Freedom And Accountability At Work Applying Philosophic Insight To The Real World:

Freedom and Accountability at Work Peter Koestenbaum, Peter Block, 2001-08-01 Peter Koestenbaum and Peter Block offer you a new perspective for viewing the workplace through the lens of philosophy so that you may have a better understanding of how to reclaim your freedom and accountability and encourage the same in others. They provide a radical new approach to your work a day life that will bring true meaning and power to your work. Freedom and Accountability at Work offers you the information you need to gain strength and meaning by transforming your thinking on how you view anxiety, doubt, death, and guilt. Find new ways to bring spiritual and ethical values into your workplace. Engage in profound change that will help you overcome cynicism that comes from superficial change. Replace your loss of organizational loyalty and safety with a sense of freedom and accountability. Both Koestenbaum and Block are such passionate men who bring together what we all seek in our work life: meaning, insight, and humanness. Bless them for this book. Joyce DeShano, board chair, Ascension Health.

Community Peter Block, 2009-02-20 In this wonderfully practical book, Block defines the nature of a community with manageable dimensions, creative directions, and hopeful possibilities. His methods lead us to a restoration of the joy of a genuine common life. John McKnight, Professor of Education and Social Policy, Northwestern University.

Flawless Consulting, Enhanced Edition Peter Block, 2012-03-16 This Third Edition to Peter Block's *Flawless Consulting* addresses business changes and new challenges since the second edition was written ten years ago. It tackles the challenges next generation consultants face, including more guidance on how to ask better questions, dealing with difficult clients, working in an increasingly virtual world, how to cope with complexities in international consulting, case studies, and guidelines on implementation. Also included are illustrative examples and exercises to help you cement the guides offered.

The Abundant Community John McKnight, Peter Block, 2010-06-14 This book reminds us that a neighborhood that can raise a child, provide security, sustain our health, secure our income, and care for our vulnerable people is within the power of our community.

Your Brain Goes to Church Bob Sitz, 2004-12-30 The ever provocative author and presenter Bob Sitz explores the question: What does the human brain have to do with the beliefs, practices, and structures of congregations? Weaving together clear, accessible explanations about the workings of the human brain, Sitz shows how a congregation's identity and behaviors are shaped by the work of individual members' brains as well as the collected brain of the congregation. Study groups will enjoy the Big Question Sitz asks throughout the book, as well as the discussion questions and follow-up activities included at the end of each chapter.

Redeeming The Time Chuck D. Pierce, 2011-11-21 It is never too late to live the life God has for you. The twenty-first century commodity is time. But until we understand how God sees and uses time, the foundation of our lives and our calling will not be aligned with His plan for us. In *Redeeming the Time*, Chuck Pierce presents a clear biblical understanding of how God views time, demonstrating how you can ensure you are living your life in the center of God's plan for you. One of the leading prophetic voices of today, Pierce clearly translates

biblical principles into actionable steps you can take right now to Recognize God's timing in your life Determine if you are in step or out of step Move back into God's grace and experience a second opportunity Align yourself with God's perfect timing system Reap the rewards of a life spent in step with God It is time to view time in a fresh and dynamic way and get your life back on track Peak Performance Every Time Simon Hartley,2023-08-24 Most people have good days and not so good days When they step back and ask what makes the difference many conclude that it's that stuff that happens between their ears So how do we engineer our mindset How do we get our mental game right so that we can perform at our best consistently Peak Performance Every Time provides readers with a detailed look into how to build the critical components of a great mental game It will help them to hone their focus control their confidence master motivation and deliver their best under pressure In short it will help deliver peak performance every time The book provides a practical guide to performance psychology based on approaches and methods that have been tried and tested in the demanding world of elite sport In addition to applied practice it provides real life examples and case studies from both elite sport and business plus the underpinning theory and research This book will be invaluable to anyone trying to reach their full potential in particular athletes coaches managers and executives It may also be of interest to sports psychology management and business students

