Successful Christianity Dr. Roger Price,2008-05-23 The world is full of religions espousing mans ideas of how to get to their particular gods or goddesses and to gain their favor These people seem to be in a continuous state of failure Successful Christianity explores the Christian faith in which there are those also who struggle to be on top of things in life This book

gives multiple avenues of overcoming what is seen by some as a person's fate in life. From failures in finances to poor health, I point out that there has to be a change in our thinking if we are to ever be successful in our walk with the Lord. Proposing that God wants us to be successful in life, Scripture is called upon to point out the various avenues in which we please God by our faith and actions that back up that faith which will bring success. Our focus on a growing relationship with our Lord and His Word, I am convinced, is the avenue of success for the Christian. That is my experience, and I pray you find it true also.

The Perfect 10 Michael G. Moriarty, 1999. Most of us realize that traffic laws exist to preserve our lives, not cramp them. Yet when it comes to moral laws, 66 percent of Americans believe there are no absolutes. Is it any wonder then that the highway of our postmodern culture is strewn with wrecks? Broken marriages, overcrowded prisons, murder in the classrooms, babies having babies, they're what happen when we confuse liberty with ignoring the rules of the road. That's why Michael Moriarty is convinced that the Ten Commandments really are The Perfect 10. Behind them lie God's concern for our welfare and his understanding of the indelible truths that govern our world, our relationships, and our inner being. One by one, Moriarty reveals the Ten Commandments as the keys to wholeness and freedom and shows their far-reaching application for us today. For the Perfect 10 remain the ideal ethical compass. They help us align our lives with the character of God and to a world hurtling blindly down the dead-end road of moral relativism, they point the way back to sanity, restoration, and life.

Authentic Christianity Richard W. Tow, 2018-12-13. In a time when biblical literacy is waning and values are less than absolute, Authentic Christianity is a helpful and needful book for today's church. Consisting of thirty chapters, a conclusion, a bibliography, and indexes, it moves through the first Epistle of John, segment by segment, mining biblical guidelines and blessings at every corner. Ben Aker, PhD, professor emeritus of New Testament and exegesis, Assemblies of God Theological Seminary, I want this book in the hands of every one of my students and ministry leaders. The church is at a crossroads wherein we are teetering along a slippery slope that has ensnared a generation with a gospel unlike that preached by Christ and his disciples. Pastor Troy D. Bohn, director of Raven Ministries International Training Center, I highly recommend Dr. Richard Tow's Authentic Christianity for pastors and anyone serious about studying 1 John in a deeper way. Dr. Tow presents practical ideas and lessons for how twenty-first-century Christians can protect our hearts and minds against modern-day false teachings, how to sincerely and biblically live our lives with love and a clear conscience. Dr. Donald W. Eubank, chaplain, retired lieutenant colonel, US Army, endorsing agent, military VA chaplains, Foursquare Gospel Church, This book should be required reading for anyone in ministry. The church is slowly apostatizing due to its ignorance of what constitutes a genuine biblical believer. John's epistle more than any other New Testament book differentiates between the true child of God and those who are merely claiming to be one. John's bottom line is: These things I have written in order that you may know that you have eternal life. Find out what John means by know. It's a matter of life or death.
