Freedom Not Far Distant Clement Alexander Price, New Jersey Historical Society, New Jersey Historical Commission, 1980 **Freedom Not Far Distant** Clement Alexander Price, 1981 **Slavery and Freedom in the Rural North** Graham Russell Hodges, 1997 Focusing on the development of a single African American community in eastern New Jersey Hodges examines the experience of slavery and freedom in the rural north This unique social history addresses many long held assumptions about the experience of slavery and emancipation outside the south For example by tracing the process by which whites maintained a durable architecture of oppression and a rigid racial hierarchy it challenges the notions that slavery was milder and that racial boundaries were more permeable in the north Monmouth County New Jersey because of its rich African American heritage and equally well preserved historical record provides an outstanding opportunity to study the rural life of an entire community over the course of two centuries Hodges weaves an intricate pattern of life and death work and worship from the earliest settlement to the end of the Civil War , Black New Jersey Graham Russell Hodges, 2019 Black New Jersey brings to life generations of courageous men and women who fought for freedom during slavery days and later battled racial discrimination Extensively researched it shines a light on New Jersey s unique African American history and reveals how the state s black citizens helped to shape the nation *New Jersey Ethnic History* , 1986 *A Mission for Justice* Mary A. Ward, 2002 Founded in 1930 as the result of efforts by several black Catholic laywomen Queen of Angels was the first African American Catholic congregation in Newark New Jersey The church quickly embarked on an outreach campaign that endured for decades and affected the entire Newark community black and white Catholic and Protestant By the 1960 s many people looked to Queen of Angels as a model of social and civil rights activism In *A Mission for Justice* Mary Ward places Queen of Angels within its broader historical religious and social context and explores the church s struggle for justice within the Catholic Church and in society as a whole The reach of Queen of Angels extended far beyond its own membership For example while riots erupted in other cities across the country after the murder of Martin Luther King Jr Queen of Angels played an instrumental role in organizing the Walk for Understanding a peaceful march of twenty five thousand blacks and whites through the heart of the inner city That event and the ethos that inspired it gave birth to the New Community Corporation the largest nonprofit housing corporation in the country led by former Queen of Angels priest William Linder Today Queen of Angels is one of several African American Catholic parishes in Newark and its mission is now more pastoral than activist But the church continues as a home to various community based programs working to improve the lives of Newark s residents Based on nine years of research *A Mission for Justice* draws on oral histories of parishioners pastors nuns and layworkers at Queen of Angels as well as on documents from various private collections Ward s study will be valuable reading for those interested in African American and church history as well as the history of social activism and the Civil Rights Movement The Author Mary A Ward is an adjunct professor of religion at

New Jersey Cemeteries and Tombstones Richard F. Veit, Mark Nonestied, 2008-09-17 From the earliest memorials used by Native Americans to the elaborate structures of the present day Richard Veit and Mark Nonestied use grave markers to take an off beat look at New Jersey s history that is both fascinating and unique New Jersey Cemeteries and Tombstones presents a culturally diverse account of New Jersey s historic burial places from High Point to Cape May and from the banks of the Delaware to the ocean washed Shore to explain what cemeteries tell us about people and the communities in which they lived The evidence ranges from somber seventeenth century decorations such as hourglasses and skulls that denoted the brevity of colonial life to modern times where memorials such as a life size granite Mercedes Benz reflect the materialism of the new millennium Also considered are contemporary novelties such as pet cemeteries and what they reveal about today s culture To tell their story the authors visited more than 1 000 burial grounds and interviewed numerous monument dealers and cemetarians This richly illustrated book is essential reading for history buffs and indeed anyone who has ever wandered inquisitively through their local cemeteries *Urban Black Women and the Politics of Resistance* Z. Isoke, 2013-01-23

Contemporary urban spaces are critical sites of resistance for black women By focusing on the spatial aspects of political resistance of black women in Newark this book provides new ways of understanding the complex dynamics and innovative political practices within major American cities **A Consumers' Republic** Lizabeth Cohen, 2008-12-24 In this signal work of history Bancroft Prize winner and Pulitzer Prize finalist Lizabeth Cohen shows how the pursuit of prosperity after World War II fueled our pervasive consumer mentality and transformed American life Trumpeted as a means to promote the general welfare mass consumption quickly outgrew its economic objectives and became synonymous with patriotism social equality

