Efraim Sicher

Friday Nights A Jewish Chronicle Anthology 1841-1971:

The Jewish Chronicle and Anglo-Jewry, 1841-1991 David Cesarani, 1994-03-03 A history of an important newspaper and of Jewish communal life interpreted through its most vibrant public voice **Beyond Marginality** Efraim Sicher, 2012-02-01 In a unique study of Anglo Jewish writers in the post war period Dr Sicher traces through their works the story of the rise of the Jewish community from slum poverty to suburban affluence This period is one of crucial social change in Britain At the same time Dr Sicher raises serious questions about the modern writer's cultural and ethnic identity In this process Dr Sicher advances the thesis that under the impetus of the Holocaust the more traditional conflict between Jewish roots and assimilation has been succeeded by a reassessment of identity and morality Dr Sicher's perspective on this particular period of literature is a highly original one and it should provoke creative reconsideration of other contexts and times as well

Reckless Rites Elliott Horowitz, 2018-06-26 Historical accounts of Jewish violence particularly against Christians have long been explosive material Some historians have distorted these records for anti Semitic purposes Others have discounted dismissed or simply ignored the evidence often for apologetic purposes In *Reckless Rites* Elliott Horowitz takes a new and forthright look at both the history of Jewish violence since late antiquity and the ways in which generations of historians have grappled with that history In the process he has written the most wide ranging book on Jewish violence in any language and the first to fully acknowledge and address the actual anti Christian practices that became part of the playful theatrical violence of the Jewish festival of Purim He has also examined the different ways in which the book of Esther upon which the festival is based was used by Jews and Christians over the centuries whether as an ancient mirror of modern tribulations or as the scriptural basis for anti Semitic claims regarding the bloodthirstiness of the Jews *Reckless Rites* reassesses the historical interpretation of Jewish violence from the alleged massacre of thousands of Christians in seventh century Jerusalem to later medieval attacks on Christian symbols such as the crucifix transgressions that were often committed in full knowledge that their likely consequence would be death A book that calls for major changes in the way that Jewish history is written and conceptualized *Reckless Rites* will be essential reading for scholars and students of history religion and Jewish Christian relations *Genius & Anxiety* Norman Lebrecht, 2020-12-08 This lively chronicle of the years 1847-1947 the century when the Jewish people changed how we see the world is a thrilling and tragic history especially good on the ironies and chain reaction intimacies that make a people and a past *The Wall Street Journal* In a hundred year period a handful of men and women changed the world Many of them are well known Marx Freud Proust Einstein Kafka Others have vanished from collective memory despite their enduring importance in our daily lives Without Karl Landsteiner for instance there would be no blood transfusions or major surgery Without Paul Ehrlich no chemotherapy Without Siegfried Marcus no motor car Without Rosalind Franklin genetic science would look very different Without Fritz Haber there would not be enough food to sustain life on earth What do these visionaries have in common They all had Jewish origins They all had a gift for thinking

in wholly original even earth shattering ways In 1847 the Jewish people made up less than 0.25% of the world's population and yet they saw what others could not How Why Norman Lebrecht has devoted half of his life to pondering and researching the mindset of the Jewish intellectuals writers scientists and thinkers who turned the tides of history and shaped the world today as we know it In *Genius Anxiety* Lebrecht begins with the Communist Manifesto in 1847 and ends in 1947 when Israel was founded This robust magnificent beautifully designed volume is an urgent and moving history The Spectator UK and a celebration of Jewish genius and contribution **The Jewish Year Book**, 1992 **Anglo-Jewish Bibliography, 1971-1990** Ruth Pauline Goldschmidt-Lehmann, Stephen W. Massil, Peter Shmuel Salinger, 1992 The fifth volume in a series published since 1988 Lists books and articles mainly in English See the index for works on antisemitism **Library of Congress Catalog** Library of Congress, 1974 A cumulative list of works represented by Library of Congress printed cards
