Frenchman In Lincolns America Volume 1

Kathryn Allamong Jacob

Frenchman In Lincolns America Volume 1:

A History of New York François Weil, 2004 In telling the story of how New York has grown from Dutch colonial outpost to the global city the capital of the 21st century François Weil also examines the social tensions that have arisen from this evolving role and how the New York experience has affected American notions of urban space *America's History, Volume 1: To 1877* James A. Henretta, Rebecca Edwards, Robert O. Self, 2011-01-05 America's History helps AP students Grasp vital themes The seventh edition emphasizes political culture and political economy to help students understand the ways in which society culture politics and the economy inform one another Understand periodization America's History's unique seven part structure which organizes history into distinct eras introduces students to periodization and helps them understand cause and effect identify historical continuities and track change over time Develop the skills they need to succeed America's History's hallmark analytical narrative and pedagogy help students synthesize what they've learned and interpret history for themselves Back cover **Democratic Eloquence** Kenneth Cmiel, 1991-01-01 A penetrating account of the long debate about the kind of public language appropriate for a democratic society Cmiel manages to do justice to both sides Christopher Lasch author of *The Culture of Narcissism* Every scholar interested in the English language will put this book next to Mencken and Baugh It will be indispensable to writing the social history of English into the 20th Century Joseph Williams author of *Origins of the English Language* *Thomas Lincoln* Daniel Cravens Taylor, 2019-07-26 Hundreds of books have been written and are still being written about Abraham Lincoln But in the annals of Lincoln history Thomas Lincoln Abraham's father is a largely neglected figure He rates a few paragraphs in an otherwise large biography and has served as a quick backdrop to the birth and childhood of our sixteenth president Early Lincoln biography did not consider Thomas worthy of much mention William Herndon set the pattern for how Thomas has been viewed historically Thomas was seen as roving and shiftless lazy beyond repair Thomas was said to be uneducated and against education He was portrayed as mentally and physically slow careless inert and dull He was the obstacle Abraham overcame to become great That view of Thomas Lincoln is wrong Thomas was not dull or inert or lazy He lived in a different path from that chosen by his illustrious son but he was not an obstacle his son had to overcome Because of this view many will consider this volume to be revisionist history In a sense it is It will revise the standard view of Thomas based on the historical record available and place him as he was in the events and time in which he lived However it is not revisionist in the negative sense that wording often suggests It is not built from twisting events or rewriting timeframes to make history into something it was not Thomas Lincoln Abraham's Father will correct the old and errant understanding of Thomas Lincoln and show him the man he truly was It will not enlarge him into something he was not nor will it lower him to be what many have thought him Lincoln history has a gap in not having the story of Thomas Lincoln readily available Hopefully this volume will open the doors to taking a new and serious look at the father who raised and shaped Abraham Lincoln's early life Rude Republic Glenn C. Altschuler, Stuart M.

Blumin,2001-08-12 In this look at Americans and their politics the authors argue for a more complex understanding of the space occupied by politics in 19th century American society and culture King of the Lobby Kathryn Allamong Jacob,2021-04-27 A biography of the influential and engaging character who courted Congress with food wine and gifts in the post Civil War era The Washington Post Book World King of the Lobby tells the story of how one man harnessed delicious food fine wine and good conversation to become the most influential lobbyist of the Gilded Age Scion of an old and honorable family best friend of Henry Wadsworth Longfellow and charming man about town Sam Ward held his own in an era crowded with larger than life personalities Living by the motto that the shortest route between a pending bill and a congressman s eye was through his stomach Ward elegantly entertained political elites in return for their votes At a time when waves of scandal washed over Washington the popular press railed against the wickedness of the lobby and self righteous politicians predicted that special interests would cause the downfall of democratic government Sam Ward still reigned supreme By the early 1870s he had earned the title King of the Lobby cultivating an extraordinary network of prominent figures and a style that survives today in the form of expensive golf outings extravagant dinners and luxurious vacations Kathryn Allamong Jacob s account shows how the king earned his crown and how this son of wealth and privilege helped to create a questionable profession in a city that then as now rested on power and influence Her extensive research is reflected in her recounting of Ward s life successfully putting it into the context of the history of lobbying will appeal to American history buffs Publishers Weekly *The Revolution of 1861* Andre M. Fleche,2012-03-01 It was no coincidence that the Civil War occurred during an age of violent political upheaval in Europe and the Americas Grounding the causes and philosophies of the Civil War in an international context Andre M Fleche examines how questions of national self determination race class and labor the world over influenced American interpretations of the strains on the Union and the growing differences between North and South Setting familiar events in an international context Fleche enlarges our understanding of nationalism in the nineteenth century with startling implications for our understanding of the Civil War Confederates argued that European nationalist movements provided models for their efforts to establish a new nation state while Unionists stressed the role of the state in balancing order and liberty in a revolutionary age Diplomats and politicians used such arguments to explain their causes to thinkers throughout the world Fleche maintains that the fight over the future of republican government in America was also a battle over the meaning of revolution in the Atlantic world and as such can be fully understood only as a part of the world historical context in which it was fought **Ohio River Road Trip** Randall P. Royka,2022-11-16 In 2018 author and historian Randall P Royka set out with his wife to retrace the westward movement of pioneers along the Ohio River after American Independence Part history part travelogue Ohio River Road Trip shares on the ground experience alongside historical context told in engaging readable prose Royka interweaves his modern day trip with the memoirs of a nineteenth century Frenchman who covered much of the same ground imagined as a whimsical conversation across the centuries It is a

