Freemasonry From A.D.1600 to the

Grand Lodge Era

W. J. Hughan

Freemasonry In The Grand Lodge Era

Victor Grant-Lawrence

Freemasonry In The Grand Lodge Era:

Freemasonry in the Grand Lodge Era John Yarker, 2005-12 This scarce antiquarian book is a facsimile reprint of the original Due to its age it may contain imperfections such as marks notations marginalia and flawed pages Because we believe this work is culturally important we have made it available as part of our commitment for protecting preserving and promoting the world's literature in affordable high quality modern editions that are true to the original work Early Grand Lodge Freemasonry: Studies in Honor of the Tricentennial of the Establishment of the Grand Lodge of England Christopher B. Murphy, 2017-06-24 According to Masonic records the Grand Lodge of England was established June 24 1717 in London Soon afterward Freemasonry a fraternal society of obscure origins and antiquity began to spread rapidly throughout and beyond the British Empire This volume of intriguing essays by eminent and emerging Masonic scholars explores the history and culture of Freemasonry during that period of expansion What did Masons of the early Grand Lodge era actually do in their lodges How did these brethren think of themselves and their Craft What were their motivations and ideals What was their experience of Freemasonry By posing such questions our contributors have been able to study not just an institutional beginning but the cultural realities of Masonic life in the first decades of the Grand Lodge s history Featuring contributions by Ric Berman David Harrison Jedediah French Nathan A St Pierre Dana Scofield Christopher B Murphy and Shawn Eyer Exploring Early Grand Lodge Freemasonry critically re examines key aspects of early Masonic life and thought revealing the philosophical and social underpinnings of an organization that remains an intriguing cultural phenomenon Editorial Reviews The numerous contributors to Exploring Early Grand Lodge Freemasonry develop a cogent case for reassessing the origins and evolution of the Craft in Great Britain during the early and middle years of the eighteenth century Based on a meticulous investigation of primary and secondary sources this lucidly written and suggestive study incisively reveals new thinking in looking at the leadership ritualism and lodge life of early Speculative Freemasonry This seminal study which in many ways breaks new ground will be frequently consulted and will be recognized as a classic in Masonic scholarship R William Weisberger Ph D author of Speculative Freemasonry and the Enlightenment and Freemasonry on Both Sides of the Atlantic A composed and considered phenomenological exploration of Freemasonry's original cultural intent this collection subtly asserts new and emerging ideas on the lived reality of Masonic life during the first guarter of the eighteenth century Too often in the name of objectivity have masonic authors allowed restraint to entirely obscure that vital sense of sympathetic engagement that is actually so essential in understanding the people of the tradition itself Striking a methodological balance of textual criticism historicist contextualisation and sympathetic neutrality this valuable collection finally underlines that whole new emergent understanding amongst scholars that suggests traditional academic treatments of masonic history that deny outright the intellectual validity of the Craft's own self belief in its mythological claims to antiquity and intrinsic mystery as are portrayed in the primary texts themselves rituals catechisms etc are in fact academically

neurotic and endemic of the kind of intellectual insincerity so self effacingly corrosive in mainstream masonic research Stewart Clelland Master of Arts in Western Esotericism Exeter University The History of Freemasonry Albert Gallatin Freemasonry in Federalist Connecticut, 1789-1835 Dorothy Ann Lipson, 2015-03-08 Freemasonry prescribed for its members a supra religious supra national philosophic universalism Dorothy Ann Lipson examines its reception and adaptation in America where its rapid spread was one index of increasing local diversity and cultural change After tracing the English origins of Masonry the author focuses on its development in post Revolutionary Connecticut where the Calvinist churches and the state had been supported by an unusually homogeneous population As a counterculture or form of dissent the fraternity provided its members with a variant religious experience a source of serial distinction a stable reference in times of change a means of education and an ethically licensed form of recreation The author considers its role in these areas as well as the implications of such a fraternity tor the lives of women The confrontation of the Masons and anti Masons in the first part of the nineteenth century receives special attention as it dramatized political religious and cultural diversification Originally published in 1978 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905 *The history of freemasonry in* Canada, from its introduction in 1749 John Ross Robertson, 1900 The Freemason and Masonic Illustrated. A Weekly Record of Progress in Freemasonry, 1899 The Arcane Schools John Yarker, 2007-03-01 This hardbound edition of Yarker s classic opus is not merely another facsimile edition. It has been completely reformatted yet retains a look and feel that is comparable to the original 1909 edition right down to the blue cloth binding and gold stamped spine From Alchemy to Zoroaster and everything in between The Arcane Schools continues to be one of the most comprehensive and authoritative works concerning the history and migration of the Western Mystery Tradition Students of Freemasonry Rosicrucianism and Theosophy will find this to be an indispensable addition to their collection Northern Freemason .1910 New Jersey's Masonic Lodges Erich Morgan Huhn ,2019 Across New Jersey thousands of men have entered through the doors of Masonic Lodge buildings also known as temples over the fraternity s more than 250 year history in the Garden State These buildings from humble meeting spaces to elaborate single purpose centers stand tribute to the memory and influence of one of the oldest fraternities in the world founded on the tenets of faith hope and charity From governors and US Supreme Court justices to carpenters and stonemasons Freemasonry has welcomed men from all walks of life and the temples they built have played important roles in the civic social and charitable life of many towns Although some lodges have been lost many still remain and are presented here for the first time through photographs and images collected from various historical societies

