Meditations from Iraq Lance Kittleston, 2005 I experienced the power of God s grace in two ways as I have read these e mails I heard the story of faith of an ordinary parish pastor who served God in a rather extraordinary setting and I experienced the power of God to make the ordinary precious These letters are filled with simple moments of serving coffee and serving God baptism by bottled water and denominational tensions melting under a desert sun Lance Kittleston shares with all of us a small piece of God s kingdom in a far off land from the Preface Elaine Siemsen Assistant Professor of Religion St Olaf College In January 2003 Lance Kittleston s army reserve unit was deployed to Kuwait and Iraq For the next 14 months his ministry was transformed instead of pastoring an Iowa congregation he now served under harsh and sometimes dangerous conditions as a chaplain for a support unit on the edge of war Yet even in this chaotic and challenging environment his trained pastor s eye finds the presence of God in moments both mundane and exhilarating In this collection of e mails sent to family and friends during his time in the Middle East Kittleston shares insightful poignant and humorous meditations on faith and life You ll get a firsthand glimpse of military life as well as the remarkable ways of the spirit both divine and human at work When the camp s altar suddenly disappears you ll read about how Kittleston comes to understand that the crude replacement altar hastily assembled from discarded shipping crates is a better symbol of Jesus than any fancy altar in an ornate sanctuary You ll also see how the sight of a superior officer offering a cup of coffee draws quizzical responses from servicemen accustomed to a rank conscious army Whether you are interested in learning more about what some of our men and women in uniform are experiencing in Iraq want thoughtful sermon illustrations or just desire inspirational reading that highlights God s presence even in the worst of life *Meditations From Iraq* is a fascinating volume
