

The background of the book cover is a historical photograph of a public square in Lisbon, Portugal, during the 1974 Carnation Revolution. The image is split vertically: the left half is tinted red, and the right half is tinted olive green. In the red section, a group of people, some in military uniforms, are gathered near a building with arched windows. In the green section, a large crowd is seen in the square, with a person on a raised platform or balcony in the background. The overall scene depicts a moment of significant public activity and historical importance.

Freedom Fighters João Freire,2001 By tracing the anarchist movement from the early years of this century through the Spanish Civil War and World War II through the dictatorship of Salazer s regime and the carnation revolution in 1974 to contemporary time this book becomes both a history of anarchism in Portugal and a sociological analysis of the relationship between this ideology and the structure of craft and industries Given the general inadequacy of information available be it about Portugal or a distant and controlled analysis of anarchism the reading of Freedom Fighters will be a very interesting disclosure for a fairly widespread number of readers in English **Freedom Fighters** João Friere,2001

Goodway,2011-12-12 From William Morris to Oscar Wilde to George Orwell left libertarian thought has long been an important but neglected part of British cultural and political history In Anarchist Seeds beneath the Snow David Goodway seeks to recover and revitalize that indigenous anarchist tradition This book succeeds as simultaneously a cultural history of left libertarian thought in Britain and a demonstration of the applicability of that history to current politics Goodway argues that a recovered anarchist tradition could and should be a touchstone for contemporary political radicals Moving seamlessly from Aldous Huxley and Colin Ward to the war in Iraq this challenging volume will energize leftist movements throughout the world **Anarchism** Robert Graham,2005 Explores an elaborate genealogy of anti authoritarian thought **We Do Not**