and the American Dream Material goods came to embody the promise of America and the power of consumers to purchase everything from vacuum cleaners to convertibles gave rise to the power of citizens to purchase political influence and effect social change Yet despite undeniable successes and unprecedented affluence mass consumption also fostered economic inequality and the fracturing of society along gender class and racial lines In charting the complex legacy of our Consumers Republic Lizabeth Cohen has written a bold encompassing and profoundly influential book *Sisters in the Struggle* Bettye Collier-Thomas, V.P. Franklin, 2001-08-01 The rarely heard stories of the brave African American women at the forefront of the Civil Rights Movement *Sisters in the Struggle* tells the stories and documents the contributions of African American women to the most important social reform in the United States in the twentieth century Only recently have historians and other researchers begun to recognize black women's central role in the battle for racial and gender equality These essays describe the early ideological development of Ella Baker who helped found the Student Nonviolent Coordinating Committee in 1960 Fannie Lou Hamer's use of personal anguish to mold her public persona and Septima Clark's creation of a network of Citizenship Schools to teach poor black southerners to read and write to help them register to vote We learn of black women's activism in the Mississippi Freedom Democratic Party the Black Panther Party and the Free Joan Little Movement in the 1970s It also includes personal testimonies from women who made headlines with their courageous resistance to racism and sexism Rosa Parks Charlayne Hunter Gault and Dorothy Height *Sisters in the Struggle* presents a detailed analysis of the multifaceted roles played by women in civil rights and Black Power organizations as well as the major political parties at the local state and national levels while documenting the formation of a distinct black feminist consciousness It represents the coming of age of African American women's history and presents new studies that point the way to future research and analysis Contributors Bettye Collier Thomas Vicki Crawford Cynthia Griggs Fleming V P Franklin Charlayne Hunter Gault Farah Jasmine Griffin Duchess Harris Sharon Harley Dorothy I Height Chana Kai Lee Tracye Matthews Genna Rae McNeil Rosa Parks Barbara Ransby Jacqueline A Rouse Elaine Moore Smith and Linda Faye Williams *New Jerseyans in the Civil War* William J. Jackson, 2000 Civil War aficionados and historians will welcome Jackson's analysis of the participation of New Jersey African Americans on the home front and in the military an important and much needed part of the book BOOK JACKET *Thinking Comprehensively About Education* Ezekiel Dixon-Román, Edmund W. Gordon, 2012-05-16 While much is known about the critical importance of educative experiences outside of school little is known about the social systems community programs and everyday practices that can facilitate learning outside of the classroom *Thinking Comprehensively About Education* sheds much needed light on those systems programs and practices conceptualizing education more broadly through a nuanced exploration of the various spaces where education occurs the non dominant practices and possibilities of those spaces the possibilities of enabling social systems institutions and programs of comprehensive education This original edited collection identifies and describes the resources that enable optimal human learning and development and offers a

public policy framework that can enable a truly comprehensive educational system Thinking Comprehensively About Education is a must read for faculty students policy analysts and policymakers **Alien Soil** Katie Singer, 2024 Alien Soil Oral Histories of Great Migration Newark looks at Newark New Jersey's once proposed Krueger Scott African American Cultural Center and the oral history collection generated to be a part of the Center The narrators in this oral history collection recount their lives in Newark painting pictures of everyday urbanity while also providing insight into 20th century Black urban life more generally *A Question of Manhood, Volume 1* Darlene Clark Hine, Earnestine L. Jenkins, 1999-10-22 Each of these essays illuminates an important dimension of the complex array of Black male experiences as workers artists warriors and leaders The essays describe the expectations and demands to struggle to resist and facilitate the survival of African American culture and community Black manhood was shaped not only in relation to Black womanhood but was variously nurtured and challenged honed and transformed against a backdrop of white male power and domination and the relentless expectations and demands on them to struggle resist and to facilitate the survival of African American culture and community **Suburban Erasure** Walter Greason, 2013 For generations historians believed that the study of the African American experience centered on the questions about the processes and consequences of enslavement Even after this phase passed the modern Civil Rights Movement took center stage and filled hundreds of pages creating a new framework for understanding both the history of the United States and of the world Suburban Erasure by Walter David Greason contributes to the most recent developments in historical writing by recovering dozens of previously undiscovered works about the African American experience in New Jersey More importantly his interpretation of these documents complicates the traditional understandings about the Great Migration civil rights activism and the transformation of the United States as a global economic superpower Greason details the voices of black men and women whose vision and sacrifices made the dream of Dr Martin Luther King Jr possible Then in the second half of this study the limitations of this dream of integration become clear as New Jersey a state that took the lead in showing American how to overcome the racism of the past fell victim to a recurring pattern of colorblindness that entrenched the legacy of racial inequality in the consumer economy of the late twentieth century Suburbanization simultaneously erased the physical architecture of rural segregation in New Jersey and ideologically obscured the deepening persistent injustices that became the War on Drugs and the prison industrial complex His solution for the twenty first century involves the most fundamental effort to racially integrate state and local government conceived since the Reconstruction Era Suburban Erasure is a must read for people concerned with democracy human rights and the future of civil society
