Freemasonry And The Crusades:

Freemasonry and the Crusades: Robert I. Clegg Albert Gallatin Mackey, 2011-12 One of Freemasonry most respected and widely read authors gives us his account of the Crusades and the often reported connections between the Knights Templar and Freemasonry Mackey was prolific as an author and his books included the History of Freemasonry in seven volumes the Encyclopedia of Freemasonry in two volumes Symbolism of Freemasonry Masonic Jurisprudence Manual of the Lodge Book of the Chapter Principles of Masonic Law Lexicon of Freemasonry and the Mystic Tie Included in this work is a biography of Mackey by Robert I Clegg who revised later editions of Mackey's classic Encyclopedia of Freemasonry *The Crusades, the Templars and Freemasonry* Rosaldo Bonnet, 2023-04-07 Europe and Christianity were at serious risk from the advance of the Muslims The Catholic Church knew that for its strengthening in the old continent it also depended on preventing the progress of the Arabs in the region The Byzantine Empire on the other hand cornered by the Islamists saw its domains gradually shrink and if nothing was done it would be a question of time before they fell under Muslim domination And from this context a call for help a call for faith and an unprecedented mobilisation was the starting point for the Crusades However behind it all many secrets betrayals and hidden interests were disguised in the retaking of the Holy Land This was the backdrop of Europe and the Middle East in the early 11th century and after a vibrant speech Urban II in Clermont in France sets out on a journey to reconquer Jerusalem and its holy sites And in this scenario the story develops from the first Crusade evolving to the other crusades to the creation of the Order of the Temple and its collapse and finally to the building sites of the great cathedrals and operative freemasonry A historical saga of wars betrayals dreams wealth and power involving the Church the nobility the Knights Templar and the Freemasons In an exciting account of the period with wealth of detail and great revelations The book narrates one of the bloodiest and troubled periods of the western world **Freemasonry and the Crusades** Albert Gallatin Mackey, William R. Singleton, 2005-12-01 This scarce antiquarian book is a facsimile reprint of the original Due to its age it may contain imperfections such as marks notations marginalia and flawed pages Because we believe this work is culturally important we have made it available as part of our commitment for protecting preserving and promoting the world's literature in affordable high quality modern editions that are true to the original work

Encyclopedia Of Freemasonry And Its Kindred Sciences, Volume 1: A-C Albert G. Mackey, Dr Albert G Mackey appears as author of this Encyclopedia of Freemasonry and its Kindred Sciences which being a library in itself superseded most of the Masonic works which have been tolerated by the craft chiefly because none better could be obtained Here is a work which fulfils the hope which sustained the author through ten years literary labor that under one cover he would furnish every Mason who might consult its pages the means of acquiring a knowledge of all matters connected with the science the philosophy and the history of his order Up to the present time the modern literature of Freemasonry has been diffuse lumbering unreliable and out of all reasonable proportions There is in Mackey's Encyclopaedia of Masonry well digested well

arranged and confined within reasonable limits all that a Mason can desire to find in a book exclusively devoted to the history the arts science and literature of Masonry This is volume one out of four and covering the letters A to C **Sworn in Secret** Sanford Holst,2012-04 This remarkable exploration of intriguing people and events in Freemasonry sheds new light on how this brotherhood s practices symbols and rituals took shape An extraordinary wealth of documents is found in this pursuit including parchment manuscripts dating to the 1300s The roots of Freemasonry are traced to the building of Solomon s Temple the rise of Christianity and the Crusades in Europe Masonry s controversial relationship with the Knights Templar and Vatican also takes on new and significant meaning The emergence of this secretive society in Britain had a strong influence on George Washington Benjamin Franklin and other Masons who helped create a new country in America All those struggles are seen through the experiences of people who lived through these events often told in their own words and drawn from remarkable collections of records dating from those times They reveal Freemasonry to be well grounded in recognizable events and show how its members influenced the world around them Those influences are still felt in our lives today Forty five illustrations help bring to life this memorable journey of discovery Publisher description **The History of**
