

FREEDOM

Freedom is the state or condition of being able to act, think, or express oneself without constraints or restrictions.

OVERVIEW

Freedom is a fundamental concept that encompasses various dimensions of individual and collective liberties. It implies the absence of coercion, oppression, or undue limitations, allowing individuals to exercise their rights, make choices, and pursue their interests and values. Freedom is often associated with principles such as autonomy, self-determination, and the protection of basic human rights.

EXAMPLES

- **Freedom of Speech:** This freedom grants individuals the right to express their opinions, beliefs, and ideas without censorship.
- **Freedom of Religion:** This guarantees individuals the right to practice their chosen religion or belief system freely, without interference or discrimination.
