Great Basin Kingdom Revisited Contemporary Perspectives:

Great Basin Kingdom Revisited Thomas G. Alexander, 1991 This book frames questions about the direction of Mormon history poses issues about land use and settlement in the West explores the myths surrounding irrigation and reflects aspects of the Mormon Western experience Each of the contributors takes a fresh look at Leonard J Arrington's *Great Basin Kingdom* An Economic History of the Latter Day Saints 1830-1900 thirty years after the original publication of this influential work Essays by seven prominent scholars have been selected and each presents a critical evaluation of the impact of *Great Basin Kingdom* on their respective disciplines *Great Basin Kingdom* is explored from such diverse points of view as environmental studies literature sociology anthropology economics geography and history Book jacket **Great Basin Kingdom**

Revisited Thomas G. Alexander, 2014-05-13 This book poses issues about land use and settlement in the West explores the myths surrounding irrigation and reflects aspects of the Mormon Western experience *Great Basin Kingdom* Leonard J. Arrington, 2005 Leonard Arrington who died in 1999 is considered by most if not all serious scholars of Mormon and western history as the single most important figure to write on LDS history *Great Basin Kingdom* is perhaps his greatest work A classic in Mormon studies and western history *Great Basin Kingdom* offers insights into the underdeveloped American economy a comprehensive treatment of one of the few native American religious movements and detailed exciting stories from little known phases of Mormon and American history This edition includes thirty new photographs and an introduction by Ronald W Walker that provides a brief biography of Arrington as well as the history of the work its place in Mormon and western historiography and its lasting impact **The Oxford Handbook of Mormonism** Terryl Givens, Philip L.

Barlow, 2015 For this handbook Terryl Givens and Philip Barlow two leading scholars of Mormonism have brought together other top people in the field to construct a collection of essays that offers a comprehensive overview of scholarship on Mormons **Utah Historians and the Reconstruction of Western History** Gary Topping, 2003 Among historians of Utah and the American West few names have greater resonance than Bernard DeVoto Dale Morgan Juanita Brooks Wallace Stegner and Fawn Brodie Each of these writers made enduring contributions not only to our knowledge of the American West but also to our view of the region and its history In many ways their writing set the standard for scholarship and interpretation and their influence is still felt today Yet they were not flawless As Gary Topping explains in this the first comprehensive appraisal of their work each had serious shortcomings DeVoto and Stegner master storytellers distorted their histories with excessive use of literary and artistic techniques Morgan the thorough researcher failed to see larger contexts and interpretive possibilities Brooks courageous in finding damning new information on the Mountain Meadows massacre stopped short of drawing conclusions that might alienate her from her fellow Mormons and Brodie psychobiographer extraordinaire nonetheless succumbed to reading too much into the lives of her subjects based on her own emotions and conflicts All five writers experienced Mormon Utah in the formative stages of their lives and whether they wanted to or not

fashioned their work on the American West under that indelible influence Topping shows ultimately how despite weaknesses each created exemplary models of diligent research and narrative elegance while establishing new traditions in western historical scholarship

Mormon History Ronald Warren Walker, David J. Whittaker, James B. Allen, 2001

Believing In Place Richard V. Francaviglia, 2016-02-01 The austere landscape of the Great Basin has inspired diverse responses from the people who have moved through or settled in it Author Richard V Francaviglia is interested in the connection between environment and spirituality in the Great Basin for here he says faith and landscape conspire to resurrect old myths and create new ones As a geographer Francaviglia knows that place means more than physical space Human perceptions and interpretations are what give place its meaning In *Believing in Place* he examines the varying human perceptions of and relationships with the Great Basin landscape from the region's Native American groups to contemporary tourists and politicians to determine the spiritual issues that have shaped our connections with this place In doing so he considers the creation and flood myths of several cultures the impact of the Judeo Christian tradition and individualism Native American animism and shamanist traditions the Mormon landscape the spiritual dimensions of gambling the religious foundations of Cold War ideology stories of UFOs and alien presence and the convergence of science and spirituality *Believing in Place* is a profound and totally engaging reflection on the ways that human needs and spiritual traditions can shape our perceptions of the land That the Great Basin has inspired such a complex variety of responses is partly due to its enigmatic vastness and isolation partly to the remarkable range of peoples who have found themselves in the region Using not only the materials of traditional geography but folklore anthropology Native American and Euro American religion contemporary politics and New Age philosophies Francaviglia has produced a fascinating and timely investigation of the role of human conceptions of place in that space we call the Great Basin