wondrous book about the joy of discovery the freedom in travel and the lessons to be learned from those that have walked before us Complete with travel itinerary and maps this book will appeal to anyone interested in American history and travel in the American Heartland Sons of the White Eagle in the American Civil War Mark F. Bielski,2016-04-19 The untold stories of nine Polish Americans who bravely fought in the Civil War includes photographs maps and illustrations This unique history chronicles the lives of nine Polish American immigrants who fought in the Civil War Spanning three generations they are connected by the White Eagle the Polish coat of arms and by a shared history in which their home country fell to ruin at the end of the previous century Still each carried a belief in freedom that they inherited from their forefathers More highly trained in warfare than their American brethren and more inured to struggles for nationhood the Poles made significant contributions to the armies they served The first group had fought in the 1830 war for freedom from the Russian Empire The European revolutionary struggles of the 1840s molded the next generation The two youngest came of age just as the Civil War began entering military service as enlisted men and finishing as officers Of the group four sided with the North and four with the South and the ninth began in the Confederate cavalry and finished fighting for the Union side Whether for the North or the South they fought for their ideals in America s greatest conflict Nominated for the Gilder Lehrman Prize *Catalog of Copyright Entries. Third Series* Library of Congress. Copyright Office,1977 **Writing New York** Phillip Lopate,2000

Wherever you go in New York you walk through somebody s literary turf In Phillip Lopate s excellent anthology what really shines is the journalism Garrison Keillor The New York Times Book Review **Critical Race Studies Across Disciplines** Jonathan Chism,David Ryden,Vida Robertson,Stacie Craft DeFreitas,2021-04-19 This book argues that critical race theory CRT which originated within Legal Studies during the 1970s has permeated multiple academic disciplines and informs the ethical commitments of scholars in diverse fields of study Critical Race Studies Across Disciplines includes essays by scholars of African American studies from various disciplines who directly and indirectly incorporate CRT through signaling a commitment to scholar activism or scholactivism Scholactivists hope to understand the roots of anti Black racism and to actively oppose all forms of oppression Drawing on CRT the volume counters the colorblind rhetoric of those who dismiss the notion of systemic racism discount racial inequities and disregard racial justice advocates as malcontents fanning the flames of racial dissension The contributors of this collection challenge racism centering the stories perspectives and counter narratives of African American soldiers teachers students writers psychologists and theologians who continually defy and resist oppression in myriad ways The Industrial Book, 1840-1880 Scott E. Casper,2007 V 1 The colonial book in the Atlantic world This book carries the interrelated stories of publishing writing and reading from the beginning of the colonial period in America up to 1790 v 2 An Extensive Republic This volume documents the development of a distinctive culture of print in the new American republic v 3 The industrial book 1840 1880 This volume covers the creation distribution and uses of print and books in the mid nineteenth century when a truly national book trade emerged v 4 Print in Motion In a period

