Freedom and the Court Henry Julian Abraham, 1967 Freedom and the Court Henry Julian Abraham, Barbara Ann Perry, 2003 Previous edition 6th published in 1994 Freedom and the Court ,1976 The History of the Supreme Court of the United States William M. Wiecek, 2006-01-23 The Birth of the Modern Constitution recounts the history of the United States Supreme Court in the momentous yet usually overlooked years between the constitutional revolution in the 1930s and Warren Court judicial activism in the 1950s 1941 1953 marked the emergence of legal liberalism in the divergent activist efforts of Hugo Black William O Douglas Frank Murphy and Wiley Rutledge The Stone Vinson Courts consolidated the revolutionary accomplishments of the New Deal and affirmed the repudiation of classical legal thought but proved unable to provide a substitute for that powerful legitimating explanatory paradigm of law Hence the period bracketed by the dramatic moments of 1937 and 1954 written off as a forgotten time of failure and futility was in reality the first phase of modern struggles to define the constitutional order that will dominate the twenty first century **Liberty and Freedom** David Hackett Fischer, 2004-11-15 Liberty and freedom Americans agree that these values are fundamental to our nation but what do they mean How have their meanings changed through time In this new volume of cultural history David Hackett Fischer shows how these varying ideas form an intertwined strand that runs through the core of American life Fischer examines liberty and freedom not as philosophical or political abstractions but as folkways and popular beliefs deeply embedded in American culture Tocqueville called them habits of the heart From the earliest colonies Americans have shared ideals of liberty and freedom but with very different meanings Like DNA these ideas have transformed and recombined in each generation The book arose from Fischer's discovery that the words themselves had differing origins the Latinate liberty implied separation and independence The root meaning of freedom akin to friend connoted attachment the rights of belonging in a community of freepeople The tension between the two senses has been a source of conflict and creativity throughout American history Liberty Freedom studies the folk history of those ideas through more than 400 visions images and symbols It begins with the American Revolution and explores the meaning of New England's Liberty Tree Pennsylvania's Liberty Bells Carolina's Liberty Crescent and Don't Tread on Me rattlesnakes In the new republic the search for a common American symbol gave new meaning to Yankee Doodle Uncle Sam Miss Liberty and many other icons In the Civil War Americans divided over liberty and freedom Afterward new universal visions were invented by people who had formerly been excluded from a free society African Americans American Indians and immigrants The twentieth century saw liberty and freedom tested by enemies and contested at home yet it brought the greatest outpouring of new visions from Franklin Roosevelt's Four Freedoms to Martin Luther King's dream to Janis Joplin's nothin left to lose Illustrated in full color with a rich variety of images Liberty and Freedom is literally an eye opening work of history stimulating large spirited and ultimately inspiring A Companion to the United States Constitution and Its Amendments John R.
