**Freya Stark in Southern Arabia** Malise Ruthven, Freya Stark, 1995 In 1934 Freya Stark encouraged by her recent awards from the Royal Geographical and Royal Central Asian Societies set out to explore the Incense Road in Arabia The magnificent canyons of Wadi Hadhramaut stretching for 350 miles inland from the coast inspired Dame Freya to produce some of her best photographs The fortified cities with their mud brick skyscrapers and luscious palm groves perched along the valley beneath towering cliffs are amongst the most visually stunning sights in the world This once rich region home to the Queen of Sheba and made prosperous as a trading route between India and Europe was by then part of the Aden Protectorate under British rule but very little of the country had been explored by Westerners Dame Freya's particular empathy with local people speaking their own language resulted in charming pictures of people she worked or travelled with and the homes and costumes of the period She travelled in the country twice during the 1930s and both times was forced to leave due to illness However her pictures of Aden Mukalla and Shibam are exceptional in evoking traditional life in this fertile region of Arabia During the second world war she returned to Aden and was sent by the Ministry of Information to counter Italian influence in the neighbouring Kingdom of Yemen Armed only with her charm and a primitive cinema projector she helped persuade the legendary Imam Yahya to keep his country out of war Forty years later at the age of 83 she returned to North Yemen revisiting some of the places she remembered most fondly

the Middle East      **In the Heart of the Desert** Michael Quentin Morton, 2007 In the heart of the desert is the biography of exploration geologist Mike Morton written by his son who grew up with his father's stories and first came to experience the desert on their field trips together Making use of Mike's journals and letters and writings of his contemporaries the author describes his father's journeys and what it was like for westerners to live in the Middle East in the post World War II years The book is also a history of oil exploration in the Middle East relying on the author's extensive research into company archives and eye witness accounts of activities in the field Provided by publisher      *On My Own* Florence Falk, 2007-03-20 At some point over the course of the average American woman's life she will find herself alone whether she is divorced widowed single or in a loveless isolating relationship And when that time comes it is likely that she will be at a loss as to how to handle it As a society we have an unspoken but omnipresent belief that a woman alone is an outcast inherently flawed in some way In this invigorating supportive book psychotherapist Florence Falk aims to take the fear doubt confusion and helplessness out of being a woman alone Falk invites all women to find their own paths toward an authentic selfhood to discover the pleasures and riches of solitude and to reconnect with others through a newfound sense of self confidence Like so many women before her Florence Falk found herself divorced alone and unsure of herself Soon she realized that by embracing her solitude for what it was a potentially enriching and life altering experience she could turn what once would have felt like loneliness into a far more positive and empowered aloneness Falk notes that each of us has two opposing drives one causes us to yearn to make close connections with others and the other pulls us back into ourselves into the need for selfhood and certainty that can only be shaped through solitude In order to be whole she says we must heed both of those impulses But in our modern culture the former is stressed while the latter is neglected even vilified *On My Own* boldly shifts that paradigm With inspiring intimate stories of women from all backgrounds Falk illuminates the essential role that being alone plays in women's lives Whether she is in a stable relationship or on her own every woman must learn to be by herself for if she can be fully free unfettered by society's stigmas about being alone life and all its possibilities will open up for her And as Falk demonstrates once a woman has discovered the richness of solitude she is not likely to give it up so easily

**Indigo in the Arab World** Jenny Balfour-Paul, 2012-10-02 The role indigo has played elsewhere has been fairly well documented but in the case of the Arab world little or no thorough investigation has been previously undertaken Sets out to provide comprehensive coverage of the subject from its earliest history to the present day      **Perseus in the Wind** Freya Stark, 2019-07-16 Written just after the Second World War *Perseus in the Wind* named after the constellation is perhaps the most personal and haunting of all Freya Stark's writings She muses on the seasons the effect light has on a landscape at a particular time of day the smell of the earth after rain Muslim saints Indian temples war and old age Each chapter is devoted to a particular theme happiness simple pleasures like her father's passion for the view from his cabin in Canada education to be able to command happiness recognize beauty value death increase enjoyment beauty incongruous flighty and elusive a

**Military Maverick** Lavinia Greacen, 2025-03-31 Reveals the provocative and irreverent life of Dorman Smith through his private letters and war diary highlighting his military brilliance and conflicts with Churchill A follow up to the best selling biography Chink this selection from private letters and intimate war diary has the impact of a fresh no holds barred autobiography Dorman Smith the man flesh and blood comes alive here on the page Provocative irreverent caustic and witty his disdain for Churchill and for the Establishment in general increases as his military career unravels Egotistical Yes Arrogant Certainly His own worst enemy Perhaps But Dorman Smith's grasp of tactics and strategy was unsurpassed as his exchanges with Basil Liddell Hart demonstrate Full of contradictions he was externally reserved and inwardly super sensitive Growing up in style in Ireland and educated at public school in England his religion was Catholic and he scorned any Anglo Irish tag His private life while rising up the Northumberland Fusiliers proved colorful while a brief dalliance with the IRA in the 1950s never endangered his vow of silence over the Enigma Ultra secret This book gives a marvellous picture of personal war experience in two world wars from RMC Sandhurst and life in the trenches via the Staff College to high command in Egypt and India between the wars until service in North Africa under Wavell began and working side by side with Auchinleck at the First Battle of El Alamein That would lead to confrontation with Churchill and Brooke and subsequent breakout from Anzio under fire Readers will know what it was like to survive the trenches to serve in HQ as crises arose and to have command involving losses the reality of war is dramatic and moving The First Battle of El Alamein fought under Auchinleck in the emergency that dangerous summer of 1942 was to be followed within three months by Montgomery's celebrated battle and its consequent fame The important argument of Military Maverick however is that First Alamein was the real turning point in the Desert War and that makes Dorman Smith's account even more valuable The letters and diary entries are linked by commentary and explanation by the editor Lavinia Greacen and by the military historian John Lee