characterized by expanding markets national consolidation and social upheaval print culture picked up momentum as the nineteenth century turned into the twentieth v 5 The Enduring Book This volume addresses the economic social and cultural shifts affecting print culture from Word War II to the present The Nineteenth-century Visual Culture Reader Vanessa R. Schwartz, Jeannene M. Przyblyski, 2004 This Reader brings together for the first time key writings about the nineteenth century a key period in contemporary discussion of visual culture Exploring such topics as photographs exhibitions and advertising the editors suggest that modernity rather than modernism is a valuable way of understanding the changes particular to the visual culture of the time and they investigate a variety of nineteenth century images technologies and visual experiences With three specially written essays about definitions of visual culture as an object of study the book examines genealogies and introduces key writings about culture from writers living in the nineteenth century itself or from those who scrutinized its visual culture from early in the twentieth century such as Walter Benjamin and Siegfried Kracauer The Nineteenth Century Visual Culture Reader is organized around key themes technologies of vision practices of display and the circulation of images cities and the built environment visual representations of the past visual representations of categories of racial sexual and social differences spatial configurations of inside and out private and public Selections include well known authors and new research by younger scholars to produce a well balanced and comprehensive collection **City Reading** David M. Henkin, 1998 Henkin explores the influential but little noticed role reading played in New York City's public life between 1825 and 1865 The ubiquitous urban texts from newspapers to paper money from street signs to handbills became both indispensable urban guides and apt symbols for a new kind of public life that emerged first in New York **Rally 'Round the Flag** Theodore J. Karamanski, 2006-03-10 In this landmark narrative history of Chicago during the Civil War Theodore J Karamanski examines the people and events that formed this critical period in the city's history Using diaries letters and newspapers that survived the Great Fire of 1871 he shows how Chicagoans' opinions evolved from a romantic and patriotic view of the war to recognition of the conflict's brutality Located a safe distance behind the battle lines and accessible to the armies via rail and waterways the city's economy grew feverishly while increasing population strained Chicago's social fabric From the great Republican convention of 1860 in the Wigwag to the dismal life of Confederate prisoners in Camp Douglas on the South Side of Chicago Rally Round the Flag paints a vivid picture of the Midwest city vigorously involved in the national conflict The ^AGlobal Lincoln Richard Carwardine, Jay Sexton, 2011-08-05 More than any other American historical figure Abraham Lincoln towers over the global landscape a leader who spoke and continues to speak to people around the world The Global Lincoln tells the unknown and remarkable story of this great president's worldwide legacy Edited by acclaimed Lincoln biographer Richard Carwardine and Jay Sexton this fascinating volume brings together leading historians from around the globe to explore the image and influence of Lincoln in places ranging from Germany to Japan India Ireland Africa and Argentina **AB Bookman's Weekly** , 1994 **The Stormy Present** Adam I. P.

Smith,2017-10-06 In this engaging and nuanced political history of Northern communities in the Civil War era Adam I P Smith offers a new interpretation of the familiar story of the path to war and ultimate victory Smith looks beyond the political divisions between abolitionist Republicans and Copperhead Democrats to consider the everyday conservatism that characterized the majority of Northern voters A sense of ongoing crisis in these Northern states created anxiety and instability which manifested in a range of social and political tensions in individual communities In the face of such realities Smith argues that a conservative impulse was more than just a historical or nostalgic tendency it was fundamental to charting a path to the future At stake for Northerners was their conception of the Union as the vanguard in a global struggle between democracy and despotism and their ability to navigate their freedoms through the stormy waters of modernity As a result the language of conservatism was peculiarly and revealingly prominent in Northern politics during these years The story this book tells is of conservative people coming in the end to accept radical change **America's History, Combined Volume** James A. Henretta, Rebecca Edwards, Robert O. Self,2011-01-05 America s History helps AP students Grasp vital themes The seventh edition emphasizes political culture and political economy to help students understand the ways in which society culture politics and the economy inform one another Understand periodization America s History s unique seven part structure which organizes history into distinct eras introduces students to periodization and helps them understand cause and effect identify historical continuities and track change over time Develop the skills they need to succeed America s History s hallmark analytical narrative and pedagogy help students synthesize what they ve learned and interpret history for themselves Back cover
