**Freedom of Simplicity** Richard J. Foster, 2005-08-30 A revised and updated edition of the manifesto that shows how simplicity is not merely having less stress and more leisure but an essential spiritual discipline for the health of our soul

*The Upside Down Way* Matthew Ingalls, 2017-02-14 Jesus life should turn our world upside down His first observers according to Luke were routinely seized with amazement both at the bending of physics making the blind see and lame walk and at the ridiculous things he did and taught A careful look at the Jesus of the Gospels sketches a man completely out of touch with conventional thinking a man radically devoted to living a shocking life for the sake of the broken and forgotten In popular depictions of Jesus today he seems to be more concerned with upholding a conventional way of life than with overturning our understanding of ourselves Jesus life story should lead more to humble servanthood than to syncopated light shows in church or the triumph of a political candidate or a well ordered and respectable lifestyle The Upside Down Way is a series of devotionals drawn from the text of Luke Each devotional is an invitation to a fresh look at the outrageous words and actions of Jesus Author and pastor Matthew Ingalls combines rigorous historical study with a voice that is unflinchingly bold reflective honest and challenging in order to elevate Luke s ridiculous Jesus to his rightful position as the fountain of Christian faith

**Following Jesus** Phillip C. Thrailkill, 2022-10-17 Two questions are braided together in Luke s Gospel Who is Jesus and what does it mean to be his student and apprentice The church has spent much of its intellectual energies on the first question but not so much on the second We are precise in our Christology and vague in our Discipleology my new word Of the four biographies that open the New Testament Luke is perhaps the best equipped to answer the question of what it means to follow Jesus along with others and what we can expect in the process Luke s Gospel is dense with story after story about Jesus s stumbling goofy persistent disciples And his second volume Acts continues the tale There is a deep continuity as Luke teaches between Jesus s original disciples and the ones who later declared their allegiance to him after his resurrection We walk in the footsteps of pioneers in this new way of living with a Jesus who is always near but just beyond sight The aim of this book is to plunder the fruits of New Testament scholarship especially the tools of rhetorical and narrative criticism to highlight what an incredible adventure came with the call to follow me

**Free to Run the Race** Gary V. Ventimiglia, 2016-09-22 Free to Run the Race describes the living out of our life in Christ Hebrews 12:1 It speaks of running with endurance the race that is set before us This can be done by fixing our eyes on Jesus Undoing the Burden of Parental Disregard speaks to a specific encumbrance that weighs the runner down making it harder to keep focus and finish the race The burden is called parental disregard It is not being allowed to be oneself to pursue one s inner direction or natural proclivity in one s life It is the experience of developmental woundedness that says being oneself in temperament aptitudes natural talents and the expressing of this is prohibited Prov 22:6 says train up a child according to his own way The burden of parental disregard is the emotional pain in living out an identity that is not based on any expression of one s

natural way s or bent s This makes the development of trust in a heavenly Father parent difficult The relieving of this burden takes a ruthlessly honest focus on this woundedness and its working out its implications honestly that allows a more truthful understanding of God s love for our lives

**Kingdom Triangle** J. P. Moreland,2009-07-22 J P Moreland Christian philosopher theologian and apologist issues a call to recapture the drama and power of kingdom living to cultivate a revolution of Evangelical life spirituality thought and Spirit led power Drawing insights from the early church he unpacks three essential ingredients of this revolution Recovery of the Christian mind Renovation of Christian spirituality Restoration of the power of the Holy Spirit Western society is in crisis the result of our culture s embrace of naturalism and postmodernism and a biblical worldview has been pushed to the margins Christians have been strongly influenced by these trends with the result that their personal lives often reflect the surrounding culture more than the way of Christ and the church s transforming influence on society has waned as a result Kingdom Triangle is divided into two major sections The first examines and provides a critique of secular worldviews and shows how they have ushered in the current societal crisis The second lays out a strategy for the Christian community to regain the potency of kingdom life and influence in the world Moreland believes that evangelical Christianity can mature and lead the surrounding society out of the meaningless morass it finds itself in with humility and vision With clear insight he puts the thoughtful Christian in a position to understand our current cultural struggle and to return to a responsible presentation of the way of Christ as not just a way of right living but also a way of knowledge and meaningful life

When You Come Together Amy S. Anderson,2011-04-01 WHEN YOU COME TOGETHER brings us back to primitive theological truths such as the church as family the body with its interconnected parts and the presence of the Holy Spirit Who delights to reveal God s heart and mind to His gathered people Amy Anderson contends that belonging to God s people should involve us all in something less like a music concert and more like a jazz session with every person participating as an essential instrument following a common thread while also expecting the Holy Spirit to weave new themes into the established patterns Anderson provides a nitty gritty guide to both why and how we can ditch the concert paradigm and instead learn to gather alertly in God s presence allowing Him to speak in our midst and turn our lives upside down

Yotka, 2012-07-23 Immerse yourself in that still place within in which God speaks to the true self that you have been created to be This book is more than simply information about inner stillness it is a guide into the experience of inner stillness itself This is the author's journey to that place where God speaks to our spirits and calls us children This is a call not so much to do something as much as it is a call to be who God created us to be Through the experiences of contemplation waiting hope and assurance it is the goal of this writing that you will find rest for your soul body and mind in a fresh new and enduring way We all long to live from the center of an authentic self Gene Yotka has provided an important resource for helping us identify and express a spiritual life from that center His book is a gift Dr Steve Harper Professor of Spiritual Formation Asbury Theological Seminary Gene has demystified contemplative prayer and made it accessible to the average believer Dr Stephen Seamands Professor of Christian Doctrine Asbury Theological Seminary [1,800 Miles](#) Joshua Daniel Phillips, 2010-01-01 We must be actively against instead of passively for sexual violence 1,800 Miles Sexual violence is a cultural issue that will not go away just because we ignore it Three college friends understood this and decided to do something With few resources and little funding they headed to Miami in the summer of 2008 and were ready to walk all the way to Boston in an effort to raise awareness about sexual violence Carry their only possessions on their backs and never knowing where they would be sleeping at the end of each day they slowly made their way up the East Coast However they did have their set backs as certain days included being chased by dogs and walking numerous miles through the rain Despite these adversities the three

walkers continued forward for three long hot summer months Along the way they talked to the media met survivors and even spent the night with a Senator 1 800 Miles recounts those stories both humorous and heartbreaking from the walk and is sure to be a story that inspires other social activists to start moving forward one step at a time
