Freedom From The Known:

Freedom from the Known J. Krishnamurti, 2024-10-17 Embark on a profound journey of self discovery with J Krishnamurti's *Freedom from the Known*. This enlightening work invites you to break free from the shackles of societal expectations and become the true architect of your own destiny. Krishnamurti delves into the essence of human disorder, revealing that our inner turmoil often stems from living according to the dictates of others rather than our own authentic selves. In his most thought-provoking style, Krishnamurti illuminates the path to immediate and radical freedom. He demonstrates how transforming our inner world can reshape our relationships and the very structure of society. This vital book underscores the urgent need for change and the boundless possibilities that arise when we recognize our own potential for transformation. Let *Freedom from the Known* guide you towards a deeper understanding of yourself and a liberated way of life.

Freedom from the Known Jiddu Krishnamurti, 1975-03-19 Krishnamurti shows how people can free themselves radically and immediately from the tyranny of the expected, no matter what their age, opening the door to transforming society and their relationships. **On Freedom** J. KRISHNAMURTI, To me freedom is absolutely necessary; freedom at the beginning, in the middle, and at the end, and that freedom is denied when I carry a problem over to the next day. This means that I have not only to discover how the problem arises but also how to end it completely surgically so that there is no repetition, no carrying over of the problem, no feeling that I will think about it and find the answer tomorrow. If I carry the problem over to the next day, I have provided the soil in which the problem takes root, and then the pruning of that problem becomes still another problem. *On Freedom* is one of a series of theme books compiled from the talks, writings, and dialogues of J. Krishnamurti. Some of the other titles in this series are *On God*, *On Relationship*, *On Love and Loneliness*, and *On Living and Dying*. *On Freedom* Jiddu Krishnamurti, 1992 **J. Krishnamurti and the Nameless Experience** Rohit Mehta, 1979

J. Krishnamurti is one of the most revolutionary thinkers of our age. To listen to him or to read his books is an experience by itself. He challenges every norm and value of individual as well as social life. He is not interested in mere outer changes; he stands for a fundamental transformation, what he calls the Mutation of the Mind. He states that there must arise first the New Man before a New Society can be brought into existence. The present book deals comprehensively with all aspects of Krishnamurti's teachings: his philosophy, his psychology, and a practice of no practice. Krishnamurti says, "Society is always static; only in the individual can there be a radical revolution. It is with this individual revolution that this book is fundamentally concerned."

Freedom from the Dungeons of Human Slavery, **Freedom From The Mind** Osho, *The Zen Manifesto: Freedom From Oneself* Osho, 2023-03-17 It is time, ripe time for a Zen manifesto. The Western intelligentsia have become acquainted with Zen, have also fallen in love with Zen, but they are still trying to approach Zen from the mind. They have not yet come to the understanding that Zen has nothing to do with mind. Its tremendous job is to get you out of the prison of mind. It is not an intellectual philosophy; it is not a philosophy at all. Nor is it a religion because it has no fictions and

no lies no consolations It is a lion s roar And the greatest thing that Zen has brought into the world is freedom from oneself All the religions have been talking about dropping your ego but it is a very weird phenomenon they want you to drop your ego and the ego is just a shadow of God God is the ego of the universe and the ego is your personality Just as God is the very center of existence according to religions your ego is the center of your mind of your personality They have all been talking about dropping the ego but it cannot be dropped unless God is dropped You cannot drop a shadow or a reflection unless the source of its manifestation is destroyed *Freedom from the I* Shashank Kasliwal,2018-02-09 **The Struggle for Freedom from Fear** Alison Brysk,2018-08-08 How can we understand and contest the global wave of violence against women In this book Alison Brysk shows that gender violence across countries tends to change as countries develop and liberalize but not in the ways that we might predict She shows how liberalizing authoritarian countries and transitional democracies may experience more shifting patterns and greater levels of violence than less developed and democratic countries due to changes and uncertainties in economic and political structures Accordingly Brysk analyzes the experience of semi liberal developing countries at the frontiers of globalization Brazil India South Africa Mexico the Philippines and Turkey to map out patterns of gender violence and what can be done to change those patterns As the book shows gender violence is not static nor can it be attributed to culture or individual pathology rather it varies across a continuum that tracks economic political and social change While a combination of international action law public policy civil society mobilization and changes in social values work to decrease gender violence Brysk assesses the potential limits and balance of these measures Brysk shows that a human rights approach is necessary but not sufficient to address gender violence and that insights from feminist and development approaches are essential *History of Meals for Millions, Soy, and Freedom from Hunger* William Shurtleff,Akiko Aoyagi,2011-02 *Myopic Me! Freedom from Religion* John D Lane Jr,2023-07-12 When nine of us prayed at Holden Beach we thanked God though we had been the victims of the Shepherding Religion But Jesus s proactive trip into the Wilderness had confronted an estimated forty two hundred religions according to current estimates Jesus s bedrock actions combined with His confrontation of Legion spelled the doom for religion s strongholds Post Holden Beach my wife s dream revealed that T Jacks come to snap at the ankles of every irreligious person who nevertheless has formulated their own religion They we become ensnared in the sweaty religion of Myopic Me Paul says that Myopic Me perfectly describes the crooked generation s love of self and money contemptuous of Law acting with cruelty disobedient to parents boastful and loving pleasure while scoffing at God Paul tells us that religion comes to everyone who demotes Christ s finished work Thus my five books address these battlefields for the soul of man Captured by the Faith Time Continuum Jerusalem with Solomon Einstein Made in the Bipolar Image of God Dividing Wall of Hostility Freedom from Religion **Freedom From The Sin of Adultery And Fornication** Zacharias Tanee Fomum,2016-06-15 Although the fourteen books in this series are complementary and help the reader to have a more complete view of the theme each book is complete in its own right and

should be read for the profit of it Although the books are rooted in the Word of God they are written not merely to help readers to know God s point of view on the issues discussed but also to lead the believer beyond theoretical understanding into spiritual experience for sanctification is ultimately not merely a doctrine but an experience My prayer for you is that the One who chose us in him before the foundation of the world that we should be holy and blameless before him Ephesians 1 4 should work mightily in you as you read working in you and through you so that you may enter into and make progress in the life of sanctification May the Lord bless you exceedingly **On Fear** Jiddu Krishnamurti,2013-07-30 On Fear is a collection of Krishnamurti s most profound observations and thoughts on how fear and dependence affect our lives and prevent us from seeing our true selves Among the many questions Krishnamurti addresses in these remarkable teachings are How can a mind that is afraid love And what can a mind that depends on attachment know of joy He points out that the voice of fear makes the mind dull and insensitive and argues that the roots of hidden fears which limit us and from which we constantly seek escape cannot be discovered through analysis of the past Questioning whether the exercise of will can eliminate the debilitating effects of fear he suggests instead that only a fundamental realization of the root of all fear can free our minds
