# Freedom Feminism And The State An Overview Of Individualist Feminism

**Eugenia C. DeLamotte**

## **Freedom Feminism And The State An Overview Of Individualist Feminism:**

Freedom, Feminism, and the State Wendy McElroy, 1991-02-01 Many feminists have believed that government is the natural ally of the women's movement. However, this book demonstrates that the opposite is true: government has long been a major oppressor of women and their rights. Feminism is not a new political force; its origins can be traced back to the abolitionist movement before the Civil War. Fighting to end slavery, women became conscious of their own legal disabilities. From these anti-statist roots, the women's movement eventually divided over such issues as sex, the family, and war. McElroy's book traces individualist feminism from those early roots until the present day. Her research demonstrates that in vital issues from sex and birth control to business and science, government has been the real obstacle in preventing women from achieving personal freedom and equal rights. This book discusses such controversies as individualism and socialism in the feminist tradition, economic freedom, and the role of women, and the contemporary differences between mainstream and individualist feminism. Through McElroy's work and those of a distinguished group of contributors, this book issues a ringing call for women to recapture their individualist heritage.

**Freedom, Feminism, and the State** Wendy McElroy, 1991-01-01 Many feminists have believed that government is the natural ally of the women's movement. However, this book demonstrates that the opposite is true: government has long been a major oppressor of women and their rights. Feminism is not a new political force; its origins can be traced back to the abolitionist movement before the Civil War. Fighting to end slavery, women became conscious of their own legal disabilities. From these anti-statist roots, the women's movement eventually divided over such issues as sex, the family, and war. McElroy's book traces individualist feminism from those early roots until the present day. Her research demonstrates that in vital issues from sex and birth control to business and science, government has been the real obstacle in preventing women from achieving personal freedom and equal rights. This book discusses such controversies as individualism and socialism in the feminist tradition, economic freedom, and the role of women, and the contemporary differences between mainstream and individualist feminism. Through McElroy's work and those of a distinguished group of contributors, this book issues a ringing call for women to recapture their individualist heritage.

Market, State and Feminism Sue Hatt, Linda Watson-Brown, 2000-01-01 This text offers an interdisciplinary critique of the free market backlash, the view that free market economics can improve the position, status, and well-being of women.

**The Individualist Anarchists** Frank H. Brooks, 1994-01-01 Among the political ideologies generally considered to be of continuing significance, anarchism alone has never been implemented. Perhaps its rigors are too strong and its advocates are too weak. That it is still considered worthy of study is testimony to its intellectual credibility, particularly its single-minded emphasis on individual liberty. Obsession with liberty and skepticism of government are as alive today as they were in the nineteenth century. This book offers a comprehensive introduction to anarchism in the United States, revealing its historical roots and relevance to today's problems.

The relationship between anarchy and individualism in the nineteenth century is well known. How this affected the larger system is what the bulk of the anthology is about. Liberty was a magazine featuring some of the outstanding anarchist thinkers in America at the turn of the century. This anthology offers a selection of writings spanning the magazine's twenty-seven year life and features some of its major writers: Benjamin Tucker, Victor Yarros, Steven Byington, John Beverley Robinson, and Gertrude Kelly. The chapters are divided into four sections: political theory, economic theories and reforms, social implications, and strategies of individualist anarchism. The authors criticize censorship, state support of patriarchal marriage, and the general invasion of privacy. Though quite radical, the writers were not revolutionaries in a conventional sense; they emphasized passive resistance rather than violent assault as proper. *The Individualist Anarchists* is not merely of historical interest but offers a fundamental critique of government and authority, one that remains a relevant part of today's libertarian movement. It will be of interest to political theorists, economists, sociologists, and scholars of American history, above all to those who may not yet have appreciated the worth of an analysis made so many years ago. **Feminist**

**Interpretations of Ayn Rand** Mimi Reisel Gladstein, Chris Matthew Sciabarra, 2010-11-01 Bloemlezing van bijdragen vanuit feministisch perspectief over het werk van de Amerikaanse filosoof en schrijfster Ayn Rand. **The Routledge Companion to Social and Political Philosophy** Gerald F. Gaus, Fred D'Agostino, 2013 This comprehensive work provides an up to date survey of social and political philosophy, charting its history and key figures and movements, and addressing enduring questions as well as contemporary research. **Sex Radicals and the Quest for Women's Equality** Joanne Ellen Passet, 2003 Passet shows that the majority of correspondents who participated in the sex radical movement resided in the Midwest and the Great Plains states, where ideas of individual freedom and sovereignty resonated particularly strongly. *The Routledge Companion to Social and Political Philosophy* Gerald Gaus, Fred D'Agostino, Ryan Muldoon, 2024-11-26 *The Routledge Companion to Social and Political Philosophy* Second Edition

is a comprehensive definitive reference work providing an up to date survey of the field charting its history and key figures and movements and addressing enduring questions as well as contemporary research Features unique to the Companion are as follows Extensive coverage of the history of social and political thought including separate chapters on the development of political thought in the Islamic world India and China as well as in modern Germany France and Britain A focus on the core concepts and the normative foundations of social and political theory A section devoted exclusively to distributive justice the central issue of political philosophy since Rawls Theory of Justice Several chapters on global justice and international issues The Companion s 74 commissioned chapters by leading scholars from throughout the world are divided into eight thematic sections The History of Social and Political Theory Political Theories and Ideologies Normative Foundations Distributive Justice The National State and Beyond Political Concepts Approaches and Issues in Social and Political Philosophy Expanded updated and revised throughout this Second Edition includes new chapters on Politics Philosophy and Economics PPE Political Epistemology Race and Ethnicity Power Foucault and New Diversity Theory

