Confession Patrick W. Carey, 2018-09-05 Confession is a history of penance as a virtue and a sacrament in the United States from about 1634 when Catholicism arrived in Maryland to 2015 fifty years after the major theological and disciplinary changes initiated by the Second Vatican Council Patrick W Carey argues that the Catholic theology and practice of penance so much opposed by the inheritors of the Protestant Reformation kept alive the biblical penitential language in the United States at least until the mid 1960s when Catholic penitential discipline changed During the nineteenth and early twentieth centuries American Catholics created institutions that emphasized in opposition to Protestant culture confession to a priest as the normal and almost exclusive means of obtaining forgiveness Preaching teaching catechesis and parish revival type missions stressed sacramental confession and the practice became a widespread routine in American Catholic life After the Second Vatican Council the practice of sacramental confession declined suddenly The post Vatican II history of penance influenced by the Council s reforms and by changing American moral and cultural values reveals a major shift in penitential theology moving from an emphasis on confession to emphasis on reconciliation Catholics make up about a quarter of the American population and thus changes in the practice of penance had an impact on the wider society In the fifty years since the Council penitential language has been overshadowed increasingly by the language of conflict and controversy In today s social and political climate Confession may help Americans understand how far their society has departed from the penitential language of the earlier American tradition and consider the advantages and disadvantages of such a departure

The instruction of youth in Christian piety. From the Fr Charles Gobinet, 1824 *Confession: Its Fruitful Practice* Sisters of Perpetual Adoration, 2009 Blessed are they that wash their robes in the Blood of the Lamb Apoc 22 14 Catholics truly may be called blessed in the means they have of washing the sin stained robes of their souls in the Precious Blood of the Lamb of God in the Sacrament of Penance There is no question but that confession especially frequent confession is an inestimable blessing to mankind Man can hope for no greater blessing on this earth than true peace of soul The Sacrament of Penance is a perennial fountain of peace It is a source of untold consolation to human hearts This sacrament gives any and every member of the Catholic Church who has transgressed the holy laws of God an easy and simple means to obtain full

pardon and to be restored to His friendship This is its first and principal effect Its second effect is to wipe out the punishment due to sin eternal punishment entirely and temporal punishment in whole or in part according to the penitent s dispositions It closes the gates of hell which open to swallow up in the infernal abyss souls who deliberately turn away from God by mortal sin and sunder the ties binding them to Him by preferring their own will to His A good confession opens anew the portals of heaven which is barred to souls as long as they remain in the state of grievous sin It clothes souls with the beautiful nuptial garment of sanctifying grace or renders that garment still more beautiful if the soul already possesses it It restores past merits which are lost by even a single mortal sin It renders the soul capable again of performing meritorious acts which is impossible while it is in the state of mortal sin It confers sacramental graces that is powerful supernatural helps to avoid sin in the future and to persevere in the service of God It gives a claim to the special graces the soul needs in order to lead a God pleasing life Finally it checks sinful passions and inclinations to evil To partake in fullest measure of these blessings of the Sacrament of Penance it is necessary for the penitent to know how to make a good confession The present booklet is an attempt to help souls in this all important matter by explaining the five requisites of a good confession and various points which are of vital importance for the fruitful reception of this Sacrament

Theory and Practice of the Confessional

Caspar Erich Schieler,1905 *Saint Catherine of Siena* Mary Fabyan Windeatt,1993-04 Oh but I must hurry thought young Catherine very early one morning as she picked up a loaf of bread and a jug of water from the kitchen No one must suspect anything Catherine had made up her mind to run away She wanted to become a hermit in a cave so she could pray and think about God all day long Catherine slipped out the door and into the court yard then out into the cobbled street then out beyond the city gates Farther and farther she walked Several hours went by The countryside was growing wilder and stranger I am miles and miles away from home now said Catherine to herself Suddenly there it was A beautiful cave It looked like the perfect place Catherine was overjoyed But was Catherine really old enough to be a hermit And wouldn t her father come looking for her to take her home Most of all was it really God s will for her to be a hermit This book gives the answers It also tells how Catherine cut off her hair how she cared for the rude old woman how she saved her dear father from Purgatory and how she advised the Holy Father himself All in all this is the

