding nothing but vacuum or dread The essays in this book explore that dichotomy

Great American Hypocrites Glenn Greenwald, 2008-04-15 A takedown of the GOP's deceitful propaganda machine from the blogger of Salon's Unclaimed Territory and the author of the New York Times bestsellers *How Would a Patriot Act* and *A Tragic Legacy* Ever since the cowboy image of Ronald Reagan was sold to Americans the Republican Party has used the same John Wayne imagery to support its candidates and take elections We all know how they govern but the right wing propaganda machine is very adept at hijacking debate and marketing their candidates as effectively as the Marlboro Man For example Myth The Republican nominee is an upstanding regular guy who shares the values of the common man Reality He divorced his first wife in order to marry a young multimillionaire heiress whose family then funded his political career Myth Republicans are strong on defense and will keep us safe Reality They prey on fears and their endless wars make America far less secure Myth Republicans are the party of fiscal restraint and small limited government Reality Soaring deficits unchecked presidential power and an increasingly invasive surveillance state are par for the course The first book to dissect the Republican Cult of Personality and leave it openly exposed in its unabashed shameful depravity *Great American Hypocrites* is a deeply necessary call out to Democrats to attack the GOP with their competitor's very own weapons Praise for *Great American Hypocrites* Intelligent insightful Daily Kos Glenn Greenwald has done it again Alan Colmes Glenn Greenwald is a treasure BuzzFlash

Scoffing at Scripture Frank Bolger Kelly, 2011-02 A former Roman Catholic Frank Bolger Kelly has long wondered why thinking humans as a whole in the 21st century have not yet been able to disenthral themselves from the demonstrable falsehoods and sectarian nonsense of organized religion A few years ago Kelly decided to sit down with the sacred scriptures of several of the world's major religions the alleged bedrocks of these various creeds in a last ditch effort to achieve holy inspiration Instead he became wholly disenchanted and Scoffing at Scripture A Commoner Reads the World's Holy Writ and Rejects Traditional Religion is the result Far from representing that all elusive Word of God creedal scripture the world over it seems to Kelly merely cloaks the tribal agendas and cultural designs of the world's priestly and virtually allmale elites With the general reader in mind the author has grouped together a series of compact discussions of religion and scripture for cross cultural comparative reference Kelly's intent is to facilitate critical analysis of the world's holy writ and in particular to encourage younger skeptical readers of a secular mind to confront the doctrinal scriptural and ritual absurdities of those faiths into which they were born and continue to be indoctrinated Frank Bolger Kelly grew up in an Irish Catholic family in the Bronx New York matriculated to a noted Jesuit college in New England and subsequently did time at a prestigious non sectarian institution of higher learning in the Midwest It was during his enlightening time at the latter that Kelly first began seriously to question not only his own religious upbringing but the scriptural bases of all the world's major religions Kelly was quickly convinced that the vast majority of the faithful the world over commoners like himself just might reconsider their religious roots and motivations in a new light if they actually bothered to immerse themselves for a time in their own sacred scriptures rather than merely fake familiarity with them Actually to read scripture in all its antiquated tendentious sectarian absurdity Kelly reasoned is to take a first giant step in renouncing irrational creeds of all kinds Thus was born Scoffing at Scripture A Commoner Reads the World's Holy Writ and Rejects Traditional Religion a book from which the author hopes the open minded reader will draw a secularly pure spiritual sustenance