**Gates of Freedom** Eugenia C. DeLamotte, 2010-02-11 The time is surely right to draw attention to Voltairine de Cleyre one of the most uncompromisingly revolutionary of all American women writers Gates of Freedom gives a fine selection of de Cleyre s work while articulating it to contemporary critical and cultural concerns The book s organization its tendency to tackle the most difficult issues head on and its careful selection of published and unpublished work are all superb Cary Nelson University of Illinois The question of souls is old we demand our bodies now These words are not from a feminist manifesto of the late twentieth century but from a fiery speech given a hundred years earlier by Voltairine de Cleyre a leading anarchist and radical thinker A contemporary of Emma Goldman who called her the most gifted and brilliant anarchist woman America ever produced de Cleyre was a significant force in a major social movement that sought to transform American society and culture at its root But she belongs to a group of late nineteenth century freethinkers anarchists and sex radicals whose writing continues to be excluded from the U S literary and historical canon Gates of Freedom considers de Cleyre s speeches letters and essays including her most well known essay Sex Slavery Part I brings current critical concerns to bear on de Cleyre s writings exploring her contributions to the anarchist movement her analyses of justice and violence and her views on women sexuality and the body Eugenia DeLamotte demonstrates both de Cleyre s literary significance and the importance of her work to feminist theory women s studies literary and cultural studies U S history and contemporary social and cultural analysis Part II presents a thematically organized selection of de Cleyre s stirring writings making Gates of Freedom appealing to scholars students and anyone interested in Voltairine de Cleyre s fascinating life and rousing work

**Sexual Correctness** Wendy McElroy, 2001-06-15 As feminist and women positive ideas and ideals exploded in the 1960s and 1970s a sexual revolution was forged allowing women a variety of lifestyle choices Many current feminists called gender feminists by some too often are fighting to limit the sexual options of women They view women as victims of patriarchy whom must be protected from

making incorrect sexual choices such as choosing to work in pornography or prostitution As a movement author McElroy believes feminism is in danger of drifting from sexual liberation to sexual correctness This work gives a critical overview of the ideological shift among many feminists The issues of sexual correctness are examined in detail showing how the changing ideology is destroying the principle of a woman s body a woman s right and endangering women s right to choose On each issue this work presents alternatives in the individualist traditions that defined the feminism movement for many years

**Routledge International Encyclopedia of Women** Cheris Kramarae,Dale Spender,2004-04-16 For a full list of entries and contributors sample entries and more visit the Routledge International Encyclopedia of Women website Featuring comprehensive global coverage of women s issues and concerns from violence and sexuality to feminist theory the Routledge International Encyclopedia of Women brings the field into the new millennium In over 900 signed A Z entries from US and Europe Asia the Americas Oceania and the Middle East the women who pioneered the field from its inception collaborate with the new scholars who are shaping the future of women s studies to create the new standard work for anyone who needs information on women related subjects

**Feminist Readings of Antigone** Fanny Söderbäck,2012-02-01 Feminist Readings of Antigone collects the most interesting and provocative feminist work on the figure of Antigone in particular looking at how she can figure into contemporary debates on the role of women in society Contributors focus on female subjectivity and sexuality feminist ethics and politics questions of race and gender psychoanalytic theory kinship embodiment and tensions between the private and the public This collection seeks to explore and spark debate about why Antigone has become such an important figure for feminist thinkers of our time what we can learn from her whether a feminist politics turning to this ancient heroine can be progressive or is bound to idealize the past and why Antigone keeps entering the stage in times of political crisis and struggle in all corners of the world Fanny S derb ck has gathered classic work in this field alongside newly written pieces by some of the most important voices in contemporary feminist philosophy The volume includes essays by Judith Butler Adriana Cavarero Tina Chanter Luce Irigaray and Julia Kristeva

**Freedom, Reason, and the Polis: Volume 24, Part 2** David Keyt,Fred D. Miller (Jr.),2007-07-02 What is the nature of law Does our obligation to obey the law extend to unjust laws From what source do lawmakers derive legitimate authority What principles should guide us in the design of political institutions These essays by prominent contemporary philosophers explore how these questions were addressed by ancient political thinkers Classical theories of human nature and their implications for political theory are examined as is the meaning of freedom and coercion in Plato s thought and his idea that philosophers should be political rulers Other essays ask what we can learn from ancient thinkers like Aristotle about the principles of constitutional design or the limits of political obligation

