education and to education as an undertaking *Freedom* Osho,2007-04-01 Learn how to set yourself free with the philosophies of one of the twentieth century s greatest spiritual teachers in *Freedom The Courage to Be Yourself In Freedom* Osho outlines three stages of freedom The first is freedom from which is a freedom that comes from breaking out of what he calls the psychological slavery imposed by outside forces such as parents society or religion The next stage is freedom for a positive freedom that comes from embracing and creating something a fulfilling relationship for example or an artistic or humanitarian vision And lastly there is just freedom the highest and ultimate freedom This last freedom is more than being for or against something it is the freedom of simply being oneself and responding truthfully to each moment This book helps readers to identify the obstacles to their freedom both circumstantial and self imposed to choose their battles wisely and to find the courage to be true to themselves Osho challenges readers to examine and break free of the conditioned belief systems and prejudices that limit their capacity to enjoy life in all its richness He has been described by the Sunday Times of London as one of the 1000 Makers of the 20th Century and by Sunday Mid Day India as one of the ten people along with Gandhi Nehru and Buddha who have changed the destiny of India Since his death in 1990 the influence of his teachings continues to expand reaching seekers of all ages in virtually every country of the world **Crying for Freedom** Yaw Sachi,2003-07-14 *CRYING FOR FREEDOM* tells the story of Oheneba a young man from Africa whose desire to escape his native country s defective social political and economic systems propels him to Europe and eventually to the United States He discovers that neither place is the land of milk and honey he had dreamt of His experiences and observations during his travels dampen his hope for the black race which he views as not only failing to trust itself but also reposing blind trust in the white race and in the Christian religion of meekness and forgiveness misplaced trust that has enabled the aggressive and the strong to perpetually dominate the black race Oheneba comes to the scathing determination that the white race is a ruthless bloodthirsty race quick to give charity but not justice a race that is never satisfied that relentlessly pursues positions of command glory and wealth of every kind even if it means colonizing and enslaving other races and declaring them personal property Yet Oheneba concedes that he has reached his current station in life partly due to the benevolence of the white race As much as he tries to hate white people for their greedy and wanton destruction of his race hate is a feeling very difficult for him to adopt Oheneba cannot bring himself to apply the word racist to whites partly because he has had worse experiences at the hands of his fellow blacks In the end Oheneba concludes that despite the many sins in white America s past and the flaws in its present they share with him a common humanity that is evident just below the surface Oheneba wonders rather boldly whether his own life story provides evidence that white America for all its atrocious and evil deeds may possess a paradoxical goodness In order for black people to find their places in mainstream America much depends upon the generosity of white Americans And to the extent that many white Americans of past and present are decent fighting for black people s equal rights and access to mainstream America sometimes even helping black folks to get ahead of their fellow

whites this paradoxical goodness is evident Ironically it is the very attributes of the social systems that Oheneba was running away from that ultimately became his grace e collective culture or the it takes the village to raise a child approach to life Oheneba loathed this culture because he felt it created comfort and security for the African and resulted in the suppression of individual responsibility and accountability **Freedom's Soldiers** Ira Berlin,Joseph Patrick Reidy,Leslie S.
