The French Voter

Before and After the 2002 Elections

Edited by Michael S. Lewis-Beck

French Voter Before And After The 2002 Elections

Marina Costa Lobo, John Curtice

French Voter Before And After The 2002 Elections:

French Presidential Elections M. Lewis-Beck, R. Nadeau, É. Bélanger, 2012-01-06 An original and comprehensive study of the sociological and psychological forces driving individual choices in French Presidential elections Based on a unique comparative analysis of four French presidential contests over the last two decades this book presents a rigorous examination of long term and short term voter motivations

The 2017 French Presidential Elections Jocelyn Evans, Gilles Ivaldi, 2017-12-12 Emmanuel Macron's victory in the 2017 presidential elections represents one of the most important disruptions to French political life since the establishment of the Fifth Republic This book analyses the political opportunities enabling a neophyte to conquer the Elysée and the conditions leading to the unprecedented presidential runoff between this centrist EU enthusiast and pro globalization candidate and the nationalistic populist alternative embodied by Marine Le Pen The book begins by considering trends in party competition and presidentialism in modern France notably presidential primaries and their impact on party competition It then moves to considering the role traditional explanatory factors in elections namely policies and voter profiles played in the result Finally it examines the dynamics of President Macron's success in the legislatures and how he dominated the traditional party blocs This book will appeal to students of French politics as well as those interested in electoral behaviour and European political systems

The Oxford Handbook of French Politics Robert Elgie, Emiliano Grossman, Amy Mazur, 2016 The Oxford Handbook of French Politics provides a comprehensive and comparative overview of the French political system through the lens of political science The Handbook is organized into three parts the first part identifies foundational concepts for the French case including chapters on republicanism and social welfare the second part focuses on thematic large scale processes such as identity governance and globalization while the third part examines a wide range of issues relating to substantive politics and policy among which are chapters on political representation political culture social movements economic policy gender policy and defense and security policy The volume brings together established and emerging scholars and seeks to examine the French political system from a comparative perspective The contributors provide a state of the art review both of the comparative scholarly literature and the study of the French case making The Oxford Handbook of French Politics an invaluable resource for anyone interested in the foundations of contemporary political life in France

The 2012 French Election Pascal Perrineau, 2016-09-09 This edited volume is based on a highly original survey carried out between November 2011 and June 2012 among a panel of 6 000 voters The panel was interviewed on 12 separate occasions about how and why they made their voting choices The book focuses on how electoral choices are made and how these choices evolve during the short time span of an election campaign The analysis of the 2012 electoral result shows more than ever that voting choices are the fruit of interweaving timelines the long term period that characterizes voters' predispositions and their predictions of a possible scenario the shorter period of time during which the campaign unfolds where those predispositions are either confirmed

called into question or undone and the moment when the final choice is made This is the first time the electoral decision making process during a French Presidential election has been systematically studied **The French Voter** M. Lewis-Beck, 2003-12-18 Why do French voters vote the way they do In this book leading international scholars examine this question from many different angles Special attention is given to the 2002 national elections when right wing extremist Le Pen made such a spectacular showing in the presidential contest Was the first ballot success of Le Pen based on issues of law and order ethnicity nationalism or on the economy What about the role of the traditional factors of social class region religion and left right ideology Do the peculiar electoral institutions of the Fifth Republic foster political extremism or act as a break on it The French Voter considers these issues both in relation to the 2002 contest and past elections **The 2012 French Presidential Elections** J. Evans, G. Ivaldi, 2013-11-21 Was the victory of Francois Hollande the Socialist challenger to Nicolas Sarkozy inevitable in the 2012 French Presidential elections This book argues that a combination of economic downturn policy choices and personal unpopularity meant that the Right wing incumbent faced an almost impossible task in holding onto power for another five years *The American Voter Revisited* Michael S. Lewis-Beck, Helmut Norpoth, William G. Jacoby, Herbert F. Weisberg, 2009-12-18 Today we are politically polarized as never before The presidential elections of 2000 and 2004 will be remembered as two of the most contentious political events in American history Yet despite the recent election upheaval The American Voter Revisited discovers that voter behavior has been remarkably consistent over the last half century And if the authors are correct in their predictions 2008 will show just how reliably the American voter weighs in election after election The American Voter Revisited re creates the outstanding 1960 classic The American Voter which was based on the presidential elections of 1952 and 1956 following the same format theory and mode of analysis as the original In this new volume the authors test the ideas and methods of the original against presidential election surveys from 2000 and 2004 Surprisingly the contemporary American voter is found to behave politically much like voters of the 1950s Simply essential For generations serious students of American politics have kept The American Voter right on their desk Now everyone will keep The American Voter Revisited right next to it Larry J Sabato Director of the University of Virginia Center for Politics and author of A More Perfect Constitution The American Voter Revisited is destined to be the definitive volume on American electoral behavior for decades It is a timely book for 2008 with in depth analyses of the 2000 and 2004 elections updating and extending the findings of the original The American Voter It is also quite accessible making it ideal for graduate students as well as advanced undergrads Andrew E Smith Director of the University of New Hampshire Survey Center A theoretically faithful empirically innovative comprehensive update of the original classic Sam Popkin Professor of Political Science University of California San Diego Michael S Lewis Beck is F Wendell Miller Distinguished Professor of Political Science at the University of Iowa William G Jacoby is Professor of Political Science at Michigan State University Helmut Norpoth is Professor of Political Science at Stony Brook University Herbert F Weisberg is Professor of Political Science at

