The Freedom in Christ Discipleship Course facilitates important steps in every spiritual journey. This course is structured to guide participants from the first step of embracing belief in a living Christ to finding the truth of who they are in Christ to resolving personal and spiritual conflicts through genuine repentance and then on to maturity as a disciple. The course is flexible enough to be used in a variety of church situations from Sunday teachings to small groups as well as for a variety of audiences from people who have not yet committed to Christ to established Christians. The course materials include a Leader's Guide with a CD of PowerPoint slides, a workbook for course participants, and a set of DVDs. The workbooks contain exercises that are incorporated into the lessons and are strongly recommended especially in the small group setting. The DVD set is optional. It contains footage of each lesson as taught by Steve Goss, international head of Freedom in Christ ministries, and offers a way to teach the course without having a leader prepare each lesson.

**Freedom in Christ for Young People** is the corresponding course for ages 11-18 and is also available with a Leader's Guide and two age group specific workbooks.

**Freedom from Addiction Workbook** Neil T. Anderson, Mike Quarles, Julia Quarles, 1997-06-23. Tens of thousands of Christians are locked into the cycle of addiction, particularly in the areas of alcohol and drug abuse. While 12 step groups are definitely helping many people, where is the incredible power of Christ in this process? This study guide is based on the book *Freedom from Addiction*, also written by Neil Anderson and Mike Quarles. This resource encourages those in addictive behaviors to tangibly process the steps to freedom in Christ outlined in the book. The workbook stresses the need for a personal relationship with Christ as the foundation for the spiritual and physical freedom He offers, as well as a need for personal responsibility and accountability to others to complete the process.