Dynamic Relationships Jacqueline M. Stavros,Cheri B. Torres,2005 Dynamic Relationships invites us to step into the appreciative paradigm where the principles governing our actions and relationships offer a means for increased value and meaning in our lives and communities of work and play They empower us to become a force for creating and sustaining life affirming relationships and success in daily living *Community (Volume 1 of 2) (EasyRead Super Large 24pt Edition)* ,

The 12 Week Year Brian P. Moran,Michael Lennington,2025-11-11 The guide to shortening your execution cycle down from one year to twelve weeks Most organizations and individuals work in the context of annual goals and plans a twelve month execution cycle Instead The 12 Week Year avoids the pitfalls and low productivity of annualized thinking This book redefines your year to be 12 weeks long In 12 weeks there just isn't enough time to get complacent and urgency increases and intensifies The 12 Week Year creates focus and clarity on what matters most and a sense of urgency to do it now In the end more of the important stuff gets done and the impact on results is profound Explains how to leverage the power of a 12 week year to drive improved results in any area of your life Offers a how to book for both individuals and organizations seeking to improve their execution effectiveness Authors are leading experts on execution and implementation Turn your organization's idea of a year on its head and speed your journey to success **Confronting Our Freedom** Peter Block,Peter Koestenbaum,2023-02-03 Explore the nature of modern leadership In Confronting Our Freedom a team of dedicated leadership coaches delivers an exciting and engaging new take on management and leadership Drawing on recent events in the market and in the world including the Great Resignation the COVID 19 pandemic and widespread digital transformation the authors invite you to reimagine ideas of freedom and accountability in the context of work You'll explore

how freedom of action for managers and employees is what gives rise to true accountability both in the community and in the workplace In the book you ll also find Discussions of the power and structure of freedom including its implications for our own choices and lives Ways to shift the focus of your leadership and management to accountability and freedom Strategies for shifting the illusion of clear roles and expectations to one compatible with fully human organizations A groundbreaking and incisive approach to managing and leading others in virtual hybrid and in person settings Confronting Our Freedom will be an eye opener for managers executives and other business leaders seeking to improve their ability to inspire others to their fullest potential

A Lapsed Anarchist's Approach to The Power of Beliefs in Business Ari Weinzwieg,2016-07-14 Ari s new book is the culmination of a lifetime of learning and thirty four years in business the last three of which have been spent intensively studying reflecting on and writing about the critical role of beliefs in the businesses and organizations of which we re a part The fruits of that labor are now available in this new 600 page book We could tell you more about what s in the book but we think John U Bacon author of the New York Times bestseller Endzone The Rise Fall and Return of Michigan Football said it better than we ever could Some business leaders know practice Some know theory Ari Weinzwieg is one of the few who knows both He has built a famously successful organization while giving it more thought than do the business gurus who merely philosophize about such things The insights Ari shares here are both deeply perceptive and highly practical from the ideas of Howard Zinn Viktor Frankl and Anais Nin on one page to the importance of learning your employees names on the next Like its author this book is uncommonly smart helpful and just plain fun

Activating the Common Good Peter Block,2009-07-13 A powerful inspiring and achievable vision of a society based on cooperation and community instead of competition and commodification This book counters the dominant and destructive story that we are polarized violent selfish and destined to consume everything in sight That is not who we are The challenge Peter Block says is that we are suffering under an economic theology that is based on scarcity self interest competition and infinite growth We re told we can purchase and outsource all that matters Block calls this the business perspective narrative It dominates not only the economy but also architecture faith communities journalism arts neighborhoods and much more Block offers an antidote the common good narrative It embodies the belief that we are basically communal and cooperative And that we have the capacity to communally produce what we care most about raising a child safety livelihood health and a clean and sustainable environment This book describes how shifts to the common good perspective could transform many areas fostering journalism that reports on what works architecture that designs habitable spaces creating connection faith collectives that build community a market that is restrained and local and leadership and activism that build social capital by creating trust among citizens With these shifts we would fundamentally change the world we live in for the better