Ohio State University **Duverger's Law of Plurality Voting** Bernard Grofman, André Blais, Shaun Bowler, 2009-03-05

Maurice Duverger is arguably the most distinguished French political scientist of the last century but his major impact has strangely enough been largely in the English speaking world His book *Political Parties* first translated into English in 1954 has been very influential in both the party politics literature which continues to make use of his typology of party organization and in the electoral systems literature His chief contributions there deal with what have come to be called in his honor Duverger's Law and Duverger's Hypothesis The first argues that countries with plurality based electoral methods will tend to become two party systems the second argues that countries using proportional representation PR methods will tend to become multi party systems Duverger also identifies specific mechanisms that will produce these effects conventionally referred to as mechanical effects and psychological effects However while Duverger's Hypothesis concerning the link between PR and multipartism is now widely accepted the empirical evidence that plurality voting results in two party systems is remarkably weak with the U S the most notable exception The chapters in this volume consider national level evidence for the operation of Duverger's law in the world's largest longest lived and most successful democracies of Britain Canada India and the United States One set of papers involves looking at the overall evidence for Duverger's Law in these countries the other set deals with evidence for the mechanical and incentive effects predicted by Duverger The result is an incisive analysis of electoral and party dynamics *The Statesman's Yearbook 2007* B. Turner, 2017-02-07 The Statesman's Yearbook now in a new enlarged format contains profiles of every country in the world and includes 20% new content All print purchases now receive online access at no extra cost with a single user licence giving access to the full text online updated regularly and fully searchable For queries sybinfo@palgrave.com [Oxford Handbook of Political Behavior](#) Russell J. Dalton, Hans-Dieter Klingemann, 2007 Assembles the world's leading scholars on public opinion and political behaviour to describe the state of the art research on the beliefs values and behaviours of contemporary politics *Personality Politics?* Marina Costa Lobo, John Curtice, 2015 *Personality Politics* assesses the role that voters' perceptions and evaluations of leaders play in democratic elections The book presents evidence from an array of countries with diverse historical and institutional contexts and employs innovative methodologies to determine the importance of leaders in democracies worldwide Addressing such questions as Where do leaders' effects come from In which institutional contexts are leader effects more important and To which kinds of voters are leaders a more prominent factor for voting behaviour the authors seek to determine whether the roles leaders play enhances or damages the electoral process and what impact this has on the quality of democracy in electoral democracies today *Constitutional Change in Singapore* Jaclyn Neo, Swati Jhaveri, 2019-12-09 Once a ceremonial position modelled after the constitutional monarchy in the United Kingdom the office of the President of Singapore was transformed from an appointed to an elected one in 1991 As the head of state but not the head of government the elected President was to have additional discretionary powers involving the spending of financial reserves appointment of high

ranking public servants and certain ministerial powers to detain without trial In 2016 a constitutional commission was convened to consider further reforms to the office and the elections process This book explores Singapore's presidency assessing how well it has functioned discussing the rationales for an elected presidency and evaluating the constitutional commission's recommendations for reforms including the need for minority representation in the office In doing so the book provides important reflections on how the constitutional reform process raises crucial questions about the rule of law and the practice of constitutionalism in Singapore