museums libraries and Masonic organizations This book attempts not to serve as an encyclopedic source but rather to catalog and organize the development of the Masonic temples in New Jersey The History of Freemasonry in Canada John The Complete Idiot's Guide to Freemasonry S. Brent D. Morris, Ph.D., 2006-05-02 What is the Ross Robertson, 1900 truth about the Masons suggested in Dan Brown s The Da Vinci Code Can Freemasonry really be dated back as far as Babylon Did they really coordinate the Boston Tea Party and the American Revolution What really goes on at a Mason lodge during an initiation Here is the real story behind the secret society that now boasts nearly five million members and has included such illustrious fellows as George Washington and Benjamin Franklin as revealed by a Master Mason Offers a highly illustrated field guide to Masonic jewelry and symbols Includes further reading a glossary a list of famous Freemasons and information on Freemasonry in popular culture Morris is a Master Mason The Complete Idiot's Guide to the Essentials of Freemasonry S. Brent Morris, Ph.D., 2006-05-02 What is the truth about the Masons suggested in Dan Brown s The Da Vinci Code Can Freemasonry really be dated back as far as Babylon Did they really coordinate the Boston Tea Party and the American Revolution What really goes on at a Mason lodge during an initiation Here is the real story behind the secret society that now boasts nearly five million members and has included such illustrious fellows as George Washington and Benjamin Franklin as revealed by a Master Mason Offers a highly illustrated field guide to Masonic jewelry and symbols Includes further reading a glossary a list of famous Freemasons and information on Freemasonry in popular culture Morris is a Master Mason The Universal Language of Freemasonry Christina Voss (married Lyons), 2021-10-07 Doctoral Thesis Dissertation from the year 2003 in the subject English Language and Literature Studies Linguistics grade Cum Laude Johannes Gutenberg University Mainz FTSK Germersheim FB 06 Translations Sprach und Kulturwissenschaft language English abstract Freemasons employ a special way of communication for example sign language metaphors symbols neologisms technical terminology ritualistic travels. The problem under investigation is the Masonic claim to possess a universal language The organizing construct of this dissertation is a comparison of the whole range of Freemasonry male female youth orders orders for the Blacks and quasi Masonic fun orders with imitative fraternities such as early American benefit societies and their inherent diction The experimental method used by the author included the research of Masonic and other fraternal sources of the last three centuries visits to Masonic institutions and interviews with Freemasons These activities led to the findings that while the symbols are generally applicable the written Masonic language is not totally uniform internationally Thus the ethical teaching which is to be drawn out of the symbolic Masonic communication has reached an international level and it is a fact that it is still alive since the official founding of Freemasonry in 1717 but the ritualistic phraseology of comparable early trade unions and mutual benefit societies of the United States either has ceased to be employed or merely forms a pompous but hollow shell around a worldly issue such as insurance The American Tyler-keystone ,1917 Goodly Heritage: One Hundred Fifty Years of Craft Freemasonry in Indiana Dwight L.

Smith, 2018-06-17 Goodly Heritage by Dwight L Smith is the most comprehensive historical account ever written about the Freemasons in the state of Indiana It was originally published in 1968 in conjunction with the 150th anniversary of the January 1818 founding of the Grand Lodge of Indiana F AM in Madison and is widely considered to be the most authoritative historical reference work for the state s fraternity It contains a wealth of early photographs of historic lodges and influential men within the Masonic community along with exhaustive reference lists of lodges grand lodge officers and more This facsimile reprint edition was authorized in 2018 in conjunction with the Grand Lodge's Bicentennial celebration and through Ars Quatuor Coronatorum W.J. Songhurst, Ars Quatuor the assistance of the Masonic Library and Museum of Indiana Inc Coronatorum Volume 36 1923 The History of Freemasonry Robert Freke Gould, 1887 **Masonic Papers Upon** Various Subjects Connected with Freemasonry, 1901-1904 John Thomas Thorp, 1905 Conspiracy Theories And Stuff Victor Grant-Lawrence, The History of Freemasonry, Its Antiquities, Symbols, Constitutions, Customs, Etc Robert Freke Gould, 1885
