French Furniture From Louis Xiii To Art Deco:

French Furniture Sylvie Chadenet, 2002-02-01 French furniture design has been admired emulated and collected throughout the world for centuries Filled with 750 line drawings and descriptive texts this book details the characteristics of French designs from Louis XIII to the 20th cent in an easy to use format that makes it possible to identify styles from 400 years of French design quickly and accurately Small differences in the shapes of legs arms or decorative carvings can make big differences in the identification of a piece of furniture Each chapter covers the typical materials techniques and ornamentation for each period and describes both new characteristics of old forms and the new forms of furniture that arose For designers antique collectors etc [French Accents](#) Erin Swift, 2013 The first step is to understand how the French see blending rich tradition with whimsy to achieve interiors that are as comfortable as they are stunning Within these pages stylist Erin Swift offers a look at the exquisite homes of renowned designers architects and artists simplifying the elements that define each room such as colour art and furnishings objects and accents structure and texture Sharing the homeowner's visions she also highlights hundreds of fascinating and unconventional decorating details from which you can draw inspiration Galleries featuring dozens of choices for moulding stone and tile flooring frames paint colours doorknobs and textiles offer even more ways to add a French touch Publisher description

Female Portraiture and Patronage in Marie Antoinette's Court Sarah Grant, 2018-09-03 This comprehensive book brings to light the portraits private collections and public patronage of the princesse de Lamballe a pivotal member of Marie Antoinette's inner circle Drawing extensively on unpublished archival sources Sarah Grant examines the princess's many portrait commissions and the rich character of her private collections which included works by some of the period's leading artists and artisans The book sheds new light on the agency sorority and taste of Marie Antoinette and her friends a group of female patrons and model of courtly collecting that would be extinguished by the coming revolution

Fashion Beyond Versailles Donna Bohanan, 2012-06-04 As the twin epicenters of style and innovation the cities of Paris and Versailles dominate studies of consumerism in seventeenth century France but little scholarship exists on the material culture fashion and consumption patterns in the provinces Donna J Bohanan's *Fashion beyond Versailles* fills this historiographical gap by examining the household inventories of French nobles and elites in the southern province of Dauphin As a result she reveals a closer relationship between consumer behavior of the center and the periphery than most historians have maintained Far reaching in its sociological and psychological implications *Fashion beyond Versailles* both makes use of and contributes to the burgeoning literature on material culture fashion and consumption

[Duncan Phyfe](#) Peter M. Kenny, Duncan Phyfe, Michael Kevin Brown, 2011 Duncan Phyfe 1770 1854 known during his lifetime as the United States' Rage to this day remains America's best known cabinetmaker Establishing his reputation as a purveyor of luxury by designing high quality furniture for New York's moneyed elite Phyfe would come to count among his clients some of the nation's wealthiest and most storied families This richly illustrated volume covers the full

chronological sweep of the craftsman's distinguished career from his earliest furniture which bears the influence of his 18th century British predecessors Thomas Sheraton and Thomas Hope to his late simplified designs in the Grecian Plain. More than sixty works by Phyfe and his workshop are highlighted including rarely seen pieces from private collections and several newly discovered documented works. Additionally, essays by leading scholars bring to light new information on Phyfe's life, his workshop production and his roster of illustrious patrons. What unfolds is the story of Phyfe's remarkable transformation from a young immigrant craftsman to an accomplished master cabinetmaker and an American icon. Publisher's website

The Art of Hosting and Decorating Lydie J. Stassart, 2015-03-20 One way or another whether at the occasion of a child's birthday party, a weekend at the lake, a luncheon, a neighborhood holiday party, a breakfast gathering or a lavish soiree, we are all bound to entertain. Entertaining should not be considered a burden; it should be fun and enjoyable. No matter what the local customs are, there is a universal *savoir faire*. It is usually around a table that ideas are exchanged, new projects are started, and friendships are made. I want to share with you some guidelines, ideas, and tips I have learned over the years while entertaining on both sides of the Atlantic, and to help you acquire those skills, no matter what your entertaining abilities are, to turn a dinner party into a memorable evening for you and your guests. I will also incorporate some designing rules and ideas as far as lighting, furniture placement, colors, and accessories. As a little girl, I remember watching my mother and grandmother set tables, wondering how you could go from a simple wooden table to such an elaborate decor. It was magical, and I was fascinated by the artistry of it all. As I grew up, I spent endless hours leafing through decorating magazines, scrutinizing every detail of interiors. I hope to share my passion and pass down what I have learned to my daughters, granddaughters, and now you.

