Lancefield, Bret Woods, 2019-09-09 The Oxford Handbook of Musical Repatriation is a significant edited volume that critically explores issues surrounding musical repatriation chiefly of recordings from audiovisual archives The Handbook provides a dynamic and richly layered collection of stories and critical questions for anyone engaged or interested in repatriation or archival work Repatriation often is overtly guided by an ethical mandate to return something to where it belongs by such means as working to provide reconnection and Indigenous control and access to cultural materials Essential as these mandates can be this remarkable volume reveals dimensions to repatriation beyond those which can be understood as simple acts of giving back or returning an archive to its homeland Musical repatriation can entail subjective

negotiations involving living subjects intangible elements of cultural heritage and complex histories situated in intersecting webs of power relations and manifold other contexts The forty eight expert authors of this book s thirty eight chapters engage with multifaceted aspects of musical repatriation situating it as a concept encompassing widely ranging modes of cultural work that can be both profoundly interdisciplinary and embedded at the core of ethnographic and historical scholarship These authors explore a rich variety of these processes many streams making the volume a compelling space for critical analysis of musical repatriation and its wider significance The Handbook presents these chapters in a way that offers numerous emergent perspectives depending on one s chosen trajectory through the volume From retracing the paths of archived collections to exploring memory performance research goals institutional power curation preservation pedagogy and method media and transmission digital rights and access policy and privilege intellectual property ideology and the evolving institutional norms that have marked the preservation and ownership of musical archives The Oxford Handbook of Musical Repatriation addresses these key topics and more in a deep richly detailed and diverse exploration *Billboard*,1996-07-06 In its 114th year Billboard remains the world s premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends **Television in Transition** Shawn Shimpach,2010-02-05 Combining an exciting methodology alongside high interest casestudies Television in Transition offers studentsof television a guide to a medium that has weathered the challengesof first run syndication a multi channel universe netlets majormedia conglomerates deregulation and globalization all in the space of twenty years Examines a return in television programming to actionnarratives with individual super heroes intended to navigate thisnew international multi channel universe Explores how television programming translates to new spatialgeographies different nations cultures broadcast systems anddifferent formats distribution outlets and screen sizes Looks at the value of a program s afterlife the continuedcirculation repackaging and repurposing of programming beyond itsinitial iteration Blends institutional and textual analyses in casestudies of Highlander The Series Smallville 24 and Doctor Who **Elsewhere in Success** Iris Lavell,2013-07-01 A deceptively quiet story of suburban lives and second chances this book follows Harry and Louisa who are both in their second marriage Each harbors failure and pain from the first it seems that stasis is safest Each gets by on the minutiae rather than facing up to the shadows of violence loss and failure that still haunt them a life half lived is a life undisturbed Celebrating the beauty of the ordinary this novel asserts that hope and love can heal pain Bookseller and the Stationery Trades' Journal ,1886 **BUCKLEY, BATMAN & MYNDIE: Echoes of the Victorian culture-clash frontier** ,2021-01-01 Sounding 1 BEFORE 1840 The notes journals and characters of Aboriginal Protectors William Thomas and his Chief George Robinson form the backbone of this compilation With this ethnographic material we learn something of the Kulin worldview into this mostly white fella history Sounding 1 Before 1840 describes the initial British and European

disintegrates Government and private measures to tame the naked Melbourne natives culminated with the dawn Merri Creek round up in October 1840 of hundreds of Kulin by Major Lettsom's redcoats and townsmen. This appears as the death blow to tribal life and with the first shiploads of migrating British colonists arriving in 1841 near genocide for the Kulin, Mara Kurnai and Murray River first peoples.