Adventures of a Church Historian Leonard J. Arrington, 1998 *Adventures of a Church Historian* details how Leonard J Arrington opened up archival resources and presided for a time over an unprecedented era of enlightenment as he and those working under his aegis produced path breaking works of Mormon scholarship Arrington was the first professional historian and the first noncentral authority to serve as church historian of the Church of Jesus Christ of Latter day Saints a position he held from 1972 to 1982 Arrington's church appointment came at a crucial point in LDS history when the institution was being transformed from a regional church whose ecclesiastical hierarchy directly presided over its congregants into a modern worldwide church with an elaborate bureaucracy His description of conducting research in the LDS Church Archives in the days of Elder Joseph Fielding Smith and Brother A Will Lund provides a rare glimpse into the inner workings of the LDS First Presidency and Quorum of the Twelve Apostles Riveting chapters on the actions of the controversial Historical Department reveal details of Arrington's release and replacement as the old system gave way to the new

[American Sociology of Religion](#) Anthony J. Blasi, 2007 First ever collection of histories of American sociology of religion including accounts of early dissertations changes in theory and

studies of denominations globalization feminism new religions and Latino a American religion *Excavating Mormon Pasts*
 Newell C. Bringhurst, Lavina Fielding Anderson, 2004-08-31 Winner of the Special Book Award from the John Whitmer
 Historical Association *Excavating Mormon Pasts* assembles sixteen knowledgeable scholars from both LDS and the
 Community of Christ traditions who have long participated skillfully in this dialogue It presents their insightful and
 sometimes incisive surveys of where the New Mormon History has come from and which fields remain unexplored It is both a
 vital reference work and a stimulating picture of the New Mormon History in the early twenty first century **Homelands**
 Richard L. Nostrand, Lawrence E. Estaville, 2003-05-01 What does it mean to be from somewhere If most people in the United
 States are from some place else what is an American homeland In answering these questions the contributors to *Homelands*
A Geography of Culture and Place across America offer a geographical vision of territory and the formation of discrete
 communities in the U S today *Homelands* discusses groups such as the Yankees in New England Old Order Amish in Ohio
 African Americans in the plantation South Navajos in the Southwest Russians in California and several other peoples and
 places *Homelands* explores the connection of people and place by showing how aspects of several different North American
 groups found their niche and created a homeland A collection of fifteen essays *Homelands* is an innovative look at
 geographical concepts in community settings It is also an exploration of the academic work taking place about homelands
 and their people of how factors such as culture settlement and cartographic concepts come together in American sociology
 There is much not only to study but also to celebrate about American homelands As the editors state Underlying today s
 pluralistic society are homelands large and small strong and weak that endure in some way The mosaic of homelands to
 which people bonded in greater or lesser degrees affirms in a holistic way America s diversity its pluralistic society The
 authors depict the cultural effects of immigrant settlement The conviction that people need to participate in the life of the
 homeland to achieve their own self realization within the traditions and comforts of that community *Homelands* gives us a
 new map of the United States a map drawn with people s lives and the land that is their home **United States History**
 James Warren Oberly, 1995 *The Blackwell Companion to Religion in America* Philip Goff, 2010-03-25 This authoritative
 and cutting edge companion brings together a team of leading scholars to document the rich diversity and unique viewpoints
 that have formed the religious history of the United States A groundbreaking new volume which represents the first sustained
 effort to fully explain the development of American religious history and its creation within evolving political and social
 frameworks Spans a wide range of traditions and movements from the Baptists and Methodists to Buddhists and Mormons
 Explores topics ranging from religion and the media immigration and piety though to politics and social reform Considers
 how American religion has influenced and been interpreted in literature and popular culture Provides insights into the
 historiography of religion but presents the subject as a story in motion rather than a snapshot of where the field is at a given
 moment The Changing World Religion Map Stanley D. Brunn, 2015-02-03 This extensive work explores the changing

