Freemasonry In British America:

Freemasonry in British America Albert Gallatin Mackey, William R. Singleton, 2005-12 This scarce antiquarian book is a facsimile reprint of the original Due to its age it may contain imperfections such as marks notations marginalia and flawed pages Because we believe this work is culturally important we have made it available as part of our commitment for protecting preserving and promoting the world s literature in affordable high quality modern editions that are true to the original work

The Grand Lodge of England & Colonial America Ric Berman, 2020-08-20 The book examines for the first time the men appointed by the Grand Lodge of England to act as Provincial Grand Masters in Britain s American colonies The author uses primary source material to draw pen portraits of the men involved and the society in which they lived

Native American Freemasonry Joy Porter, 2019-11-01 Freemasonry has played a significant role in the history of Native Americans since the colonial era a role whose extent and meaning are fully explored for the first time in this book The overarching concern of Native American Freemasonry is with how Masonry met specific social and personal needs of Native Americans a theme developed across three periods the revolutionary era the last third of the nineteenth century and the years following the First World War Joy Porter positions Freemasonry within its historical context examining its social and political impact as a transatlantic phenomenon at the heart of the colonizing process She then explores its meaning for many key Native leaders for ethnic groups that sought to make connections through it and for the bulk of its American membership the white Anglo Saxon Protestant middle class Through research gleaned from archives in New York Philadelphia Oklahoma California and London Porter shows how Freemasonry s performance of ritual provided an accessible point of entry to Native Americans and how over time Freemasonry became a significant avenue for the exchange and co creation of cultural forms by Indians and non Indians

The American Freemason , 1909

A Study in American Freemasonry Arthur Preuss, 1908

The History of Freemasonry Albert Gallatin Mackey, 1898 *American Freemasons* Mark A. Tabbert, 2006-10 The history of masonry in america through gorgeous illustrations and rich prose That Religion in Which All Men Agree David G. Hackett, 2014-01-31 This powerful study weaves the story of Freemasonry into the narrative of American religious history Freighted with the mythical legacies of stonemasons guilds and the Newtonian revolution English Freemasonry arrived in colonial America with a vast array of cultural baggage which was drawn on added to and transformed during its sojourn through American culture David G Hackett argues that from the 1730s through the early twentieth century the religious worlds of an evolving American social order broadly appropriated the beliefs and initiatory practices of this all male society For much of American history Freemasonry was both counter and complement to Protestant churches as well as a forum for collective action among racial and ethnic groups outside the European American Protestant mainstream Moreover the cultural template of Freemasonry gave shape and content to the American public sphere By including a group not usually seen as a carrier of religious beliefs and rituals Hackett expands and complicates the terrain of American religious history by

showing how Freemasonry has contributed to a broader understanding of the multiple influences that have shaped religion in American culture *The Freemasons In America*: H. Paul Jeffers, 2007-09-01 What Is Their Secret And What Are They Hiding Step inside the secret world of the Masons and discover How such pivotal American documents as the Declaration of Independence and the Bill of Rights reflect Masonic principles and influence How Freemasons became the world s oldest and largest fraternal organization If Freemasons rule the world or want to Why Masonic symbolism appears on American currency Why the opposition groups from conspiracists to the Catholic Church fear Freemasons Why Texas has been called the Masonic Republic How to recognize Masonic rings pins and other symbols From George Washington to Dan Brown s The Da Vinci Code the Freemasons have influenced the United States in many surprising ways With nearly half the world s six million Freemasons some twenty five U S presidents and thirty five Supreme Court justices among them America has felt the group s impact more deeply and broadly than any other country Using historical anecdotes and incisive analysis this timely and insightful portrait separates the myths surrounding Freemasonry from the facts offering a unique insider s view into what American Freemasonry was is and will be tomorrow H Paul Jeffers has published more than 50 works of fiction and nonfiction including *Freemasons Inside the World s Oldest Secret Society* biographies of presidents Theodore Roosevelt and Grover Cleveland New York mayor Fiorello LaGuardia Diamond Jim Brady and others He lives in Manhattan **Emblematic Freemasonry and the Evolution of Its Deeper Issues** Arthur Edward Waite, 1925 **General David Wooster** Jason Edwin Anderson, 2024-09-03 David Wooster Revolutionary War General though woefully understudied was one of the most influential figures in Colonial Connecticut A study of his life is a study of the major events that shaped New England The growth of his military leadership from the 1740s until his death in 1777 was coupled with active civic responsibility and entrepreneurial spirit While raising a family in New Haven Wooster sought active involvement in colonial politics and at the same time supported and encouraged New Haven s growing influence as a major port city Tremendously devoted to the ideas of liberty freedom equality and the rights to property David Wooster epitomized the 18th century American republican cause a cause for which he sacrificed everything to defend and help secure At the point in life when most people reached the age of retirement as well as the ease of old age Wooster sixty five years old at the outset of the Revolutionary War once more donned the uniform of his home colony of Connecticut and led troops in the field of battle He had everything to lose and nothing but liberty and freedom to gain To him however these were more than ample reasons This first biography of the influential figure is exhaustively researched from primary sources covering Wooster s entire life and entire military and civic careers *The History of Freemasonry in Canada* John Ross Robertson, 1900 *The Freemasons' Magazine and Masonic Mirror* , 1868 **That Religion in Which All Men Agree** David G. Hackett, 2015-09-15 An analysis of how Freemasonry has shaped American religious history **Outlines of the History of Freemasonry in the Province of Quebec** John Hamilton Graham, 1892 **Ars Quatuor Coronatorum** , 1890 *Encyclopedia Of Freemasonry And Its Kindred Sciences*,

Volume 4: S-Z Albert G. Mackey, Dr Albert G Mackey appears as author of this Encyclopedia of Freemasonry and its Kindred Sciences which being a library in itself superseded most of the Masonic works which have been tolerated by the craft chiefly because none better could be obtained Here is a work which fulfils the hope which sustained the author through ten years literary labor that under one cover he would furnish every Mason who might consult its pages the means of acquiring a knowledge of all matters connected with the science the philosophy and the history of his order Up to the present time the modern literature of Freemasonry has been diffuse lumbering unreliable and out of all reasonable proportions There is in Mackey s Encyclopaedia of Masonry well digested well arranged and confined within reasonable limits all that a Mason can desire to find in a book exclusively devoted to the history the arts science and literature of Masonry This is volume four out of four and covering the letters S to Z *The history of freemasonry in Canada, from its introduction in 1749* John Ross Robertson,1900 **A Library of Freemasonry** Robert Freke Gould,1906 *Character Counts* Michael Glenn Maness,2010-12