wonderful story of how little Catherine became one of the very greatest saints in the Catholic Church **Sexuality in the Confessional** Stephen Haliczer, 1996 Drawing upon a wealth of actual cases and trial evidence left by the Spanish Inquisition this work documents the eroticizing of the confessional between 1530 and 1819 It argues that the Counter Reformation Church actually helped to foster sexual solicitation in the confessional **Religion and Superstition in Reformation Europe** Helen Parish, William G. Naphy, 2002 Superstition is one of the most fought over terms in the history of early modern popular culture especially religious culture and is also one of the most difficult to define This volume offers a novel approach to the issue based upon national and regional studies and examinations of attitudes to prophets ghosts saints and demonology alongside an analysis of Catholic responses to the Reformation and the apparent presence of superstition in the reformed churches It challenges the assumptions that Catholic piety was innately superstitious while Protestantism was rational and suggests that the early modern concept of superstition needs more careful treatment by historians *The Culture of Confession from Augustine to Foucault* Chloe Taylor, 2010-05-26 Drawing on the work of Foucault and Western confessional writings this book challenges the transhistorical and commonsense views of confession as an innate impulse resulting in the psychological liberation of the confessing subject Instead confessional desire is argued to be contingent and constraining and alternatives to confessional subjectivity are explored **Making Confession, Hearing Confession** Annemarie S. Kidder, 2010-03-01 Is confession obsolete Far from it Annemarie Kidder has learned At unexpected times and in unexpected places we hear the confession of a friend or a perfect stranger at crucial times in our lives we tend to unburden ourselves of matters that trouble our conscience While some churches offer opportunities for sacramental confession others provide counseling outside the sacramental framework Some confessional practices have been secularized as in psychotherapy and professional counseling others find expression in evangelistic crusades and Christian 12 step programs Meanwhile the scope of confessors has widened to include men and women religious and lay spiritual directors Addressing this broad audience Kidder reviews the origins and history of confession from biblical times to the early modern era examines contemporary practices of confession penance and spiritual direction that have emerged in the twentieth century and offers practical considerations for evaluating and improving one's own practice either as confessor or penitent Readers will be grateful for this concise historical overview of confession and Kidder's assurance that despite its undervalued or misunderstood practice this cure of souls is anything but obsolete Saint John Masias Mary Fabyan Windeatt, 2009 I'm going to see Father Prior about this sputtered old Father Francis as the little group of priests and brothers peered into the chapel at Brother John Brother John was praying ardently several feet off the floor There is no need to have these these acrobatics And right in the sanctuary too The others did not know what to say Brother John is a saint ventured one brother Father Francis however dismissed the wonder with a wave of his hand I'm quite sure that Brother John is a saint he declared but I still see no reason for him to float about in the air Some of our younger brothers may think they should be able to float

in the air too Oh no exclaimed one young priest That won't happen That's what you think came the reply I shall speak to Father Prior and ask him to put a stop to all such exhibitions Brother John will have to obey him What would the Prior say Would he agree with Father Francis This book gives the answer It also tells how John Masias came from Spain to the New World how he was fired from a job because of his poor education how he went on miraculous travels how he fought the Devil and how he freed over a million souls from Purgatory All in all this is the wonderful story of St John Masias the marvelous Dominican gatekeeper of Lima Peru The Little Catechism of the Curé of Ars St. Jean-Marie Baptiste Vianney,1994-06 Catholic wisdom stated in a simple sublime penetrating way His sage counsel on 36 important topics Probably the most persuasive exhortation ever urging us to renounce sin **Saint Monica** F. A. Forbes,1998-05 The famous persevering mother whose prayers patience and good example at last obtained the conversion of her wayward son the great St Augustine as well as her pagan husband and her mother in law Includes her childhood difficult marriage anguish over Augustine constancy and in the end her joy at his conversion A magnificent story of prayer finally answered Sin and Confession on the Eve of the Reformation Thomas N. Tentler,2015-03-08 Although John Calvin often likened sacramental confession to butchery the Council of Trent declared that for those who approached it worthily it was made easy by its great benefits and consolations Thomas Tentler describes and evaluates the effectiveness of sacramental confession as a functioning institution designed to cause guilt as well as cure guilt seeing it in its proper place as a part of the social fabric of the Middle Ages The author examines the institution of confession in practice as well as in theory providing an analysis of a practical literature whose authors wanted to explain as clearly as they safely could what confessors and penitents had to believe do feel say and intend if sacramental confession were to forgive sins In so doing he recreates the mentality and experience that the Reformers attacked and the Counter Reformers defended Central to his thesis is the contention that Luther Calvin and the Fathers of Trent regarded religious institutions as the solution to certain social and psychological problems and that an awareness of this attitude is important for an assessment of the significance of confession in late medieval and Reformation Europe Originally published in 1977 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905 **Light and Peace** Rev. Fr. R. P. Quadrupani,1980-10 LIGHT AND PEACE is a handbook for getting to Heaven a short and practical course in proper Christian living that covers all the important aspects of our religious duties By far the most telling feature of this little book is its immense common sense and good advice LIGHT AND PEACE shows that perfecting one's self is not a complicated task but one which requires good practical thinking and a knowledge of the task at hand in short Light on the path which is what this book is Thereafter the

