## **Freedom And Equality Harry S Truman:**

**Freedom and Equality** Harry S. Truman, 1962 *Freedom and Equality. Addresses by Harry S. Truman.* David S. Horton, Editor Harry S. TRUMAN (President of the United States of America.), David S. HORTON, 1960 **Freedom and Equality, Addresses** Harry S. Truman, 2003-01-01 **Progressive Liberalism and Neoliberalism in American Politics** Riley Clare Valentine, 2024-10-28 This book examines twentieth and twenty first century American political discourse through the framework of progressive liberalism and neoliberalism Progressive liberalism and neoliberalism as forms of normative reason redefine specific political concepts which are central to American liberalism equality liberty the role of the state and the pursuit of happiness Language is how political reason and the norms accompanying it are expressed The text moves through Presidents Franklin Delano Roosevelt to Barack Obama exploring shifts in language and interpretations of political concepts through progressive liberal and neoliberal forms of normative reason A tension emerges between progressive liberalism and neoliberalism and a heterodoxy emerges The heterodoxy we find ourselves in continues the problem that is foundational to American liberalism itself liberalism is inherently a theory and discourse of rights not of need Because of this no form of liberalism can appropriately respond to human needs from a standpoint that is not informed by having a right to or a right from Crafting Equality Celeste Michelle Condit, John Louis Lucaites, 2012-12-10 Philosophers and historians often treat fundamental concepts like equality as if they existed only as fixed ideas found solely in the canonical texts of civilization In Crafting Equality Celeste Michelle Condit and John Louis Lucaites argue that the meaning of at least one key word equality has been forged in the day to day pragmatics of public discourse Drawing upon little studied speeches newspapers magazines and other public discourse Condit and Lucaites survey the shifting meaning of equality from 1760 to the present as a process of interaction and negotiation among different social groups in American politics and culture They make a powerful case for the critical role of black Americans in actively shaping what equality has come to mean in our political conversation by chronicling the development of an African American rhetorical community The story they tell supports a vision of equality that embraces both heterogeneity and homogeneity as necessary for maintaining the balance between liberty and property A compelling revision of an important aspect of America's history Crafting Equality will interest anyone wanting to better understand the role public discourse plays in affecting the major social and political issues of our times It will also interest readers concerned with the relationship between politics and culture in America's increasingly multi cultural society Antilynching United States. Congress. House. Committee on the Judiciary. Subcommittee No. 4, 1948 Committee Serial No 14 **The Civil Rights Legacy of Harry S. Truman** Raymond H. Geselbracht, 2007 Based in part on the Second Truman Legacy Symposium Harry Truman and civil rights 14-15 May 2004 Key West Florida P ii Historical Dictionary of the Civil Rights Movement Christopher M. Richardson, Ralph E. Luker, 2014-06-11 The fiftieth anniversary of many major milestones in what is commonly called the African American Civil Rights Movement was

celebrated in 2013 Fifty years removed from the Birmingham campaign the assassination of Medgar Evers and the March on Washington and it is clear that the sacrifices borne by those generations in that decade were not in vain Monuments museums and exhibitions across the world honor the men and women of the Movement and testify to their immeasurable role in redefining the United States The second edition of Historical Dictionary of the Civil Rights Movement is a guide to the history of the African American struggle for equal rights in the United States The history of this period is covered in a detailed chronology an introductory essay and an extensive bibliography The dictionary section has over 500 cross referenced entries on important personalities significant legal cases local struggles forgotten heroes and prominent women in the Movement This book is an excellent access point for students researchers and anyone wanting to know more about the Civil Rights Movement