world of religions faiths and practices It discusses a broad range of issues and phenomena that are related to religion including nature ethics secularization gender and identity Broadening the context it studies the interrelation between religion and other fields including education business economics and law The book presents a vast array of examples to illustrate the changes that have taken place and have led to a new world map of religions Beginning with an introduction of the concept of the changing world religion map the book first focuses on nature ethics and the environment It examines humankind's eternal search for the sacred and discusses the emergence of green religion as a theme that cuts across many faiths Next the book turns to the theme of the pilgrimage illustrated by many examples from all parts of the world In its discussion of the interrelation between religion and education it looks at the role of missionary movements It explains the relationship between religion business economics and law by means of a discussion of legal and moral frameworks and the financial and business issues of religious organizations The next part of the book explores the many new faces that are part of the religious landscape and culture of the Global North Europe Russia Australia and New Zealand the U S and Canada and the Global South Latin America Africa and Asia It does so by looking at specific population movements diasporas and the impact of globalization The volume next turns to secularization as both a phenomenon occurring in the Global religious North and as an emerging and distinguishing feature in the metropolitan cosmopolitan and gateway cities and regions in the Global South The final part of the book explores the changing world of religion in regards to gender and identity issues the political religious nexus and the new worlds associated with the virtual technologies and visual media

Mormonism W. Paul Reeve, Ardis E. Parshall, 2010-08-10 It began in upstate New York with Joseph Smith's miraculous vision It spread across the American West with Brigham Young's founding of over 300 settlements and his establishment of Utah as its headquarters Today Mormonism is continually expanding with more members outside the United States than within Mormonism A Historical Encyclopedia helps readers explore a church that has gone from being an object of ridicule and sometimes violent persecution to a worldwide religion counting prominent businesspeople and political leaders among its members including former Massachusetts governor and 2012 presidential candidate Mitt Romney

A Foreign Kingdom Christine Talbot, 2013-12-30 The years from 1852 to 1890 marked a controversial period in Mormonism when the church's official embrace of polygamy put it at odds with wider American culture In this study Christine Talbot explores the controversial era discussing how plural marriage generated decades of cultural and political conflict over competing definitions of legitimate marriage family structure and American identity In particular Talbot examines the Mormon question with attention to how it constructed ideas about American citizenship around the presumed separation of the public and private spheres Contrary to the prevailing notion of man as political actor woman as domestic keeper and religious conscience as entirely private Mormons enfranchised women and framed religious practice as a political act The way Mormonism undermined the public private divide led white middle class Americans to respond by attacking not just Mormon sexual and marital norms but also

Mormons very fitness as American citizens Poised at the intersection of the history of the American West Mormonism and nineteenth century culture and politics this carefully researched exploration considers the ways in which Mormons and anti Mormons both questioned and constructed ideas of the national body politic citizenship gender the family and American culture at large Journal of the West Lorrin L. Morrison,Carroll Spear Morrison,1994 **Utah Historical Quarterly** J. Cecil Alter,2000 List of charter members of the society v 1 p 98 99 *Montana* ,1993 The John Whitmer Historical Association Journal ,1992

Great Basin Kingdom Revisited Contemporary Perspectives Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Great Basin Kingdom Revisited Contemporary Perspectives free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Great Basin Kingdom Revisited Contemporary Perspectives free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in

finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Great Basin Kingdom Revisited Contemporary Perspectives free PDF files is convenient, it's important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but it's essential to be cautious and verify the authenticity of the source before downloading Great Basin Kingdom Revisited Contemporary Perspectives. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether it's classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Great Basin Kingdom Revisited Contemporary Perspectives any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Great Basin Kingdom Revisited Contemporary Perspectives Books

1. Where can I buy Great Basin Kingdom Revisited Contemporary Perspectives books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