**International Approaches to Prostitution** Geetanjali Gangoli,Nicole Westmarland,2006-05-31 Providing a detailed international comparison of the laws policies and interventions relating to prostitution in eight countries across Europe and Asia this title includes case studies that are brought to life by giving voice

to the experiences of prostitutes themselves      **Twilight War** Mike Moore, 2008-03-03 Considering the historical background of space militarization and providing an overview of the United States efforts to militarily dominate space since the dawn of the space age this book argues that America must either ensure that space related weapons are verifiably banned for all nations through an international treaty or definitively choose a policy of unilateral space dominance that may lead to an arms race in space and possibly to another cold war The 1967 Outer Space Treaty designated space as the province of all mankind It expressly prohibited nuclear and non nuclear weapons of mass destruction in orbital space and exclusively limited the use of the Moon and other celestial bodies for peaceful purposes But changes in the post Cold War world as well as unforeseeable advances in satellite and weapons technologies have compelled every space faring nation save the U S and Israel to go on record as favoring a new treaty for the Prevention of an Arms Race in Outer Space In **Twilight War The Folly of U S Space Dominance** Mike Moore former editor of The Bulletin of the Atomic Scientists argues that the U S merely provokes conflict when it presumes to be the exception to the rule Rejecting treaty negotiations while further militarizing space renders America unable to lead by example Moore concludes that instead of trying to stop an arms race in space by starting one the U S must radically rethink its strategy      **From Mutual Aid to the Welfare State** David T. Beito, 2003-06-19 During the late nineteenth and early twentieth centuries more Americans belonged to fraternal societies than to any other kind of voluntary association with the possible exception of churches Despite the stereotypical image of the lodge as the exclusive domain of white men fraternalism cut across race class and gender lines to include women African Americans and immigrants Exploring the history and impact of fraternal societies in the United States David Beito uncovers the vital importance they had in the social and fiscal lives of millions of American families Much more than a means of addressing deep seated cultural psychological and gender needs fraternal societies gave Americans a way to provide themselves with social welfare services that would otherwise have been inaccessible Beito argues In addition to creating vast social and mutual aid networks among the poor and in the working class they made affordable life and health insurance available to their members and established hospitals orphanages and homes for the elderly Fraternal societies continued their commitment to mutual aid even into the early years of the Great Depression Beito says but changing cultural attitudes and the expanding welfare state eventually propelled their decline      **The Mirror of Antiquity** Caroline Winterer, 2007 In **The Mirror of Antiquity** the author uncovers the lost world of American women s classicism during its glory days from the 18th through the 19th centuries      **The Challenge of Liberty** Robert Higgs, 2006-02-01 Is Classical Liberalism Still Vital The quest for freedom has always been as much a battle of ideas as it is a popular struggle Classical liberal pioneers such as John Locke and Adam Smith stressed the inherent worth of the individual inalienable rights and the benevolent consequences of the cooperative peaceful pursuit of one s own happiness These ideas became the intellectual scaffolding for much of the West s most fundamental institutions and achievements Yet after its 19th century high water mark classical liberalism lost

much of its passion focus and popular support Intellectual trends increasingly began to support coercive egalitarianism empire and central planning at the expense of individual liberty personal responsibility private property natural law and free institutions But the eclipse of classical liberalism by contemporary liberalism and conservatism is passing The Challenge of Liberty restores the ideas and ideals of classical liberalism and shows how its contemporary exponents defend such pillars of free societies as individual rights human dignity market processes and the rule of law      *Problems of Market Liberalism: Volume 15, Social Philosophy and Policy, Part 2* Ellen Frankel Paul, Fred D. Miller (Jr.), Jeffrey Paul, 1998-10-13 These essays assess market liberal or libertarian political theory They provide insights into the limits of government develop market oriented solutions to pressing social problems and explore some defects in traditional libertarian theory and practice Some of the essays deal with crucial theoretical issues asking whether the promotion of citizens welfare can serve as the justification for the establishment of government or inquiring into the constraints on individual behavior that exist in a liberal social order Some essays explore market liberal or libertarian positions on specific public policy issues such as affirmative action ownership of the airwaves the provision of healthcare or the regulation of food and drugs Other essays look at property rights the morality of profit making or the provision of public goods Still others address libertarianism as a political movement suggesting ways in which libertarians can reach out to those who do not share their views

## Whispering the Strategies of Language: An Psychological Quest through **Freedom Feminism And The State An Overview Of Individualist Feminism**

In a digitally-driven earth wherever screens reign great and immediate interaction drowns out the subtleties of language, the profound strategies and mental nuances hidden within words often go unheard. ### Freedom Feminism And The State An Overview Of Individualist Feminism Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In todays fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Freedom Feminism And The State An Overview Of Individualist Feminism PDF books and manuals is the internets largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to

locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Freedom Feminism And The State An Overview Of Individualist Feminism PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Freedom Feminism And The State An Overview Of Individualist Feminism free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

### **FAQs About Freedom Feminism And The State An Overview Of Individualist Feminism Books**

1. Where can I buy Freedom Feminism And The State An Overview Of Individualist Feminism books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores.