*Freedom's Pragmatist* Sylvia Ellis, 2013-09-24 History has labeled Lyndon B Johnson Lincoln's successor But how did a southern president representing a predominately conservative state with connections to some of the nation's leading segregationists come to play such an influential role in civil rights history In *Freedom's Pragmatist* Sylvia Ellis tracks Johnson's personal and political civil rights journey from his childhood and early adulthood in Texas to his lengthy career in Congress and the Senate to his time as vice president and president Once in the White House and pressured constantly by grassroots civil rights protests Johnson made a major contribution to the black freedom struggle through his effective use of executive power He provided much needed moral leadership on racial equality secured the passage of landmark civil rights acts that ended legal segregation and ensured voting rights for blacks pushed for affirmative action introduced antipoverty education and health programs that benefited all and made important and symbolic appointments of African Americans to key political positions *Freedom's Pragmatist* argues that place historical context and personal ambition are the keys to understanding Johnson on civil rights And Johnson is key to understanding the history of civil rights in the United States Ellis emphasizes Johnson's complex love hate relationship with the South his innate compassion for the disadvantaged and dispossessed and his political instincts and skills that allowed him to know when and how to implement racial change in a divided nation

**Hearings Before ... the Committee on the Judiciary, House of Representatives, Eightieth Congress ...** United States. Congress. House. Committee on the Judiciary, 1947 **Harry S. Truman** Harry S. Truman Library. Institute for National and International Affairs, 1984

**Mississippi Black History Makers** George Alexander Sewell, Margaret L. Dwight, 1984 A well researched collection of biographical sketches of notable African Americans from Mississippi

*The American Challenge* Robert C. Etheredge, 2011-11-11 Offering a complete review of American history civics and culture this unique collection provides both current and future citizens with the basics of the United States common traditions and values in order to properly exercise their duties and obligations to vote responsibly Amply illustrated and containing material not found in other sources this book features a complete historical timeline of the United States details of each presidential election including vote totals and short profiles of each president color flags of all

Congress. House. Committee on the Judiciary,1947 **The Papers of Clarence Mitchell Jr., Volume V** Clarence Mitchell Jr.,2022-08-02 Volume V of The Papers of Clarence Mitchell Jr records the successful effort to pass the 1957 Civil Rights Act the first federal civil rights legislation since 1875 Prior to the US Supreme Court s landmark

1954 decision in *Brown v Board of Education* the NAACP had faced an impenetrable wall of opposition from southerners in Congress Basing their assertions on the court's 1896 separate but equal decision in *Plessy v Ferguson* legislators from the South maintained that their Jim Crow system was nondiscriminatory and thus constitutional In their view further civil rights laws were unnecessary In ruling that legally mandated segregation of public schools was unconstitutional the *Brown* decision demolished the southerners argument Mitchell then launched the decisive stage of the struggle to pass modern civil rights laws The passage of the Civil Rights Act of 1957 was the first comprehensive lobbying campaign by an organization dedicated to that purpose since Reconstruction Coming on the heels of the *Brown* decision the 1957 law was a turning point in the struggle to accord Black citizens full equality under the Constitution The act's passage however was nearly derailed in the Senate by southern opposition and Senator Strom Thurmond's record setting filibuster which lasted more than twenty four hours Congress later weakened several provisions of the act but crucially it broke a psychological barrier to the legislative enactment of such measures The Papers of Clarence Mitchell Jr is a detailed record of the NAACP leader's success in bringing the legislative branch together with the judicial and executive branches to provide civil rights protections during the twentieth century

**50 Events That Shaped African American History** Jamie J. Wilson, 2019-09-19 This two volume work celebrates 50 notable achievements of African Americans highlighting black contributions to U S history and examining the ways black accomplishments shaped American culture This two volume encyclopedia offers a unique look at the African American experience from the arrival of the first 20 Africans at Jamestown through the launch of the Black Lives Matter movement and the Ferguson Protests It illustrates subjects such as the Jim Crow period the *Brown v Board of Education* case that overturned segregation Jackie Robinson's landmark integration of major league baseball and the election of Barack Obama as president of the United States Drawing from almost 400 years of U S history the work documents the experiences and impact of black people on every aspect of American life Presented chronologically the selected events each include at least one primary source to provide the reader with a first person perspective These range from excerpts of speeches given by famous African American figures to programs from the March on Washington The remarkable stories collected here bear witness to the strength of a group of people who chose to survive and found ways to work collectively to force America to live up to the promise of its founding