The First Fleet Piano: Volume One Geoffrey Lancaster, 2015-11-03 During the late eighteenth century, a musical cultural phenomenon swept the globe. The English square piano, invented in the early 1760s by an entrepreneurial German guitar maker in London, not only became an indispensable part of social life but also inspired the creation of an expressive and scintillating repertoire. Square pianos reinforced music as life's counterpoint and were played by royalty, by musicians of the highest calibre, and by aspiring amateurs alike. On Sunday 13 May 1787, a square piano departed from Portsmouth on board the *Sirius*, the flagship of the First Fleet bound for Botany Bay. Who made the First Fleet piano, and when was it made? Who owned it? Who played it, and who listened? What music did the instrument sound out, and within what contexts was its voice heard? What became of the First Fleet piano after its arrival on antipodean soil, and who played a part in the instrument's subsequent history? Two extant instruments contend for the title First Fleet piano, which of these made the epic journey to Botany Bay in 1787-88? *The First Fleet Piano: A Musician's View* answers these questions and provides tantalising glimpses of social and cultural life both in Georgian England and in the early colony at Sydney Cove. The First Fleet piano is placed within the musical and social contexts for which it was created, and narratives of the individuals whose lives have been touched by the instrument are woven together into an account of the First Fleet piano's conjunction.

with the forces of history View The First Fleet Piano Volume Two Appendices Note Volume 1 and 2 are sold as a set 180 for both and cannot be purchased separately **French Art Deco** Jared Goss,2014-09-30 Art Deco the term conjures up jewels by Van Cleef such as Cubism and Fauvism and a taste for the exotic all of which converged in exceptionally luxurious and innovative objects While the practice of Art Deco ended with the Second World War interest in it has not only endured to the present day but has grown steadily Based on the Metropolitan Museum s renowned collection French Art Deco presents more than eighty masterpieces by forty two designers Examples include S e et Mare s furniture from the 1925 Exposition Dufy s Cubist inspired textiles Dunand s lacquered bedroom suite Dupas s monumental glass wall panels from the SS Normandie and Fouquet s spectacular dress ornament in the shape of a Chinese mask Jared Goss s engaging text includes a discussion of each object together with a biography of the designer who created it and is enlivened by generous quotations from writings of the period The extensive introduction provides historical context and explores the origins and aesthetic of Art Deco With its rich text and sumptuous photographs this is not only one of the rare books on French Art Deco in English but an object d art in its own right *The Story of Western Furniture* Phyllis Bennett Oates,1998-05-01 As well as fulfilling a functional need furniture has always been an index of status From the throne of Tutankhamen or the bed of State of Louis XIV to the austere Shaker chest or the Charles Eames chair and later modern pieces from Europe the Far East and the United States the style of each piece tells much about the outlook of the makers and the needs and skills of the time This absorbing history traces the development of furniture design and production from the days of ancient Egypt to the present describing what articles were made in each period how they were made and what were the social and economic conditions that affected style and finish The author discusses techniques such as joinery turning veneering marquetry polishing upholstery bentwood work and lamination Many examples are shown in the illustrations which are invaluable recognition sources and a lively visual accompaniment to the text "Fashion, Interior Design and the Contours of Modern Identity " Alla Myzelev,2017-07-05 Challenging the notion that fashion and furniture were or are separate enterprises and distinct material aesthetic traditions this collection focuses on three material and conceptual links central to understanding the relationship between interior design and fashion the body fabric and space The volume considers the changing visual material and spatial character methodological challenges posed by and formal political and historiographical significance of a wide range of British European and North American case studies since the eighteenth century The volume s eleven case studies allow the reader to understand connecting notions behind the formation of interiors and fashionable clothing The essays combine a wide range of significant and challenging new examples alongside powerful reversionary analyses of the various periods artists designers and their best and significant objects Fashion Interior Design and the Contours of Modern Identity is concerned not only with fabric but also with the body and the implications of embodiment in the practices of both design domains which are equally invested in the comfort aesthetic pleasure extension and support of the body in different
