French For Xenophobes Xenophobes Lingo Learners:

Children Learning French Barbara Rapaport, David Westgate, 2018-06-04 Is the learning of a second language best begun in the junior school Originally published in 1974 the authors draw upon studies of language learning and upon developmental characteristics of children relating them to second language learning in order to assess the appropriateness of French to the curriculum The possibilities and limitations of the task confronting the child are explored The book is a practical one with many references to classroom organisation and teaching techniques The restrictions of imitative learning are relegated to their limited place and a higher aim is suggested that of meaningful and productive language use **Radical Thought**

among the Young: A Survey of French Lycée Students, 2020-08-25 France experienced an unprecedented wave of terrorist attacks in 2015 Following these tragic events social science researchers felt the need to undertake new work to better understand the dynamics of this new radicalism This book is the result of one of these attempts A large quantitative and qualitative survey was conducted among French Lycée students in order to gather substantive information and propose an interpretation of the penetration of radical ideas be they religious or political among them How widespread are these radical ideas What are the main characteristics of youngsters who share them Are there links between religious radicalism and political radicalism How do young people feel about the 2015 terrorist attacks How do young people use media and social media to keep abreast of and understand radical acts and opinions Those are the main questions explored in this book Contributors are Vincenzo Cicchelli Alexandra Fr nod Olivier Galland Laurent Lardeux Anne Muxel Jean François Mignot and Sylvie Octobre **French Immigrants and Pioneers in the Making of America** Marie-Pierre Le Hir, 2022-03-25

Americans have long had a rich if complicated relationship with France They adore all things French especially food and fashion They visit the country and learn the language Historically Americans have also been quick to blame France at certain times of international crisis and find fault with their handling of domestic issues Despite ups and downs the friendship between the countries remains very strong The author explains the strength of Franco American relations lies in the diplomatic ties that extend back to the founding of the United States but more importantly in the French DNA that is imprinted on American culture The French were the first Europeans to settle the regions now known as Florida Illinois Minnesota Iowa Wisconsin Missouri Kansas and Arkansas and Frenchman remained in Louisiana after the land was purchased by the United States This book explores the effects that France has had on American culture and why modern Americans of French descent are so fascinated by their ancestry An Encyclopedia of Swearing Geoffrey Hughes, 2015-03-26 This is the only encyclopedia and social history of swearing and foul language in the English speaking world It covers the various social dynamics that generate swearing foul language and insults in the entire range of the English language While the emphasis is on American and British English the different major global varieties such as Australian Canadian South African and Caribbean English are also covered A Z entries cover the full range of swearing and

foul language in English including fascinating details on the history and origins of each term and the social context in which it found expression Categories include blasphemy obscenity profanity the categorization of women and races and modal varieties such as the ritual insults of Renaissance flyting and modern sounding or playing the dozens Entries cover the historical dimension of the language from Anglo Saxon heroic oaths and the surprising power of medieval profanity to the strict censorship of the Renaissance and the vibrant modern language of the streets Social factors such as stereotyping xenophobia and the dynamics of ethnic slurs as well as age and gender differences in swearing are also addressed along with the major taboo words and the complex and changing nature of religious sexual and racial taboos Diversity and

Decolonization in French Studies Siham Bouamer,Loïc Bourdeau,2022-04-04 This edited volume presents new and original approaches to teaching the French foreign language curriculum reconceptualizing the French classroom through a more inclusive lens The volume engages with a broad range of scholars to facilitate an understanding of the process of French decolonization as well as its reverberations into the postcolonial era and a deeper engagement with the global interconnectedness of these processes Chapters in Part I revisit the concept of the francophonie decenter the field from metropolitan or hexagonal and white France and underline how current teaching materials reproduce epistemic and colonial violence Part II adopts an intersectional approach to address topics of gender inclusivity trans affirming teaching queer materials and ableism Finally Part III presents new ways to transform the discipline by affirming our commitment to social justice and making sure that our classrooms are representative of our students enriching diversity **English as a**

Language of Learning, Teaching and Inclusivity Liesel Hibbert,2023-08-18 Hibbert explores South Africa's higher education crisis utilising case studies and first hand experiences with English as the language of instruction The historical overview provides a framework with which to understand the complicated nature of using English as a language of instruction in South Africa past and present Student narratives are presented to illustrate mainly breakthroughs but also challenges An overview is provided of imported English teaching methodologies and how they have emerged and developed in the local educational system over decades It is demonstrated how these methodologies relate to socio economic and political events and trends at each juncture By applying defamiliarisation as a research method of investigation students translanguageing struggles are recorded and discussed both pre pandemic and in the pandemic period The experiences of non monolingual English speaking staff and students and of local English African language bilinguals is foregrounded as they are by far the majority in South African higher education and schools The relevance of the experiences and learning paths of those staff and students is enhanced This book aids lecturers across disciplines and English language facilitators in the improvement of English acquisition curricula through exposure to arguments case studies and learning path narratives in this volume and prompts and inspires researchers to develop further theories and experiments in their own context

Chtimi Timothy Pooley,1996 The different ways in which a language may be pronounced is not only a constant source of

fascination for speakers and learners but also a powerful symbol of regional identity Using recordings of spontaneous speech by working class speakers from an urban industrial environment in northern France Tim Pooley traces the development of the urban vernacular of the Lille area often referred to as Chtimi from a traditional patois to a variety of Regional French against the background of the social changes that have occurred in the speakers lifetimes The result is firstly a study in sociolinguistic variation both from the structural and sociolinguistic viewpoints secondly an analysis of language shift in a context where the obsolescent language is closely related to the dominant variety and thirdly a detailed analysis of the key features of the phonology and grammar of northern Regional French It is also one of the first studies concerned with France to show how network factors may influence speakers use of French