French NGOs in the Global Era G. Cumming, 2008-11-14 This book provides a systematic account of the changing priorities procedures and practices of French NGOs active in overseas development work It explores whether French NGOs are eschewing wider trends in the Northern NGO sector and uses Resource Dependence theory and a case study of NGO field work in Cameroon to shed light on these actors

The End of the French Exception? T. Chafer, E. Godin, 2010-06-01 Analyzes the notion of the French exception and the ways in which it has informed both academic analysis and political commentary on France today Adopting a comparative and interdisciplinary approach it examines the resilience of the notion of French exceptionalism and evaluates its relevance in a changing domestic and global context

The Senate of the Fifth French Republic P. Smith, 2009-10-21 Paul Smith examines how the Senate has attempted since 1958 to locate itself within the French semi presidential system how it asserts its place in relation to the President Government and National Assembly and how it has sought in recent years to develop an autonomous and particular sense of identity

The Statesman's Yearbook 2008 B. Turner, 2017-01-12 The 2008 edition of The Statesman's Yearbook contains information and analysis on every country in the world including biographical profiles of current leaders government histories economic overviews and maps Every copy comes with a single user licence giving access to the full text online updated regularly and fully searchable

The Europeanization of French Foreign Policy R. Wong, 2005-12-16 This study examines the record of French and EU interactions with China Japan and Vietnam in the areas of economic exchanges political security relations and human rights to establish if there has been a trend of converging European politics and collective European conceptions of interest and identity It argues that the utility and impact of EU institutions on French foreign policy behaviour is more significant than is commonly imagined or admitted and that foreign policies of EU member states tend over the long term towards convergence

The French Communist Party During the Fifth Republic Gino G. Raymond, 2005-08-10 The demise of the French Communist Party PCF has been a recurrent feature of overviews of the Left in France for the past two decades and yet the Communists survive This study examines the factors that undermined the position of the PCF as the premier party of France but also highlights the challenges that the party faces in a society disillusioned with politics and the new strategies that it is developing in order to revive its fortunes

French Intellectuals and Politics from the Dreyfus Affair to the Occupation D. Drake, 2005-04-05 A companion volume to Drake's Intellectuals and Politics in Post War France 2002 French Intellectuals from the Dreyfus Affair to the Occupation

traces the political positions adopted by French writers and artists from the end of the 19th century to the Liberation Drawing on a wide range of primary and secondary sources it offers a clear and accessible analysis of the intellectuals engagement with nationalism pacifism communism anti communism surrealism fascism and anti fascism which is located within the evolving national and international context of the period The Risk of Social Policy? Nathalie Giger, 2011-03-07

The Risk of Social Policy uses a comparative perspective to systematically analyse the effects of social policy reforms and welfare state retrenchment on voting choice for the government It re examines twenty elections in OECD countries to show if and how social policy issues drive elections This book contributes to the existing literature by providing an empirical analysis of the electoral implications of social policy Giger asks the basic research question What are the electoral consequences of social policy performance and retrenchment More specifically the following questions are addressed in order to provide a systematic test of the topic Is retrenchment indeed completely unpopular Do people punish the government for bad performance in the field of social policy And what are the political implications of such a punishment reaction does it affect the government composition It shows empirically that the risks of welfare state retrenchment to incumbent governments may be lower than previously thought and presents a theoretical framework for re examining the impact of retrenchment initiatives on election outcome Making an important contribution to studies in political economy and welfare by questioning the assumption that social policy is an inherently controversial policy field in times of elections The Risk of Social Policy will be of interest to scholars and students concerned with the interplay between government and citizens social policy and voting behaviour and the political economy of welfare

French Voter Before And After The 2002 Elections Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information.

No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free French Voter Before And After The 2002 Elections PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free French Voter Before And After The 2002 Elections PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of French Voter Before And After The 2002 Elections free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About French Voter Before And After The 2002 Elections Books