result of one's knowing where he is going spiritually and how best to achieve this end is Peace that peace which Our Lord promised and which the world cannot give LIGHT AND PEACE is a classic in Catholic spirituality First written in 1795 in Italian this work has passed through innumerable editions in Italian French German and English the present one alone being the tenth in this format In short it is a summary of spiritual guidance for earnest Christians in the ordinary duties of life in the world Translator's Preface Lukewarmness Francis Carvajal,1992 **How to Serve** Dom Matthew Britt,2009 The ever increasing interest in the Liturgical Traditions of the Church gives rise to the need for adequately trained altar servers and what better way to assist than to resurrect this classic This famous handbook is an invaluable resource for all altar boys from beginning to advanced Though written for Instructors this manual can also be used for home study schools and sacristies Dom Matthew Britt begins by offering specific instructions on common ceremonial actions including how to make the proper bow how to light the candles and how to carry the Missal He also walks the servers step by step through Low Mass with one or two servers High Mass Solemn High Masses Nuptial and Requiem Masses Vespers and Benediction of the Blessed Sacrament Contains more than 24 diagrams showing the various actions and positions of acolytes Thurifer Master of Ceremonies Sub Deacon and Deacon Includes servers responses for the 1962 Latin Mass How to Serve is a brief and clear manual from 1934 that is simply the best book of its kind It will once again become the standard reference for acolytes handing on to young servers the disciplines necessary for reverent Catholic ceremonies Every altar boy should realize that he is after the priest and in the absence of other priests or Sacred Ministers the closest one in the whole church to our Divine Savior in the Blessed Sacrament Occupying this very important position in his parish an Altar Boy's conduct should be exemplary at all times and in all places Rev Joseph W Kavanagh author of The Altar Boys Ceremonial **Saint Thomas Aquinas** Mary Fabyan Windeatt,1995-07 The Dumb Ox was a perfect nickname for young Thomas Aquinas although it was none too kind Thomas was big slow to speak a quiet and solemn youth Even Father Albert was inclined to think him rather dull No one knew about Thomas amazing memory or that he knew most of the Bible by heart or that no subject was difficult for him One day Thomas decided to amuse himself by writing a paper on a really hard problem in Theology Then somehow after writing it he lost it A few days later the paper turned up on Father Albert's desk Father Albert read it then called Thomas to his cell Brother Thomas he asked as the student entered the room did you write this This book describes what happened next plus the other events in Thomas remarkable life It tells how his mother fought against his vocation how his brothers kidnapped him and put him in a tower how his sisters helped him and how angels brought him something from Heaven All in all this book shows how Thomas The Dumb Ox came to be the Patron of Catholic Schools and the greatest teacher ever in the history of the Catholic Church Saint Benedict Mary Fabyan Windeatt,1942-12-31 The famous life and great miracles of St Benedict for all children 10 and up The story of poisoned wine saving a body from drowning raising one from the dead plus how he founded the Benedictine Order his sister St Scholastica etc
